Workers Compensation Division

Dear Policyholder:

Thank you for placing your workers compensation coverage with Berkshire Hathaway Homestate Companies (BHHC). We look forward to working with you to fulfill all your workers compensation needs.

Enclosed you will find documentation necessary for the processing and administration of a claim in the event of a workplace injury, as well as important information regarding workers compensation requirements for your state (i.e. posting notices, compliance laws, etc). Please utilize the documents included to collect valid information regarding the injured employee and incident, and send the documents in when reporting the claim or upon request. Any completed document should be sent directly to BHHC using mail, e-mail, or fax. The assigned claims professional will forward necessary documentation onto the appropriate state entity.

It is critical that you promptly report all new claims using one of the contact methods listed to the right.

Kentucky state law requires employers to report every industrial injury or occupational disease claim to their workers compensation carrier immediately.

State law also requires that employers authorize initial medical treatment within 24 hours of knowledge that an occupational injury of illness has been sustained or reported, regardless of the legitimacy of the claim. Failure to comply may result in the loss of "medical control" and a significant increase in the potential claim cost.

We will attempt to contact you and the injured worker within 24 hours of receiving the First Report of Injury. Your cooperation in allowing the injured employee to speak with one of our Claims Professionals is appreciated.

Should you have any questions regarding the contents of this kit, a claim, or claim reporting, please contact our Customer Care Center at (888) 495-8949. Questions regarding your insurance policy or coverage should be directed to your broker or agent. We thank you for choosing BHHC as your workers compensation carrier and look forward to providing you superior customer service and compassionate care for your injured workers.

MEDICAL WAIVER AND CONSENT

I, _________having filed a claim for workers' compensation benefits, do hereby waive any physician-patient, psychiatrist -patient, or chiropractor-patient privilege I may have and hereby authorize any health care provider to furnish to myself, my attorney, my employer, its workers' compensation carrier or its agent, the Division of Workers' Compensation Funds, the Uninsured Employers' Fund, or Administrative Law Judge any information or written material reasonably related to my work-related injury occurring on or about _______ any medical information relevant to the claim including past history of complaints of, or treatment of, a condition similar to that presented in this claim or other conditions related to the same body part.

Such information is being disclosed to the purpose of facilitating my claim for Kentucky workers' compensation benefits.

I understand I have the right to revoke this authorization in writing at any time, by sending written notification to each individual health care provider, but such revocation will not have any affect on actions taken prior to revocation. Moreover, inasmuch as KRS 342.020(8) requires a medical waiver to be executed, revocation may result in suspension or delay of the workers' compensation claim.

I understand that no medical provider may condition treatment or payment on whether I sign this medical waiver; however, I further understand that failure to sign this medical waiver may result in suspension or delay of the workers' compensation claim.

I understand that the information used or disclosed pursuant to this medical waiver may be subject to re-disclosure by the recipient.

This authorization shall remain valid for 180 days following its execution. A photocopy of the authorization may be accepted in lieu of the original.

The authorization includes, but is not restricted to, a right to review and obtain all copies of all records, x-rays, x-ray reports, medical charts, prescriptions, diagnoses, opinions and courses of treatment.

KENTUCKY WORKERS' COMPENSATION AND HIPAA

On April 14, 2003, the federal Health Insurance Portability and Accountability Act [HIPAA] privacy regulation will take effect. This regulation limits the situations in which medical providers may release patient information, unless the information is necessary for the purpose of treatment, payment, or health care operations. <u>Moreover, it is important to note that disclosures for workers'</u> compensation are in most instances exempt from HIPAA privacy requirements. The exact wording is as follows: "A covered entity may disclose protected health information as authorized by and to the extent necessary to comply with laws relating to workers' compensation..."

Since HIPAA defers to state law regarding disclosures relating to workers' compensation, it is important for claimants and medical providers to know what Kentucky law requires for disclosure of patient information. An employee who reports a work injury or who files for workers compensation benefits must "execute a waiver and consent of any physician-patient, psychiatrist-patient, or chiropractor-patient privilege with respect to any condition or complaint reasonably related to the condition for which the employee (assigned), within a reasonable time after written request by the employee, employer, workers' compensation insurer [or its agent or assignee], special fund, uninsured employers' fund, or the administrative law judge, provide the requesting party with any information or written material reasonably related to any injury or disease for which the employee claims compensation."

Once the Form 106 is signed, health care providers may disclose information as set out in Kentucky law. Another section of the regulation allows release of information pursuant to an administrative or judicial order or subpoena, provided that there has been a reasonable effort to notify the injured worker [or his attorney] that such a request has been made. Should there be questions regarding disclosures pursuant to this form, appropriate legal counsel should be consulted or you can contact the Department of Workers' Claims at 1-800554-8601.
