Dear Policyholder:

Dear Policyholder:

Thank you for placing your workers compensation coverage with Berkshire Hathaway Homestate Companies (BHHC). We look forward to working with you to fulfill all your workers compensation needs.

Enclosed you will find documentation necessary for the processing and administration of a claim in the event of a workplace injury, as well as important information regarding workers compensation requirements for your state (i.e. posting notices, compliance laws, etc). Please utilize the documents included to collect valid information regarding the injured employee and incident, and send the documents in when reporting the claim or upon request. Any completed document should be sent directly to BHHC using mail, e-mail, or fax. The assigned claims professional will forward necessary documentation onto the appropriate state entity.

It is critical that you promptly report all new claims using one of the contact methods to the right.

Montana state law requires employers to report every industrial injury or occupational disease claim to their workers compensation carrier within 6 days of employer knowledge of an injury. BHHC recommends that employers report all potential claims within 5 days of their knowledge to allow enough time to fully investigate the claim while meeting state reporting deadlines.

State law also requires that employers authorize initial medical treatment within 24 hours of knowledge that an occupational injury of illness has been sustained or reported, regardless of the legitimacy of the claim. Failure to comply may result in the loss of “medical control” and a significant increase in the potential claim cost.

We will attempt to contact you and the injured worker within 24 hours of receiving the First Report of Injury. Your cooperation in allowing the injured employee to speak with one of our Claims Professionals is appreciated.

Should you have any questions regarding the contents of this kit, a claim, or claim reporting, please contact our Customer Care Center at (888) 495-8949. Questions regarding your insurance policy or coverage should be directed to your broker or agent. We thank you for choosing BHHC as your workers compensation carrier and look forward to providing you superior customer service and compassionate care for your injured workers.

Instructions

Workers' compensation insurance is a state-required insurance, which provides medical benefits, wage compensation and rehabilitation to workers injured on the job. Severe penalties can be assessed against an uninsured employer. Neither general liability nor health and accident insurance policies are substitutes for workers' compensation insurance.

The worker and employer may complete this form together or they may each submit a separate form.

Injured Worker's Instructions

Workers have two reporting requirements: 1) Notify your employer of an on-the-job injury within 30 days of its occurrence and 2) Complete this form as a claim for compensation. The form must be signed and submitted to the employer's insurer or the Department of Labor and Industry within 12 months of the accident. The form must be submitted for all injuries in order to protect your right to benefits in the event a seemingly minor injury develops into a more serious condition.

Complete a report of the injury

Be thorough in completing all areas except the gray shaded areas. It is important to you that we have complete information. You must provide your Social Security Number (SSN). This is a mandatory requirement that is permitted under Section 7(a) the Privacy Act of 1974 because the Montana Department of Labor and Industry's forms, prescribed by department rules in existence prior to January 1, 1975, have required disclosure of the SSN. The SSN is used as a key identifier of the claimant, and is needed because of the number of persons who have similar names and birth dates, and whose identities can only be distinguished by the SSN. Use extra sheets of paper if needed. Type or print with a ballpoint pen.

To ensure that workers' compensation systems will not be disrupted, the Health Insurance Portability and Accountability Act of 1996 (HIPAA), Public Law 104-191, 42 USC 1301, et. seq., **permits the disclosure of protected health care information pursuant to the provisions of state laws regarding workers' compensation.** 45 CFR 164.512(l) states:

> "Standard: Disclosures for workers' compensation: A covered entity may disclose protected health information **as authorized by and to the extent necessary to comply with laws relating to workers' compensation** or other similar programs, established by law, that provide benefits for work-related injuries or illness without regard to fault."

Employer's Instructions

Montana law requires employers to complete this form within six days after notice of every on-the-job accident, injury and/or occupational disease (OD) by a worker. Ensure all areas are completed except the gray shaded areas, which your insurer will complete. **It is important that we have complete information.**

Type or print with a ballpoint pen. If you are completing with WORD software, you may tab through the fields. If the injured worker is available to do so, they may file a claim for workers' compensation by completing and signing their portions of this form. You may then complete the employer section.

Send the original immediately to your workers' compensation insurer. If you don't know whom your insurer is, contact the Montana Department of Labor and Industry (see below). **SEND THIS FORM WITHIN THE 6-DAY LIMIT EVEN IF THE WORKER IS NOT AVAILABLE TO SIGN.** This form must be submitted even if the employer questions whether or not the reported injury and/or OD are job-related. Additional sheets of paper may be attached, if needed to fully explain all conditions concerning the injury and/or OD.

The United States Department of Labor, OSHA, requires employers to maintain a record of occupational injuries in the employer's office. Please copy the completed form for your records.

Insurer/Adjuster (not submitting electronically)

Please complete all gray shaded areas, and mail a completed copy immediately to the Montana Department of Labor and Industry at the address shown below. Boxes that have been **BOLDED** are mandatory in order to file this report. If you wish to file First Report information electronically, please contact the Employment Relations Division.
