Dear Policyholder:

Thank you for placing your workers compensation coverage with Berkshire Hathaway Homestate Companies (BHHC). We look forward to working with you to fulfill all your workers compensation needs.

Enclosed you will find documentation necessary for the processing and administration of a claim in the event of a workplace injury, as well as important information regarding workers compensation requirements for your state (i.e. posting notices, compliance laws, etc). Please utilize the documents included to collect valid information regarding the injured employee and incident, and send the documents in when reporting the claim or upon request. Any completed document should be sent directly to BHHC using mail, e-mail, or fax. The assigned claims professional will forward necessary documentation onto the appropriate state entity.

It is critical that you promptly report all new claims using one of the contact methods listed to the right.

Colorado state law requires employers report every industrial injury or occupational disease claim to their workers compensation carrier as soon as possible or within 10 days of employer knowledge of injury. BHHC recommends that employers report all potential claims within five days of their knowledge to allow enough time to fully investigate the claim while meeting state reporting deadlines.

State law also requires that employers authorize initial medical treatment within 24 hours of knowledge that an occupational injury or illness has been sustained or reported, regardless of the legitimacy of the claim. Failure to comply may result in the loss of "medical control" and a significant increase in the potential claim cost.

We will attempt to contact you and the injured worker within 24 hours of receiving the First Report of Injury. Your cooperation in allowing the injured employee to speak with one of our Claims Professionals is appreciated.

Should you have any questions regarding the contents of this kit, a claim, or claim reporting, please contact our Customer Care Center at (888) 495-8949. Questions regarding your insurance policy or coverage should be directed to your broker or agent. We thank you for choosing BHHC as your workers compensation carrier and look forward to providing you superior customer service and compassionate care for your injured workers.

Colorado Medical Provider Panels

Treating physicians can have a significant impact on a claim's medical cost. A key component to controlling these costs and reaching a satisfactory resolution of a claim for all parties involved is ensuring that the claimant receives quality medical care from a competent physician. In the state of Colorado, when an employer has notice of an on-the-job injury, the employer shall provide the employee with a written list of designated providers from which the employee may select a physician or corporate medical provider. Pursuant to 7 CCR 1101-3 Rule 8-2, this list will be referred to as the designated provider list.

This document contains a summary of the essential elements for the creation and maintenance of a designated provider list. **Our staff is available to assist in this process.** We can provide a list of qualified, reputable physicians and medical providers that are experienced in providing treatment of industrial injuries, familiar with workers' compensation, and strong advocates of a safe and expedient return to work.

GENERAL REQUIREMENTS

Notice to Workers- A copy of the written designated provider list must be given to the employee in a verifiable manner within seven business days following the date the employer has notice of the injury. The list must include contact information for the insurer, including address, phone number, and claims contact information.

Included Physicians- The designated provider list may include any combination of physicians and/or corporate medical providers so long as at least one physician or corporation medical provider is at a distinct location without common ownership. If there are not at least two physicians or corporate medical providers at distinct locations without common ownership within 30 miles of the employer's place of business, the list may be comprised of providers at the same location or with common ownership.

Number of Physicians- The number of physicians or corporate medical providers required on the designated provider list is determined by the number of physicians or corporate medical providers willing to treat an employee within 30 miles of the employer's location:

AVAILABLE PROVIDERS WITHIN 30 MILES:	REQUIRED NUMBER OF DESIGNATED PROVIDERS TO BE LISTED:
THREE OR LESS	ONE
AT LEAST FOUR BUT LESS THAN NINE	TWO
NINE OR MORE	FOUR

If the employer fails to supply the required designated provider list, the employee may select an authorized treating physician or chiropractor of his/her choosing.

Emergency Situation- In an emergency situation, the employee shall be taken to any physician or medical facility that is able to provide the necessary care. When emergency care is no longer required, the above will apply. Additionally, if the employee is away from the usual place of employment at the time of the injury, the employee may be referred to a physician in the vicinity where the injury occurred. Within 7 business days following the date the employer has notice of the injury, the employer shall comply with the above.

Change in Provider- Within 90 days following the date of injury but before reaching maximum medical improvement, an employee may request a one-time change of authorized treating physician pursuant to §8-43-404(5)(a)(III). The new physician must be a physician on the designated provider list or provide medical services for a designated corporate medical provider on the list. To make a change the employee must complete and sign Form WC3- Notice of One-Time Change of Physician provided by the Colorado Division of Workers' Compensation. The employee shall submit the form by mailing or hand-delivering the completed form to the person designated by the employer to receive the form. The person designated is listed on the designated provider list given to the employee as the respondents' representative. The employee may, but is not required to, provide the form to the impacted physicians. In any event, the respondents' representative shall notify the impacted physicians and the individual adjusting the claim of the change, unless an objection is submitted. If the insurer or employer believes the notice provided does not meet statutory requirements and does not accept the change of physician, the insurer or employer must provide written objection to the employee within 7 business days following receipt of the form. The written objection shall set out the reason(s) that the notice does not meet statutory requirements.

Additional Changes in Provider- In addition and separately from the above, an employee may submit a written request to change physicians to the insurer. Such a request must be on Form WC197- Request for Change of Physician provided by the Colorado Division of Workers' Compensation. The insurer has 20 days to either grant permission for the requested change of physician or object in writing on the form prescribed by the Colorado Division of Workers' Compensation. Failure to timely object shall be deemed a waiver of objection.

Continuance of Care- The originally authorized treating physician shall continue as the authorized treating physician for the employee until the employee's initial visit with the newly authorized treating physician. The opinion of the originally authorized treating physician regarding work restrictions and return to work shall control unless such opinion is expressly modified by the newly authorized treating physician.

Acknowledgement of Receipt and Notice of Designated Provider List

By signing this document, I am certifying that my employer, _____,
provided me with a copy of the designated provider list on _____.

I understand that I must select a medical provider from the designated provider list to provide medical care for any work injuries that I have sustained.

I further understand that, if I am not satisfied with the first provider that I select from the panel, I have the right to request a one-time change within the first 90 days of treatment to another provider on the designated provider list. I may do so by submitting Form WC3 from the Colorado Division of Workers' Compensation to the designated representative. Once I have submitted this change, I am unable to make a change without a written request to the insurance carrier on Form WC197 provided by the Colorado Division of Workers' Compensation.

I understand that the originally authorized provider shall continue treatment until I have my initial visit with the newly authorized treating physician. I further understand that the opinion of the originally authorized treating physician shall control unless it is expressly modified by the newly authorized treating physician.

I have read this acknowledgment and fully understand the entire content. I have asked questions about anything that was not clear to me and I am satisfied with the answers I have received. I understand that I have a right to receive a copy of this acknowledgement at my request.
