## Dear Policyholder:

Thank you for placing your workers compensation coverage with Berkshire Hathaway Homestate Companies (BHHC). We look forward to working with you to fulfill all your workers compensation needs.

Enclosed you will find documentation necessary for the processing and administration of a claim in the event of a workplace injury, as well as important information regarding workers compensation requirements for your state (i.e. posting notices, compliance laws, etc). Please utilize the documents included to collect valid information regarding the injured employee and incident, and send the documents in when reporting the claim or upon request. Any completed document should be sent directly to BHHC using mail, e-mail, or fax. The assigned claims professional will forward necessary documentation onto the appropriate state entity.

It is critical that you promptly report all new claims using one of the contact methods listed to the right.

Utah state law recommends employers report every industrial injury or occupational disease claim to their workers compensation carrier as soon as possible or within 5 days of employer knowledge of injury.

State law also requires that employers authorize initial medical treatment within 24 hours of knowledge that an occupational injury of illness has been sustained or reported, regardless of the legitimacy of the claim. Failure to comply may result in the loss of "medical control" and a significant increase in the potential claim cost.

We will attempt to contact you and the injured worker within 24 hours of receiving the First Report of Injury. Your cooperation in allowing the injured employee to speak with one of our Claims Professionals is appreciated.

Should you have any questions regarding the contents of this kit, a claim, or claim reporting, please contact our Customer Care Center at (888) 495-8949. Questions regarding your insurance policy or coverage should be directed to your broker or agent. We thank you for choosing BHHC as your workers compensation carrier and look forward to providing you superior customer service and compassionate care for your injured workers.
