Dear Policyholder:

Thank you for placing your workers compensation coverage with Berkshire Hathaway Homestate Companies (BHHC). We look forward to working with you to fulfill all your workers compensation needs.

Enclosed you will find documentation necessary for the processing and administration of a claim in the event of a workplace injury, as well as important information regarding workers compensation requirements for your state. (i.e. posting notices, compliance laws, etc.) Please utilize the documents included to collect valid information regarding the injured employee and incident, and send the documents in when reporting the claim or upon request. Any completed document should be sent directly to BHHC using mail, e-mail, or fax. The assigned claims professional will forward necessary documentation onto the appropriate state entity.

It is critical that you promptly report all new claims. State law requires that employers authorize initial medical treatment within 24 hours of knowledge that an occupational injury or illness has been sustained or reported, regardless of the legitimacy of the claim. Failure to comply may result in the loss of medical control and a significant increase in the potential claim cost.

We will attempt to contact you and the injured worker within 24 hours or receiving the First Report of Injury. Your cooperation in allowing the injured employee to speak with one of our Claims Professionals is appreciated.

Should you have any questions regarding the contents of this kit, a claim or claim reporting, please contact our Customer Care Center at (888) 495-8949. Questions regarding your insurance policy or coverage should be directed to your broker or agent.

We thank you for choosing BHHC as your workers compensation carrier and look forward to providing you with superior customer service and compassionate care for your injured workers.

Notice to Employees--Injuries Caused By Work

You may be entitled to workers' compensation benefits if you are injured or become ill because of your job. Workers' compensation covers most work-related physical or mental injuries and illnesses. An injury or illness can be caused by one event (such as hurting your back in a fall) or by repeated exposures (such as hurting your wrist from doing the same motion over and over).

Benefits. Workers' compensation benefits include:

- **Medical Care:** Doctor visits, hospital services, physical therapy, lab tests, x-rays, medicines, medical equipment and travel costs that are reasonably necessary to treat your injury. You should never see a bill. There are limits on chiropractic, physical therapy and occupational therapy visits.
- **Temporary Disability (TD) Benefits:** Payments if you lose wages while recovering. For most injuries, TD benefits may not be paid for more than 104 weeks within five years from the date of injury.
- **Permanent Disability (PD) Benefits:** Payments if you do not recover completely and your injury causes a permanent loss of physical or mental function that a doctor can measure.
- **Supplemental Job Displacement Benefit:** A nontransferable voucher, if you are injured on or after 1/1/2004, your injury causes permanent disability, and your employer does not offer you regular, modified, or alternative work.
- **Death Benefits:** Paid to your dependents if you die from a work-related injury or illness.

Naming Your Own Physician Before Injury or Illness (Predesignation). You may be able to choose the doctor who will treat you for a job injury or illness. If eligible, you must tell your employer, in writing, the name and address of your personal physician or medical group *before* you are injured. You must obtain their agreement to treat you for your work injury. For instructions, see the written information about workers' compensation that your employer is required to give to new employees.

If You Get Hurt:

1. **Get Medical Care.** If you need emergency care, call 911 for help immediately from the hospital, ambulance, fire department or police department. If you need first aid, contact your employer.
2. **Report Your Injury.** Report the injury immediately to your supervisor or to an employer representative. Don't delay. There are time limits. If you wait too long, you may lose your right to benefits. Your employer is required to provide you with a claim form within one working day after learning about your injury. Within one working day after you file a claim form, your employer or claims administrator must authorize the provision of all treatment, up to ten thousand dollars, consistent with the applicable treatment guidelines, for your alleged injury until the claim is accepted or rejected.
3. **See Your Primary Treating Physician (PTP).** This is the doctor with overall responsibility for treating your injury or illness.
 - If you predesignated your personal physician or a medical group, you may see your personal physician or the medical group after you are injured.
 - If your employer is using a medical provider network (MPN) or a health care organization (HCO), in most cases you will be treated within the MPN or HCO unless you predesignated a personal physician or medical group. An MPN is a group of physicians and health care providers who provide treatment to workers injured on the job. You should receive information from your employer if you are covered by an HCO or a MPN. Contact your employer for more information.
 - If your employer is not using an MPN or HCO, in most cases the claims administrator can choose the doctor who first treats you when you are injured, unless you predesignated a personal physician or medical group.
4. **Medical Provider Networks.** Your employer may be using an MPN, which is a group of health care providers designated to provide treatment to workers injured on the job. If you have predesignated a personal physician or medical group prior to your work injury, then you may go there to receive treatment from your predesignated doctor. If you are treating with a non-MPN doctor for an existing injury, you may be required to change to a doctor within the MPN. For more information, see the MPN contact information below:

If proven, you may receive lost wages, job reinstatement, increased benefits, and costs and expenses up to limits set by the state.

False claims and false denials. Any person who makes or causes to be made any knowingly false or fraudulent material statement or material representation for the purpose of obtaining or denying workers' compensation benefits or payments is guilty of a felony and may be fined and imprisoned.

Aviso a los Empleados—Lesiones Causadas por el Trabajo

Es posible que usted tenga derecho a beneficios de compensación de trabajadores si usted se lesiona o se enferma a causa de su trabajo. La compensación de trabajadores cubre la mayoría de las lesiones y enfermedades físicas o mentales relacionadas con el trabajo. Una lesión o enfermedad puede ser causada por un evento (como por ejemplo lastimarse la espalda en una caída) o por acciones repetidas (como por ejemplo lastimarse la muñeca por hacer el mismo movimiento una y otra vez).

Beneficios. Los beneficios de compensación de trabajadores incluyen:

- **Atención Médica:** Consultas médicas, servicios de hospital, terapia física, análisis de laboratorio, radiografías, medicinas, equipo médico y costos de viajar que son razonablemente necesarias para tratar su lesión. Usted nunca deberá ver un cobro. Hay límites para visitas quiroprácticas, de terapia física y de terapia ocupacional.
- **Beneficios por Incapacidad Temporal (TD):** Pagos si usted pierde sueldo mientras se recupera. Para la mayoría de las lesiones, beneficios de TD no se pagarán por más de 104 semanas dentro de cinco años después de la fecha de la lesión.
- **Beneficios por Incapacidad Permanente (PD):** Pagos si usted no se recupera completamente y si su lesión le causa una pérdida permanente de su función física o mental que un médico puede medir.
- **Beneficio Suplementario por Desplazamiento de Trabajo:** Un vale no-transferible si su lesión surge en o después del 1/1/04, y su lesión le ocasiona una incapacidad permanente, y su empleador no le ofrece a usted un trabajo regular, modificado, o alternativo.
- **Beneficios por Muerte:** Pagados a sus dependientes si usted muere a causa de una lesión o enfermedad relacionada con el trabajo.

Designación de su Propio Médico Antes de una Lesión o Enfermedad (Designación previa). Es posible que usted pueda elegir al médico que le atenderá en una lesión o enfermedad relacionada con el trabajo. Si elegible, usted debe informarle al empleador, por escrito, el nombre y la dirección de su médico personal o grupo médico, *antes* de que usted se lesione. Usted debe ponerse de acuerdo con su médico para que atienda la lesión causada por el trabajo. Para instrucciones, vea la información escrita sobre la compensación de trabajadores que se le exige a su empleador darle a los empleados nuevos.

Si Usted se Lastima:

1. **Obtenga Atención Médica.** Si usted necesita atención de emergencia, llame al 911 para ayuda inmediata de un hospital, una ambulancia, el departamento de bomberos o departamento de policía. Si usted necesita primeros auxilios, comuníquese con su empleador.
2. **Reporte su Lesión.** Reporte la lesión inmediatamente a su supervisor(a) o a un representante del empleador. No se demore. Hay límites de tiempo. Si usted espera demasiado, es posible que usted pierda su derecho a beneficios. Su empleador está obligado a proporcionarle un formulario de reclamo dentro de un día laboral después de saber de su lesión. Dentro de un día después de que usted presente un formulario de reclamo, el empleador o administrador de reclamos debe autorizar todo tratamiento médico, hasta diez mil dólares, de acuerdo con las pautas de tratamiento aplicables a su presunta lesión, hasta que el reclamo sea aceptado o rechazado.
3. **Consulte al Médico que le está Atendiendo (PTP).** Este es el médico con la responsabilidad total de tratar su lesión o enfermedad.
 - Si usted designó previamente a su médico personal o grupo médico, usted puede consultar a su médico personal o grupo médico después de lesionarse.
 - Si su empleador está utilizando una Red de Proveedores Médicos (MPN) o una Organización de Cuidado Médico (HCO), en la mayoría de los casos usted será tratado dentro de la MPN o la HCO a menos que usted designó previamente un médico personal o grupo médico. Una MPN es un grupo de médicos y proveedores de atención médica que proporcionan tratamiento a trabajadores lesionados en el trabajo. Usted debe recibir información de su empleador si está cubierto por una HCO o una MPN. Hable con su empleador para más información.
 - Si su empleador no está utilizando una MPN o HCO, en la mayoría de los casos el administrador de reclamos puede escoger el médico que lo atiende primero, cuando usted se lesiona, a menos que usted designó previamente a un médico personal o grupo médico.
4. **Red de Proveedores Médicos (MPN):** Es posible que su empleador use una MPN, lo cual es un grupo de proveedores de asistencia médica designados para dar tratamiento a los trabajadores lesionados en el trabajo. **Si usted ha hecho una designación previa de un médico personal antes de lesionarse en el trabajo, entonces usted puede recibir tratamiento de su médico previamente designado.** Si usted está recibiendo tratamiento de parte de un médico que no pertenece a la MPN para una lesión existente, puede requerirse que usted se cambie a un médico dentro de la MPN. Para más información, vea la siguiente información de contacto de la MPN :

De ser probado, usted puede recibir pagos por pérdida de sueldos, reposición del trabajo, aumento de beneficios y gastos hasta los límites establecidos por el estado.

¿Preguntas? Aprenda más sobre la compensación de trabajadores leyendo la información que se requiere que su empleador le dé cuando es contratado. Los reclamos falsos y rechazos falsos del reclamo. Cualquier persona que haga o que ocasione que se haga una declaración o una representación material intencionalmente falsa o fraudulenta, con el fin de obtener o negar beneficios o pagos de compensación de trabajadores, es culpable de un delito grave y puede ser multado y encarcelado.

Es posible que su empleador no sea responsable por el pago de beneficios de compensación de trabajadores para ninguna lesión que proviene de su participación voluntaria en cualquier **actividad fuera del trabajo, recreativa, social, o atlética** que no sea parte de sus deberes laborales.

This notice, or a similar one that has been approved by the Administrative Director, must be given to all newly hired employees in the State of California. Employers and claims administrators may use the content of this document and put their logos and additional information on it. The content of this notice applies to all industrial injuries that occur on or after January 1, 2013.

WHAT IS WORKERS' COMPENSATION?

If you get hurt on the job, your employer is required by law to pay for workers' compensation benefits. You could get hurt by:

One event at work. Examples: hurting your back in a fall, getting burned by a chemical that splashes on your skin or getting hurt in a car accident while making deliveries.

—or—

Repeated exposures at work. Examples: hurting your hand, back, or other part of your body from doing the same repeated motion or losing your hearing because of constant loud noise

—or—

Workplace crime. Examples: you get hurt in a store robbery, physically attacked by an unhappy customer.

Discrimination is illegal

It is illegal under Labor Code section 132a for your employer to punish or fire you because you:

- File a workers' compensation claim
- Intend to file a workers' compensation claim
- Settle a workers' compensation claim
- Testify or intend to testify for another injured worker.

If it is found that your employer discriminated against you, he or she may be ordered to return you to your job. Your employer may also be made to pay for lost wages, increased workers' compensation benefits, and costs and expenses set by state law.

WHAT ARE THE BENEFITS?

- **Medical care:** Paid for by your employer to help you recover from an injury or illness caused by work. Doctor visits, hospital services, physical therapy, lab tests and x-rays are some of the medical services that may be provided. These services should be necessary to treat your injury. There are limits on some services such as physical and occupational therapy and chiropractic care.

- **Temporary Disability (TD) benefits:** Payments if you lose wages because your injury prevents you from doing your usual job while recovering. The amount you may get is up to two-thirds of your wages. There are minimum and maximum payment limits set by state law. You will be paid every two weeks if you are eligible. For most injuries, payments may not exceed 104 weeks within five years from your date of injury. Temporary Disability (TD) stops when you return to work, or when the doctor releases you for work, or says your injury has improved as much as it's going to.
- **Permanent Disability (PD) benefits:** Payments if you don't recover completely. You will be paid every two weeks if you are eligible. There are minimum and maximum weekly payment rates established by state law. The amount of payment is based on:
 - Your doctor's medical reports
 - Your age
 - Your occupation
- **Supplemental Job Displacement Benefits (SJDB):** This is a voucher for up to \$6,000 that you can use for retraining or skill enhancement at an approved school, books, tools, licenses or certification fees, or other resources to help you find a new job. You are eligible for this voucher if:
 - You have a permanent disability.
 - Your employer does not offer regular, modified, or alternative work, **within 60 days** after the claims administrator receives a doctor's report saying you have made a maximum medical recovery.
- **Return-to-Work Supplemental Program (RTWSP):** For dates of injury after 1/1/2013, you may qualify for additional money from the Division of Workers' compensation program known as the Return-to-Work Supplement Program (RTWSP) if you received the Supplemental Job Displacement Voucher (SJDB). If you have questions or think you qualify, contact the Information & Assistance Unit by calling 1-800-736-7401 or visit website: <https://www.dir.ca.gov/RTWSP/RTWSP.html>
- **Death benefits:** Payments to your spouse, children or other dependents if you die from a job injury or illness. The amount of payment is based on the number of dependents. The benefit is paid every two weeks at a rate of at least \$224 per week. In addition, workers' compensation provides a burial allowance.

OTHER BENEFITS

You may file a claim with the Employment Development Department (EDD) to get state disability benefits when workers' compensation benefits are delayed, denied, or have ended. There are time restrictions so for more information contact the local office of EDD or go to their web site www.edd.ca.gov.

Workers' compensation fraud is a crime

Any person who makes or causes to be made any knowingly false statement in order to obtain or deny workers' compensation benefits or payments is guilty of a felony. If convicted, the person will have to pay fines up to \$150,000 and/or serve up to five years in jail.

WHAT SHOULD I DO IF I HAVE AN INJURY?

Report your injury to your employer

Tell your supervisor right away no matter how slight the injury may be. Don't delay – there are time limits. You could lose your right to benefits if your employer does not learn of your injury within 30 days. If your injury or illness is one that develops over time, report it as soon as you learn it was caused by your job. If you cannot report to the employer or don't hear from the claims administrator after you have reported your injury, contact the claims administrator yourself.

Workers' compensation insurance company or if employer is self-insured, person responsible for handling the claim is:

Address: _____

Phone: _____

You may be able to find the name of your employer's workers' compensation insurer at www.caworkcompcoverage.com. If no coverage exists or coverage has expired, contact the Division of Labor Standards Enforcement at www.dir.ca.gov/DLSE as all employees must be covered by law.

Get emergency treatment if needed

If it's a medical emergency, go to an emergency room right away. Tell the medical provider who treats you that your injury is job related. Your employer may tell you where to go for treatment.

Emergency telephone number: Call 911 for an ambulance, fire department or police. For non-emergency medical care, contact your employer, the workers' compensation claims administrator or go to this facility:

Fill out DWC 1 claim form and give it to your employer

Your employer must give you a [DWC 1 claim form](#) within one working day after learning about your injury or illness. Complete the employee portion, sign and give it back to your employer. Your employer will then file your claim with the claims administrator. Your employer must authorize treatment within **one working day** of receiving the **DWC 1 claim form**. If the injury is from repeated exposures, you have **one year** from when you realized your injury was job related to file a claim.

In either case, you may receive up to **\$10,000** in employer-paid medical care until your claim is either accepted or denied. The claims administrator has **up to 90 days** to decide whether to accept or deny your claim. Otherwise, your case is presumed payable. Your employer or the claims administrator will send you “benefit notices” that will advise you of the status of your claim.

MORE ABOUT MEDICAL CARE

What is a Primary Treating Physician (PTP)?

This is the doctor with overall responsibility for treating your injury or illness. He or she may be:

- The doctor you name in writing *before* you get hurt on the job
- A doctor from the medical provider network (MPN)
- The doctor chosen by your employer during the first 30 days of injury if your employer does not have an MPN or
- The doctor you chose after the first 30 days if your employer does not have a MPN.

What is a Medical Provider Network (MPN)?

A MPN is a select group of health care providers who treat injured workers. Check with your employer to see if they are using a MPN. If you have not named a doctor before you get hurt and your employer is using a MPN, you will see a MPN doctor. After your first visit, you are free to choose another doctor from the MPN list.

What is Predesignation?

Predesignation is when you name your regular doctor to treat you if you get hurt on the job. The doctor must be a medical doctor (M.D.), doctor of osteopathic medicine (D.O.) or a medical group with an M.D. or D.O. You must name your doctor in writing *before* you get hurt or become ill.

You may predesignate a doctor if you have health care coverage for non-work injuries and illnesses. The doctor must have:

- Treated you
- Maintained your medical history and records before your injury and
- Agreed to treat you for a work-related injury or illness before you get hurt or become ill.

You may use the “predesignation of personal physician” form included with this notice. After you fill in the form, be sure to give it to your employer. If your employer does not have an approved MPN, you may name your chiropractor or acupuncturist to treat you for work related injuries. The notice of personal chiropractor or acupuncturist must be in writing before you get hurt. You may use the form included in this notice. After you fill in the form, be sure to give it to your employer.

With some exceptions, state law does not allow a chiropractor to continue as your treating physician after 24 visits. Once you have received 24 chiropractic visits, if you still require medical treatment, you will have to select a new physician who is not a chiropractor. The term “chiropractic visit” means any chiropractic office visit, regardless of whether the services performed involve chiropractic manipulation or are limited to evaluation and management.

Exceptions to 24 visits include postsurgical physical medicine visits prescribed by the surgeon, or physician designated by the surgeon, under the postsurgical component of the Division of Workers’ Compensation’s Medical Treatment Utilization Schedule, or if your employer has authorized additional visits in writing.

WHAT IF THERE IS A PROBLEM?

If you have a concern, speak up. Talk to your employer or the claims administrator handling your claim and try to solve the problem. If this doesn’t work, get help by trying the following:

Contact the Division of Workers’ Compensation (DWC) Information and Assistance (I&A) Unit. All 24 DWC offices throughout the state provide information and assistance on rights, benefits and obligations under California’s workers’ compensation laws. I&A officers help resolve disputes without formal proceedings. Their goal is to get you full and timely benefits. Their services are free.

To contact the nearest I&A Unit, go to [https:// www.dir.ca.gov/dwc/ianda.html](https://www.dir.ca.gov/dwc/ianda.html) or call **1-800-736-7401**.

The nearest I&A Unit is located at:
Address: _____
Phone number: _____

Consult with an attorney

Most attorneys offer one free consultation. If you decide to hire an attorney, his or her fees may be taken out of some of your benefits. For names of workers' compensation attorneys, call the State Bar of California at **1-415-538-2120** or go visit their website at www.californiaspecialist.org. You may also get a list of attorneys from your local I&A Unit by calling **1-800-736-7401**.

Your employer may not pay workers' compensation benefits if you get hurt in a voluntary off- duty recreational, social or athletic activity that is not part of your work-related duties.

You may also have other rights under the Americans with Disabilities Act (ADA) or the California Fair Employment and Housing Act (FEHA). For additional information, contact California Civil Rights Department (CRD) at 1-800-884-1684 or the Equal Employment Opportunity Commission (EEOC) at 1-800-669-4000.

The information contained in this notice conforms to the informational requirements found in Labor Code sections 3551 and 3553 and California Code of Regulation, Title 8, sections 9880 and 9883. This document is approved by the Division of Workers' Compensation Administrative Director.

NOTICE OF PERSONAL CHIROPRACTOR OR PERSONAL ACUPUNCTURIST

If your employer or your employer's insurer does not have a Medical Provider Network, you may be able to change your treating physician to your personal chiropractor or acupuncturist following a work-related injury or illness. In order to be eligible to make this change, you must give your employer the name and business address of a personal chiropractor or acupuncturist in writing prior to the injury or illness. Your claims administrator generally has the right to select your treating physician within the first 30 days after your employer knows of your injury or illness. After your claims administrator has initiated your treatment with another doctor during this period, you may then, upon request, have your treatment transferred to your personal chiropractor or acupuncturist.

NOTE: If your date of injury is January 1, 2004 or later, a chiropractor cannot be your treating physician after you have received 24 chiropractic visits unless your employer has authorized additional visits in writing. The term "chiropractic visit" means any chiropractic office visit, regardless of whether the services performed involve chiropractic manipulation or are limited to evaluation and management. Once you have received 24 chiropractic visits, if you still require medical treatment, you will have to select a new physician who is not a chiropractor. This prohibition shall not apply to visits for postsurgical physical medicine visits prescribed by the surgeon, or physician designated by the surgeon, under the postsurgical component of the Division of Workers' Compensation's Medical Treatment Utilization Schedule.

You may use this form to notify your employer of your personal chiropractor or acupuncturist.

¿QUÉ ES LA COMPENSACIÓN DE TRABAJADORES?

Si se lesiona en el trabajo, su empleador está obligado por ley a pagarle beneficios de compensación de trabajadores. Podría resultar herido por:

Un suceso en el trabajo. Ejemplos: hacerse daño en la espalda en una caída, quemarse con un producto químico que le salpique la piel o lesionarse en un accidente de automóvil mientras hace repartos.

—o—

—o—

Delitos en el lugar de trabajo. Ejemplos: resulta herido en un atraco a una tienda, es agredido físicamente por un cliente descontento.

La discriminación es ilegal

- Tiene intención de presentar un reclamo de compensación de trabajadores
- Concilia un reclamo de compensación de trabajadores
- Testifica o tiene intención de testificar por otro trabajador lesionado

Si se determina que su empleador lo ha discriminado, puede ordenársele que lo reincorpore a su puesto de trabajo; su empleador también puede verse obligado a pagar los salarios perdidos, el aumento de los beneficios de compensación por accidentes laborales y los costos y gastos establecidos por la legislación estatal.

¿CUÁLES SON LOS BENEFICIOS?

- **Atención médica:** pagada por su empleador para ayudarlo a recuperarse de una lesión o enfermedad causada por el trabajo. Las visitas al médico, los servicios hospitalarios, la fisioterapia, las pruebas de laboratorio y las radiografías son algunos de los servicios médicos que pueden prestarse; estos servicios deben ser necesarios para tratar su lesión. Existen límites para algunos servicios, como la fisioterapia, la terapia ocupacional y la quiropráctica.
- **Beneficios por discapacidad temporal (Temporary Disability, TD):** pagos si pierde salario porque su lesión le impide realizar su trabajo habitual mientras se recupera. El monto que puede recibir es de hasta dos tercios de su salario. Existen límites mínimos y máximos de pago establecidos por la legislación estatal; se le pagará cada dos semanas si es elegible. Para la mayoría de las lesiones, los pagos no pueden superar las 104 semanas en un plazo de cinco años a partir de la fecha de la lesión. La discapacidad temporal (TD) finaliza cuando vuelve al trabajo, o cuando el médico le da el alta para trabajar o dice que su lesión ha mejorado todo lo que va a mejorar.
- **Beneficios por discapacidad permanente (Permanent Disability, PD):** pagos si no se recupera del todo. se le pagará cada dos semanas si es elegible. Existen tasas de pago semanales mínimos y máximos establecidos por la legislación estatal; el monto del pago se basa en:
 - Los informes médicos de su doctor.
 - Su edad.
 - Su profesión.
- **Beneficio suplementario por el desplazamiento de trabajo (Supplemental Job Displacement Benefits, SJDB):** se trata de un vale de hasta \$6,000 que puede utilizar para volver a capacitarse o mejorar sus conocimientos en una escuela aprobada, para libros, herramientas, licencias o tarifas de certificación, u otros recursos que lo ayuden a encontrar un nuevo empleo; Es elegible a este vale si:
 - Tiene una discapacidad permanente.
 - Su empleador no le ofrece un trabajo regular, modificado o alternativo, **dentro de los 60 días** posteriores a que el administrador de reclamos reciba un informe médico que indique que usted ha logrado una recuperación médica máxima.
- **Programa Suplementario de Regreso al Trabajo (Return-to-Work Supplemental Program, RTWSP):** para las fechas de lesión después del 1 de enero de 2013, usted puede calificar para dinero adicional del programa de la División de Compensación de Trabajadores conocido como el Programa Suplementario de Regreso al Trabajo (RTWSP) si usted recibió el vale de los Beneficios Suplementarios por el Desplazamiento de Trabajo (SJDB). Si tiene alguna pregunta o cree que reúne los requisitos, póngase en contacto con la Unidad de Información y Asistencia llamando al 1-800-736-7401 o visite el sitio web: <https://www.dir.ca.gov/RTWSP/RTWSP.html>

- **Beneficios por muerte:** pagos a su cónyuge, hijos u otras personas a su cargo si fallece a causa de una lesión o enfermedad laboral. El monto del pago depende del número de personas a cargo. El beneficio se paga cada dos semanas a una tasa de, como mínimo, **\$224 semanales**; además, la compensación de trabajadores prevé un subsidio de sepelio.

OTROS BENEFICIOS

Puede presentar un reclamo ante el Departamento de Desarrollo del Empleo (Employment Development Department, EDD) para obtener beneficios estatales por discapacidad cuando los beneficios de compensación de trabajadores se retrasen, denieguen o hayan finalizado. Hay restricciones de tiempo, así que para más información póngase en contacto con la oficina local del EDD o visite su sitio web: www.edd.ca.gov.

El fraude en la compensación de trabajadores es delito

Toda persona que realice o haga realizar cualquier declaración deliberadamente falsa con el fin de obtener o denegar beneficios o pagos de compensación de trabajadores es culpable de un delito grave; si es declarada culpable, la persona tendrá que pagar multas de hasta \$150,000 o cumplir hasta cinco años de cárcel.

¿QUÉ DEBO HACER SI TENGO UNA LESIÓN?

Informe la lesión a su empleador

Informe inmediatamente a su supervisor, por leve que sea la lesión; no se demore, hay plazos. Puede perder el derecho a los beneficios si su empleador no se entera de su lesión en un plazo de 30 días. Si su lesión o enfermedad se desarrolla con el tiempo, notifíquelo en cuanto sepa que ha sido causada por su trabajo. Si no puede informar al empleador o no tiene noticias del administrador de reclamos después de haber informado sobre su lesión, comuníquese usted mismo con el administrador de reclamos.

Número de teléfono de urgencias: llame al 911 para pedir una ambulancia, a los bomberos o a la policía. Para recibir atención médica no urgente, póngase en contacto con su empleador, con el administrador de reclamos de compensación por accidentes laborales o acuda a este centro: _____

Rellene el formulario de reclamos DWC 1 y entrégueselo a su empleador

Su empleador debe entregarle un [Formulario de reclamos DWC 1](#) en el plazo de un día hábil tras conocer su lesión o enfermedad. Rellene la parte correspondiente al empleado, fírmela y devuélvala a su empleador. A continuación, su empleador presentará el reclamo al administrador de reclamos. Su empleador debe autorizar el tratamiento en el plazo de un día hábil a partir de la recepción del **formulario de reclamos DWC 1**. Si la lesión se debe a exposiciones repetidas, dispone **de un año** desde el momento en que se dio cuenta de que su lesión estaba relacionada con el trabajo para presentar un reclamo.

En ambos casos, puede recibir hasta \$10,000 en concepto de atención médica pagada por el empleador hasta que se acepte o deniegue su reclamo. El administrador de reclamos tiene hasta 90 días para decidir si acepta o rechaza su reclamo; de lo contrario, su caso se presume pagadero. Su empleador o el administrador de reclamos le enviarán "avisos de beneficios" que le informarán de la situación de su reclamo.

MÁS SOBRE LA ATENCIÓN MÉDICA

¿Qué es un médico tratante principal (Primary Treating Physician, PTP)?

Es el médico responsable del tratamiento de su lesión o enfermedad. Él o ella pueden ser:

- El médico que nombra por escrito antes de lesionarse en el trabajo.
- Un médico de la red de proveedores médicos (Medical Provider Network, MPN).
- El médico elegido por su empleador durante los 30 primeros días de la lesión si su empleador no dispone de una MPN.
- El médico que haya elegido después de los primeros 30 días si su empleador no dispone de una MPN.

¿Qué es una red de proveedores médicos (MPN)?

Una MPN es un grupo selecto de proveedores de atención médica que tratan a trabajadores lesionados. Consulte a su empresa si utiliza una MPN. Si no ha nombrado a un médico antes de lesionarse y su empleador utiliza una MPN, acudirá a un médico de la MPN; después de su primera visita, es libre de elegir otro médico de la lista de la MPN.

¿Qué es la designación previa?

La designación previa es cuando nombra a su médico habitual para que lo trate si se lesiona en el trabajo. El médico debe ser doctor en medicina (Medical Doctor, MD), doctor en medicina osteopática (Doctor of Osteopathic Medicine, DO) o un grupo médico con un MD o DO. Debe nombrar a su médico por escrito antes de lesionarse o enfermarse; puede designar previamente a un médico si tiene cobertura de atención médica para lesiones y enfermedades no laborales. El médico debe:

- Haberlo tratado.
- Haber mantenido su historial y expedientes médicos antes de la lesión.
- Haber acordado tratarlo por una lesión o enfermedad relacionada con el trabajo antes de que se lesionara o enfermara.

Puede utilizar el formulario de "designación previa de médico personal" incluido en este folleto. Después de rellenar el formulario, no olvide entregárselo a su empleador; si su empleador no tiene una MPN aprobada, puede nombrar a su quiropráctico o acupunturista para que le trate las lesiones relacionadas con el trabajo. El aviso del quiropráctico o acupunturista personal debe hacerse por escrito antes de que se lesione. Puede utilizar el formulario incluido en este folleto; Después de rellenar el formulario, no olvide entregárselo a su empleador;

Con algunas excepciones, la ley estatal no permite que un quiropráctico siga siendo su médico tratante después de **24 consultas**. Una vez que haya recibido 24 consultas quiroprácticas, si sigue necesitando tratamiento médico, tendrá que elegir un nuevo médico que no sea quiropráctico. Por "consulta quiropráctica" se entiende cualquier visita a un consultorio quiropráctico, independientemente de que los servicios prestados impliquen manipulación quiropráctica o se limiten a evaluación y gestión.

Las excepciones a las 24 consultas incluyen las consultas de medicina física posquirúrgicas prescritas por el cirujano, o el médico designado por el cirujano, en virtud del componente posquirúrgico del Programa de Utilización de Tratamientos Médicos de la División de Compensación por Accidentes Laborales, o si su empleador ha autorizado consultas adicionales por escrito.

Si tiene alguna preocupación, dígalos. Hable con su empleador o con el administrador de reclamos que tramita su reclamo e intente resolver el problema; si esto no funciona, pida ayuda probando lo siguiente:

Póngase en contacto con la Unidad de Información y Asistencia (Information and Assistance, I&A) de la División de Compensación de Trabajadores: Division of Workers' Compensation, DWC). CAL-OSHA Reporting Requirement

Serious Injury

Employers must report, orally or in writing, to the nearest CAL-OSHA office within eight hours, any case involving serious injury or death from an accident or health hazard that results in one or more fatalities or hospitalization. The minimum fine for reporting more than eight hours after the injury or for failure to contact CAL-OSHA is \$5000. They answer phone calls 24 hours a day, seven days a week.

Whenever medical, fire or police agencies are called to an accident involving an employee serious injury, illness, or death, they are also to report the incident to the nearest office of the Division of Occupational Safety and Health as do emergency personnel, hospitals, and doctors. However, their report does not relieve the employer of their reporting responsibilities.

A serious injury is defined as "any injury or illness occurring in a place of employment or in connection with any employment which requires inpatient hospitalization for a period in excess of 24 hours for other than medical observation or in which an employee suffers a loss of any member of the body or suffers any serious degree of permanent disfigurement but does not include any injury or illness or death caused by the commission of a Penal Code violation".

§342. Reporting Work-Connected Fatalities and Serious Injuries

- (a) Every employer shall report immediately by telephone or telegraph to the nearest District Office of the Division of Occupational Safety and Health any serious injury or illness, or death, of an employee occurring in a place of employment or in connection with any employment. Immediately means as soon as practically possible but not longer than eight hours after the employer knows or with diligent inquiry would have known of the death or serious injury or illness. If the employer can demonstrate that exigent circumstances exist, the time frame for the report may be made no longer than 24 hours after the incident.

Serious injury or illness is defined in section 330(h), Title 8, California Administrative Code.

- (b) Whenever a state, county, or local fire or police agency is called to an accident involving an employee covered by this part in which a serious injury, or illness, or death occurs, the nearest office of the Division of Occupational Safety and Health shall be notified by telephone immediately by the responding agency.
- (c) When making such report, whether by telephone or telegraph, the reporting party shall include the following information, if available:

 - (3) Name and job title, or badge number of person reporting the accident.

 - (8) Location where injured employee(s) was (were) moved to.
 - (9) List and identity of other law enforcement agencies present at the site of accident.
 - (10) Description of accident and whether the accident scene or instrumentality has been altered.
- (d) The reporting in (a) and (b) above, is in addition to any other reports required by law and may be made by any person authorized by the employers, state, county, or local agencies to make such reports.

BHHC First Aid Information

From time to time an injury occurs which requires no more than “first aid” treatment. For workers compensation purposes, First Aid is defined as:

Any one-time treatment, and any follow-up visit for the purpose of observation of minor scratches, cuts, burns, splinters, etc., which do not ordinarily require medical care. Such one-time treatment, and follow-up visit for the purposes of observation, is considered first aid, even though provided by a physician or registered professional personnel.

Although such an incident does not result in any lost time, residual disability, or significant medical treatment, these First Aid injuries must also be reported to BHHC. Occasionally these First Aid injuries grow to be more serious than originally determined and BHHC must be aware of the incident to effectively manage any potential additional medical treatment or benefits.

Reporting of Small Medical Only or First Aid Claims

The Insurance Commissioner recently approved amendments to the *California Workers' Compensation Uniform Statistical Reporting Plan—1995* (USRP) effective January 1, 2017, to clarify the reporting requirements for small medical only or “first aid” claims. The Insurance Commissioner’s Decision (CDI File No. REG-2016-00018), dated October 14, 2016, approved amendments that specifically reference first aid as defined in California Labor Code Section 5401(a), to clarify that insurers must report the cost of all claims for which any medical care is provided and medical costs are incurred, including those involving first aid treatment, even if the insurer did not make the payment. These changes can be found at Section II, *Definitions*, Rule 24, *Medical Only or Medical Claims Only*, and Section V, *Loss Information*, Subsection A, *General Loss Reporting Instructions*, Rule 1, *Reporting Losses*, of the USRP and are provided below for your reference.

As indicated in the Insurance Commissioner’s Decision, the reporting of first aid claims has been an enduring concern. It has been the long-standing position of the CDI and the WCIRB, as communicated in several prior WCIRB Bulletins, that insurers are required to report the medical costs incurred on first aid claims, even if paid by the employer, as any other medical loss. By explicitly citing first aid in the definition of medical claims and the reporting of losses, the amendments clarify the intent of the regulations and what has been communicated in prior WCIRB Bulletins.

There are no special or unique coding requirements related to the reporting of claims meeting the Labor Code Section 5401(a) definition of first aid. The reporting requirements in Part 4 of the USRP applicable to the reporting of medical costs incurred on any other medical only claim also apply to the medical costs incurred on claims meeting the first aid definition.

Part 4, Unit Statistical Report Filing Requirements, Section II, Definitions:

24. Medical Only or Medical Claims Only

A claim or injury for which no indemnity is incurred, but for which medical treatment costs are incurred is a “medical only” claim or injury, regardless of whether the cost of medical treatment, including first aid, is paid by an employer or insurer, or regardless of whether a Workers’ Compensation Claim Form (DWC 1) is filed. “Medical Only” claims or injuries include but are not limited to all compensable injuries in which the disability does not extend beyond the waiting period specified in the workers’ compensation laws of California, or injuries for which immediate medical treatment has been provided prior to a determination of compensability pursuant to Labor Code Section 5402(c).

Part 4, Unit Statistical Report Filing Requirements, Section V, Loss Information, Subsection A, General Loss Reporting Instructions:

1. Reporting Losses

Any and all claims, including those involving first aid as defined in California Labor Code Section 5401(a), in which Indemnity Losses or Medical Losses are incurred or Allocated Loss Adjustment Expenses are paid must be reported individually.

All loss amounts are on a direct basis (excluding reinsurance assumed and adjustment for reinsurance ceded) and must be reported on a gross basis prior to the application of any deductibles.

CCR Title 8 14300.40 requires provision upon request to certain state and federal workplace safety agencies.						

If an industrial injury or illness results in the death of an employee, The State of California requires California employers (or employers with operations in California) to report the death of any current employee, regardless of cause, when there is no surviving minor child. This is accomplished by utilizing form DIA 510.

A copy of the completed form DIA 510 is to be provided to BHHC with the initial report of injury, when the claim is reported. Copies of this form have been included in the claims kit

The law requires completion of form DIA 510 for any deceased current employee regardless of the cause of death, unless the employer has actual knowledge of a surviving minor child. In the case of non-industrial death, the employer must file this DIA 510 with the state of California as directed on the form

The intent and purpose for the enactment of this law is to channel certain no-dependency death benefits into the state of California's subsequent injuries fund. This fund, also sponsored by appropriations from the general tax fund, is used to augment benefits to previously disabled workers who suffer subsequent specified disabling injuries

Should an employer have more than one operating location in California, each location should be provided with one or more of these forms. In the alternative, each operating location should be notified of this state reporting requirement.

If you have any questions regarding this reporting requirement, or if additional forms are needed, please contact BHHC.

Workers' Compensation Claim Form (DWC 1) & Notice of Potential Eligibility Formulario de Reclamo de Compensación de Trabajadores (DWC 1) y Notificación de Posible Elegibilidad

If you are injured or become ill, either physically or mentally, because of your job, including injuries resulting from a workplace crime, you may be entitled to workers' compensation benefits. Use the attached form to file a workers' compensation claim with your employer. **You should read all of the information below.** Keep this sheet and all other papers for your records. You may be eligible for some or all of the benefits listed depending on the nature of your claim. If you file a claim, the claims administrator, who is responsible for handling your claim, must notify you within 14 days whether your claim is accepted or whether additional investigation is needed.

To file a claim, complete the "Employee" section of the form, keep one copy and give the rest to your employer. Do this right away to avoid problems with your claim. In some cases, benefits will not start until you inform your employer about your injury by filing a claim form. Describe your injury completely. Include every part of your body affected by the injury. If you mail the form to your employer, use first-class or certified mail. If you buy a return receipt, you will be able to prove that the claim form was mailed and when it was delivered. Within one working day after you file the claim form, your employer must complete the "Employer" section, give you a dated copy, keep one copy, and send one to the claims administrator.

Medical Care: Your claims administrator will pay for all reasonable and necessary medical care for your work injury or illness. Medical benefits are subject to approval and may include treatment by a doctor, hospital services, physical therapy, lab tests, x-rays, medicines, equipment and travel costs. Your claims administrator will pay the costs of approved medical services directly so you should never see a bill. There are limits on chiropractic, physical therapy, and other occupational therapy visits.

The Primary Treating Physician (PTP) is the doctor with the overall responsibility for treatment of your injury or illness.

- If you previously designated your personal physician or a medical group, you may see your personal physician or the medical group after you are injured.
- If your employer is using a medical provider network (MPN) or Health Care Organization (HCO), in most cases, you will be treated in the MPN or HCO unless you predesignated your personal physician or a medical group. An MPN is a group of health care providers who provide treatment to workers injured on the job. You should receive information from your employer if you are covered by an HCO or a MPN. Contact your employer for more information.
- If your employer is not using an MPN or HCO, in most cases, the claims administrator can choose the doctor who first treats you unless you predesignated your personal physician or a medical group.
- If your employer has not put up a poster describing your rights to workers' compensation, you may be able to be treated by your personal physician right after you are injured.

Within one working day after you file a claim form, your employer or the claims administrator must authorize up to \$10,000 in treatment for your injury, consistent with the applicable treating guidelines until the claim is accepted or rejected. If the employer or claims administrator does not authorize treatment right away, talk to your supervisor, someone else in management, or the claims administrator. Ask for treatment to be authorized right now, while waiting for a decision on your claim. If the employer or claims administrator will not authorize treatment, use your own health insurance to get medical care. Your health insurer will seek reimbursement from the claims administrator. If you do not have health insurance, there are doctors, clinics or hospitals that will treat you without immediate payment. They will seek reimbursement from the claims administrator.

Switching to a Different Doctor as Your PTP:

- If you are being treated in a Medical Provider Network (MPN), you may switch to other doctors within the MPN after the first visit.
- If you are being treated in a Health Care Organization (HCO), you may switch at least one time to another doctor within the HCO. You may switch to a doctor outside the HCO 90 or 180 days after your injury is reported to your employer (depending on whether you are covered by employer-provided health insurance).
- If you are not being treated in an MPN or HCO and did not predesignate, you may switch to a new doctor one time during the first 30 days after your injury is reported to your employer. Contact the claims administrator to switch doctors. After 30 days, you may switch to a doctor of your choice if

Si Ud. se lesiona o se enferma, ya sea físicamente o mentalmente, debido a su trabajo, incluyendo lesiones que resulten de un crimen en el lugar de trabajo, es posible que Ud. tenga derecho a beneficios de compensación de trabajadores. Utilice el formulario adjunto para presentar un reclamo de compensación de trabajadores con su empleador. **Ud. debe leer toda la información a continuación.** Guarde esta hoja y todos los demás documentos para sus archivos. Es posible que usted reúna los requisitos para todos los beneficios, o parte de éstos, que se enumeran dependiendo de la índole de su reclamo. Si usted presenta un reclamo, el administrador de reclamos, quien es responsable por el manejo de su reclamo, debe notificarle dentro de 14 días si se acepta su reclamo o si se necesita investigación adicional.

Para presentar un reclamo, llene la sección del formulario designada para el "Empleado," guarde una copia, y déle el resto a su empleador. Haga esto de inmediato para evitar problemas con su reclamo. En algunos casos, los beneficios no se iniciarán hasta que usted le informe a su empleador acerca de su lesión mediante la presentación de un formulario de reclamo. Describa su lesión por completo. Incluya cada parte de su cuerpo afectada por la lesión. Si usted le envía por correo el formulario a su empleador, utilice primera clase o correo certificado. Si usted compra un acuse de recibo, usted podrá demostrar que el formulario de reclamo fue enviado por correo y cuando fue entregado. Dentro de un día laboral después de presentar el formulario de reclamo, su empleador debe completar la sección designada para el "Empleador," le dará a Ud. una copia fechada, guardará una copia, y enviará una al administrador de reclamos.

Atención Médica: Su administrador de reclamos pagará por toda la atención médica razonable y necesaria para su lesión o enfermedad relacionada con el trabajo. Los beneficios médicos están sujetos a la aprobación y pueden incluir tratamiento por parte de un médico, los servicios de hospital, la terapia física, los análisis de laboratorio, las medicinas, equipos y gastos de viaje. Su administrador de reclamos pagará directamente los costos de los servicios médicos aprobados de manera que usted nunca verá una factura. Hay límites en terapia quiropráctica, física y otras visitas de terapia ocupacional.

El Médico Primario que le Atiende (Primary Treating Physician- PTP) es el médico con la responsabilidad total para tratar su lesión o enfermedad.

- Si usted designó previamente a su médico personal o a un grupo médico, usted podrá ver a su médico personal o grupo médico después de lesionarse.
- Si su empleador está utilizando una red de proveedores médicos (*Medical Provider Network- MPN*) o una Organización de Cuidado Médico (*Health Care Organization- HCO*), en la mayoría de los casos, usted será tratado en la *MPN* o *HCO* a menos que usted hizo una designación previa de su médico personal o grupo médico. Una *MPN* es un grupo de proveedores de asistencia médica quien da tratamiento a los trabajadores lesionados en el trabajo. Usted debe recibir información de su empleador si su tratamiento es cubierto por una *HCO* o una *MPN*. Hable con su empleador para más información.
- Si su empleador no está utilizando una *MPN* o *HCO*, en la mayoría de los casos, el administrador de reclamos puede elegir el médico que lo atiende primero a menos de que usted hizo una designación previa de su médico personal o grupo médico.
- Si su empleador no ha colocado un cartel describiendo sus derechos para la compensación de trabajadores, Ud. puede ser tratado por su médico personal inmediatamente después de lesionarse.

Dentro de un día laboral después de que Ud. Presente un formulario de reclamo, su empleador o el administrador de reclamos debe autorizar hasta \$10000 en tratamiento para su lesión, de acuerdo con las pautas de tratamiento aplicables, hasta que el reclamo sea aceptado o rechazado. Si el empleador o administrador de reclamos no autoriza el tratamiento de inmediato, hable con su supervisor, alguien más en la gerencia, o con el administrador de reclamos. Pida que el tratamiento sea autorizado ya mismo, mientras espera una decisión sobre su reclamo. Si el empleador o administrador de reclamos no autoriza el tratamiento, utilice su propio seguro médico para recibir atención médica. Su compañía de seguro médico buscará reembolso del administrador de reclamos. Si usted no tiene seguro médico, hay médicos, clínicas u hospitales que lo tratarán sin pago inmediato. Ellos buscarán reembolso del administrador de reclamos.

Cambiando a otro Médico Primario o PTP:

- Si usted está recibiendo tratamiento en una Red de Proveedores Médicos

your employer or the claims administrator has not created or selected an MPN.

Disclosure of Medical Records: After you make a claim for workers' compensation benefits, your medical records will not have the same level of privacy that you usually expect. If you don't agree to voluntarily release medical records, a workers' compensation judge may decide what records will be released. If you request privacy, the judge may "seal" (keep private) certain medical records.

Problems with Medical Care and Medical Reports: At some point during your claim, you might disagree with your PTP about what treatment is necessary. If this happens, you can switch to other doctors as described above. If you cannot reach agreement with another doctor, the steps to take depend on whether you are receiving care in an MPN, HCO, or neither. For more information, see "Learn More About Workers' Compensation," below.

If the claims administrator denies treatment recommended by your PTP, you may request independent medical review (IMR) using the request form included with the claims administrator's written decision to deny treatment. The IMR process is similar to the group health IMR process, and takes approximately 40 (or fewer) days to arrive at a determination so that appropriate treatment can be given. Your attorney or your physician may assist you in the IMR process. IMR is not available to resolve disputes over matters other than the medical necessity of a particular treatment requested by your physician.

If you disagree with your PTP on matters other than treatment, such as the cause of your injury or how severe the injury is, you can switch to other doctors as described above. If you cannot reach agreement with another doctor, notify the claims administrator in writing as soon as possible. In some cases, you risk losing the right to challenge your PTP's opinion unless you do this promptly. If you do not have an attorney, the claims administrator must send you instructions on how to be seen by a doctor called a qualified medical evaluator (QME) to help resolve the dispute. If you have an attorney, the claims administrator may try to reach agreement with your attorney on a doctor called an agreed medical evaluator (AME). If the claims administrator disagrees with your PTP on matters other than treatment, the claims administrator can require you to be seen by a QME or AME.

Payment for Temporary Disability (Lost Wages): If you can't work while you are recovering from a job injury or illness, you may receive temporary disability payments for a limited period. These payments may change or stop when your doctor says you are able to return to work. These benefits are tax-free. Temporary disability payments are two-thirds of your average weekly pay, within minimums and maximums set by state law. Payments are not made for the first three days you are off the job unless you are hospitalized overnight or cannot work for more than 14 days.

Stay at Work or Return to Work: Being injured does not mean you must stop working. If you can continue working, you should. If not, it is important to go back to work with your current employer as soon as you are medically able. Studies show that the longer you are off work, the harder it is to get back to your original job and wages. While you are recovering, your PTP, your employer (supervisors or others in management), the claims administrator, and your attorney (if you have one) will work with you to decide how you will stay at work or return to work and what work you will do. Actively communicate with your PTP, your employer, and the claims administrator about the work you did before you were injured, your medical condition and the kinds of work you can do now, and the kinds of work that your employer could make available to you.

Payment for Permanent Disability: If a doctor says you have not recovered completely from your injury and you will always be limited in the work you can do, you may receive additional payments. The amount will depend on the type of injury, extent of impairment, your age, occupation, date of injury, and your wages before you were injured.

Supplemental Job Displacement Benefit (SJDB): If you were injured on or after 1/1/04, and your injury results in a permanent disability and your employer does not offer regular, modified, or alternative work, you may qualify for a nontransferable voucher payable for retraining and/or skill enhancement. If you qualify, the claims administrator will pay the costs up to the maximum set by state law.

Death Benefits: If the injury or illness causes death, payments may be made to a

(Medical Provider Network- MPN), usted puede cambiar a otros médicos dentro de la MPN después de la primera visita.

- Si usted está recibiendo tratamiento en un Organización de Cuidado Médico (Healthcare Organization- HCO), es posible cambiar al menos una vez a otro médico dentro de la HCO. Usted puede cambiar a un médico fuera de la HCO 90 o 180 días después de que su lesión es reportada a su empleador (dependiendo de si usted está cubierto por un seguro médico proporcionado por su empleador).
- Si usted no está recibiendo tratamiento en una MPN o HCO y no hizo una designación previa, usted puede cambiar a un nuevo médico una vez durante los primeros 30 días después de que su lesión es reportada a su empleador. Póngase en contacto con el administrador de reclamos para cambiar de médico. Después de 30 días, puede cambiar a un médico de su elección si su empleador o el administrador de reclamos no ha creado o seleccionado una MPN.

Divulgación de Expedientes Médicos: Después de que Ud. presente un reclamo para beneficios de compensación de trabajadores, sus expedientes médicos no tendrán el mismo nivel de privacidad que usted normalmente espera. Si Ud. no está de acuerdo en divulgar voluntariamente los expedientes médicos, un juez de compensación de trabajadores posiblemente decida qué expedientes serán revelados. Si usted solicita privacidad, es posible que el juez "selle" (mantenga privados) ciertos expedientes médicos.

Problemas con la Atención Médica y los Informes Médicos: En algún momento durante su reclamo, podría estar en desacuerdo con su PTP sobre qué tratamiento es necesario. Si esto sucede, usted puede cambiar a otros médicos como se describe anteriormente. Si no puede llegar a un acuerdo con otro médico, los pasos a seguir dependen de si usted está recibiendo atención en una MPN, HCO o ninguna de las dos. Para más información, consulte la sección "Aprenda Más Sobre la Compensación de Trabajadores," a continuación.

Si el administrador de reclamos niega el tratamiento recomendado por su PTP, puede solicitar una revisión médica independiente (*Independent Medical Review-IMR*), utilizando el formulario de solicitud que se incluye con la decisión por escrito del administrador de reclamos negando el tratamiento. El proceso de la IMR es parecido al proceso de la IMR de un seguro médico colectivo, y tarda aproximadamente 40 (o menos) días para llegar a una determinación de manera que se pueda dar un tratamiento apropiado. Su abogado o su médico le pueden ayudar en el proceso de la IMR. La IMR no está disponible para resolver disputas sobre cuestiones aparte de la necesidad médica de un tratamiento particular solicitado por su médico.

Si no está de acuerdo con su PTP en cuestiones aparte del tratamiento, como la causa de su lesión o la gravedad de la lesión, usted puede cambiar a otros médicos como se describe anteriormente. Si no puede llegar a un acuerdo con otro médico, notifique al administrador de reclamos por escrito tan pronto como sea posible. En algunos casos, usted arriesga perder el derecho a objetar a la opinión de su PTP a menos que hace esto de inmediato. Si usted no tiene un abogado, el administrador de reclamos debe enviarle instrucciones para ser evaluado por un médico llamado un evaluador médico calificado (*Qualified Medical Evaluator-QME*) para ayudar a resolver la disputa. Si usted tiene un abogado, el administrador de reclamos puede tratar de llegar a un acuerdo con su abogado sobre un médico llamado un evaluador médico acordado (*Agreed Medical Evaluator- AME*). Si el administrador de reclamos no está de acuerdo con su PTP sobre asuntos aparte del tratamiento, el administrador de reclamos puede exigirle que sea atendido por un QME o AME.

Pago por Incapacidad Temporal (Sueldos Perdidos): Si Ud. no puede trabajar, mientras se está recuperando de una lesión o enfermedad relacionada con el trabajo, Ud. puede recibir pagos por incapacidad temporal por un periodo limitado. Estos pagos pueden cambiar o parar cuando su médico diga que Ud. está en condiciones de regresar a trabajar. Estos beneficios son libres de impuestos. Los pagos por incapacidad temporal son dos tercios de su pago semanal promedio, con cantidades mínimas y máximas establecidas por las leyes estatales. Los pagos no se hacen durante los primeros tres días en que Ud. no trabaje, a menos que Ud. sea hospitalizado una noche o no puede trabajar durante más de 14 días.

Permanezca en el Trabajo o Regreso al Trabajo: Estar lesionado no significa que usted debe dejar de trabajar. Si usted puede seguir trabajando, usted debe hacerlo. Si no es así, es importante regresar a trabajar con su empleador actual tan

spouse and other relatives or household members who were financially dependent on the deceased worker.

It is illegal for your employer to punish or fire you for having a job injury or illness, for filing a claim, or testifying in another person's workers' compensation case (Labor Code 132a). If proven, you may receive lost wages, job reinstatement, increased benefits, and costs and expenses up to limits set by the state.

Resolving Problems or Disputes: You have the right to disagree with decisions affecting your claim. If you have a disagreement, contact your employer or claims administrator first to see if you can resolve it. If you are not receiving benefits, you may be able to get State Disability Insurance (SDI) or unemployment insurance (UI) benefits. Call the state Employment Development Department at (800) 480-3287 or (866) 333-4606, or go to their website at www.edd.ca.gov.

You Can Contact an Information & Assistance (I&A) Officer: State I&A officers answer questions, help injured workers, provide forms, and help resolve problems. Some I&A officers hold workshops for injured workers. To obtain important information about the workers' compensation claims process and your rights and obligations, go to www.dwc.ca.gov or contact an I&A officer of the state Division of Workers' Compensation. You can also hear recorded information and a list of local I&A offices by calling (800) 736-7401.

You can consult with an attorney. Most attorneys offer one free consultation. If you decide to hire an attorney, his or her fee will be taken out of some of your benefits. For names of workers' compensation attorneys, call the State Bar of California at (415) 538-2120 or go to their website at www.californiaspecialist.org.

You can also contact an Information & Assistance Officer (above), or hear recorded information by calling 1-800-736-7401.

pronto como usted pueda medicamente hacerlo. Los estudios demuestran que entre más tiempo esté fuera del trabajo, más difícil es regresar a su trabajo original y a sus salarios. Mientras se está recuperando, su *PTP*, su empleador (supervisores u otras personas en la gerencia), el administrador de reclamos, y su abogado (si tiene uno) trabajarán con usted para decidir cómo va a permanecer en el trabajo o regresar al trabajo y qué trabajo hará. Comuníquese de manera activa con su *PTP*, su empleador y el administrador de reclamos sobre el trabajo que hizo antes de lesionarse, su condición médica y los tipos de trabajo que usted puede hacer ahora y los tipos de trabajo que su empleador podría poner a su disposición.

Pago por Incapacidad Permanente: Si un médico dice que no se ha recuperado completamente de su lesión y siempre será limitado en el trabajo que puede hacer, es posible que Ud. reciba pagos adicionales. La cantidad dependerá de la clase de lesión, grado de deterioro, su edad, ocupación, fecha de la lesión y sus salarios antes de lesionarse.

Beneficio Suplementario por Desplazamiento de Trabajo (Supplemental Job Displacement Benefit- SJDDB): Si Ud. se lesionó en o después del 1/1/04, y su lesión resulta en una incapacidad permanente y su empleador no ofrece un trabajo regular, modificado, o alternativo, usted podría cumplir los requisitos para recibir un vale no-transferible pagadero a una escuela para recibir un nuevo curso de reentrenamiento y/o mejorar su habilidad. Si Ud. cumple los requisitos, el administrador de reclamos pagará los gastos hasta un máximo establecido por las leyes estatales.

Beneficios por Muerte: Si la lesión o enfermedad causa la muerte, es posible que los pagos se hagan a un cónyuge y otros parientes o a las personas que viven en el hogar que dependían económicamente del trabajador difunto.

Es ilegal que su empleador le castigue o despida por sufrir una lesión o enfermedad laboral, por presentar un reclamo o por testificar en el caso de compensación de trabajadores de otra persona. (Código Laboral, sección 132a.) De ser probado, usted puede recibir pagos por pérdida de sueldos, reposición del trabajo, aumento de beneficios y gastos hasta los límites establecidos por el estado.

Resolviendo problemas o disputas: Ud. tiene derecho a no estar de acuerdo con las decisiones que afecten su reclamo. Si Ud. tiene un desacuerdo, primero comuníquese con su empleador o administrador de reclamos para ver si usted puede resolverlo. Si usted no está recibiendo beneficios, es posible que Ud. pueda obtener beneficios del Seguro Estatal de Incapacidad (*State Disability Insurance-SDI*) o beneficios del desempleo (*Unemployment Insurance- UI*). Llame al Departamento del Desarrollo del Empleo estatal al (800) 480-3287 o (866) 333-4606, o visite su página Web en www.edd.ca.gov.

Puede Contactar a un Oficial de Información y Asistencia (Information & Assistance- I&A): Los Oficiales de Información y Asistencia (*I&A*) estatal contestan preguntas, ayudan a los trabajadores lesionados, proporcionan formularios y ayudan a resolver problemas. Algunos oficiales de *I&A* tienen talleres para trabajadores lesionados. Para obtener información importante sobre el proceso de la compensación de trabajadores y sus derechos y obligaciones, vaya a www.dwc.ca.gov o comuníquese con un oficial de información y asistencia de la División Estatal de Compensación de Trabajadores. También puede escuchar información grabada y una lista de las oficinas de *I&A* locales llamando al (800) 736-7401.

Ud. puede consultar con un abogado. La mayoría de los abogados ofrecen una consulta gratis. Si Ud. decide contratar a un abogado, los honorarios serán tomados de algunos de sus beneficios. Para obtener nombres de abogados de compensación de trabajadores, llame a la Asociación Estatal de Abogados de California (*State Bar*) al (415) 538-2120, o consulte su página Web en www.californiaspecialist.org.

Aprenda Más Sobre la Compensación de Trabajadores: Para obtener más información sobre el proceso de reclamos del programa de compensación de trabajadores, vaya a www.dwc.ca.gov. En la página Web, podrá acceder a un folleto útil, "Compensación del Trabajador de California: Una Guía para Trabajadores Lesionados." Workers' Compensation Claim Form (DWC 1) & Notice of Potential Eligibility

Claim Form para sa Bayad-pinsala sa Mga Manggagawa (DWC 1) at Paunawa sa Posibleng Pagiging Karapat-dapat

If you are injured or become ill, either physically or mentally, because of your job, including injuries resulting from a workplace crime, you may be entitled to workers' compensation benefits. Use the attached form to file a workers' compensation claim with your employer. **You should read all of the information below.** Keep this sheet and all other papers for your records. You may be eligible for some or all of the benefits listed depending on the nature of your claim. If you file a claim, the claims administrator, who is responsible for handling your claim, must notify you within 14 days whether your claim is accepted or whether additional investigation is needed.

To file a claim, complete the "Employee" section of the form, keep one copy and give the rest to your employer. Do this right away to avoid problems with your claim. In some cases, benefits will not start until you inform your employer about your injury by filing a claim form. Describe your injury completely. Include every part of your body affected by the injury. If you mail the form to your employer, use first-class or certified mail. If you buy a return receipt, you will be able to prove that the claim form was mailed and when it was delivered. Within one working day after you file the claim form, your employer must complete the "Employer" section, give you a dated copy, keep one copy, and send one to the claims administrator.

Medical Care: Your claims administrator will pay for all reasonable and necessary medical care for your work injury or illness. Medical benefits are subject to approval and may include treatment by a doctor, hospital services, physical therapy, lab tests, x-rays, medicines, equipment and travel costs. Your claims administrator will pay the costs of approved medical services directly so you should never see a bill. There are limits on chiropractic, physical therapy, and other occupational therapy visits.

The Primary Treating Physician (PTP) is the doctor with the overall responsibility for treatment of your injury or illness.

- If you previously designated your personal physician or a medical group, you may see your personal physician or the medical group after you are injured.
- If your employer is using a medical provider network (MPN) or Health Care Organization (HCO), in most cases, you will be treated in the MPN or HCO unless you pre-designated your personal physician or a medical group. An MPN is a group of health care providers who provide treatment to workers injured on the job. You should receive information from your employer if you are covered by an HCO or a MPN. Contact your employer for more information.
- If your employer is not using an MPN or HCO, in most cases, the claims administrator can choose the doctor who first treats you unless you pre-designated your personal physician or a medical group.
- If your employer has not put up a poster describing your rights to workers' compensation, you may be able to be treated by your personal physician right after you are injured.

Within one working day after you file a claim form, your employer or the claims administrator must authorize up to \$10,000 in treatment for your injury, consistent with the applicable treating guidelines until the claim is accepted or rejected. If the employer or claims administrator does not authorize treatment right away, talk to your supervisor, someone else in management, or the claims administrator. Ask for treatment to be authorized right now, while waiting for a decision on your claim. If the employer or claims administrator will not authorize treatment, use your own health insurance to get medical care. Your health insurer will seek reimbursement from the claims administrator. If you do not have health insurance, there are doctors, clinics or hospitals that will treat you without immediate payment. They will seek reimbursement from the claims administrator.

Switching to a Different Doctor as Your PTP:

- If you are being treated in a Medical Provider Network (MPN), you may switch to other doctors within the MPN after the first visit.
- If you are being treated in a Health Care Organization (HCO), you may switch at least one time to another doctor within the HCO. You may switch to a doctor outside the HCO 90 or 180 days after your injury is reported to your employer (depending on whether you are covered by employer-provided health insurance).
- If you are not being treated in an MPN or HCO and did not pre-designate, you may switch to a new doctor one time during the first 30 days after your injury is reported to your employer. Contact the claims administrator to switch doctors. After 30 days, you may switch to a doctor of your choice if

Kung ikaw ay magtamo ng pinsala o nagkasakit, sa katawan o pag-iisip, dahil sa iyong trabaho, kabilang ang mga pinsalang dulot ng krimen sa lugar ng pinagtatrabahuhan, maaaring karapat-dapat ka sa mga benepisyo na bayad-pinsala sa mga manggagawa. Gamitin ang nakalakip na form para mag-file sa iyong pinagtatrabahuhan ng claim para sa bayad-pinsala sa mga manggagawa. **Dapat mong basahin ang lahat ng impormasyon sa ibaba.** Itago ang dokumentong ito at lahat ng mga iba pang papeles para sa iyong mga record. Maaaring karapat-dapat ka para sa ilan o lahat ng mga nakalistang benepisyo depende sa uri ng iyong claim. Kung magsusumite ka ng claim, dapat kang abisuhan ng tagapangasiwa ng mga claim na responsable sa pagproseso ng iyong claim sa loob ng 14 na araw kung ang claim ay tinanggap o kung nangangailangan ng karagdagang imbestigasyon.

Para magsumite ng claim, sagutan ang seksyon ng form na "E empleyado", magtago ng isang kopya at ibigay ang iba sa iyong pinagtatrabahuhan. Gawin ito kaagad upang maiwasan ang mga problema sa claim mo. Sa ilang mga kaso, hindi magsisimula ang mga benepisyo hangga't ipinagbigay-alam mo sa iyong pinagtatrabahuhan ang tungkol sa tinamo mong pinsala sa pamamagitan ng pagsusumite ng claim form. Ilarawang mabuti ang tinamo mong pinsala. Isama ang bawat bahagi ng iyong katawan na naapektuhan ng pinsala. Kung ipapadala mo ang form sa iyong pinagtatrabahuhan sa pamamagitan ng koreo, gumamit ng first-class o certified na koreo. Kung bibili ka ng return receipt, mapapatunayan mong naipadala sa koreo ang claim form at ito'y naihatid. Sa loob ng isang araw ng trabaho matapos mong isumite ang claim form, dapat na sagutan ng iyong pinagtatrabahuhan ang seksyon na "Pinagtatrabahuhan", bibigyan ka ng nalagay ng petsa na kopya, magtabi ng isa, at ipadala ang isa pang kopya sa tagapangasiwa ng mga claim.

Medikal na Pangangalaga: Babayaran ng tagapangasiwa ng mga claim ang lahat ng makatwiran at kinakailangang medikal na pangangalaga para sa tinamo mong pinsala o karamdaman. Ang mga benepisyonang medikal ay napapasailalim sa pag-aproba at maaaring kabilangan ng paggamot ng isang doktor, mga serbisyo ng ospital, physical therapy, mga pagpapasuri sa laboratoriyong mga x-ray, gamot, mga kasangkapan at gastos sa pagbibiyaha. Direktang babayaran ng iyong tagapangasiwa ng mga claim ang mga gastos ng mga naaprubahanang serbisyonang medikal para hindi ka kailanman makatanggap ng bill. May mga limitasyon sa mga pagbisita sa chiropractor, physical therapy, at mga iba pang pagbisita para sa occupational therapy.

Ang Pangunahing Gumagamot na Doktor (PTP) ay ang doktor na may pangkalahatang responsibilidad para sa paggamot sa pinsala o karamdaman mo.

- Kung nagtalaga ka noon ng iyong personal na doktor o medikal na grupo, maaari kang magpatingin sa iyong personal na doktor o sa medikal na grupo pagkaraan ng pagtamo mo ng pinsala.
- Kung gumagamit ang pinagtatrabahuhan mo ng isang network ng tagapagdulong serbisyonang medikal (medical provider network - MPN) o Organisasyon ng Pangangalagang Pangkalusugan (Health Care Organization - HCO), sa kadalasan, gagamutin ka sa MPN o HCO maliban kung nauna mong itinalaga ang iyong personal na doktor o medikal na grupo. Ang MPN ay isang grupo ng mga tagapagdulong pangangalagang pangkalusugan na nagdudulong paggamot sa mga manggagawang nagtamo ng pinsala sa trabaho. Dapat kang makatanggap ng mga impormasyon mula sa iyong pinagtatrabahuhan kung sakop ka ng isang HCO o MPN. Makipag-ugnayan sa iyong pinagtatrabahuhan para sa mga karagdagang impormasyon.
- Kung hindi gumagamit ang pinagtatrabahuhan mo ng MPN o HCO, sa kadalasan, maaaring pumili ang tagapangasiwa ng mga claim ng doktor na unang gagamot sa iyo maliban kung nauna kang nagtalaga ng iyong personal na doktor o medikal na grupo.
- Kung hindi nagpaskil ang pinagtatrabahuhan mo ng isang poster na naglalarawan sa iyong mga karapatan sa bayad-pinsala sa mga manggagawa, maaari kang gamutin kaagad ng iyong personal na doktor matapos mong magtamo ng pinsala.

Sa loob ng isang araw ng trabaho matapos mong magsumite ng claim form, dapat na pahintulutan ng iyong pinagtatrabahuhan o ng tagapangasiwa ng mga claim ang hanggang \$10,000 sa paggamot para sa iyong pinsala, nang naaayon sa mga naaangkop na alituntunin sa paggamot hangga't tanggapin o tanggihan ang claim. Kung hindi kaagad pahihintulutan ng pinagtatrabahuhan o ng tagapangasiwa ng mga claim ang paggamot, makipag-usap sa iyong superbisor, isang tao sa pangasiwaan, o sa tagapangasiwa ng mga claim. Humingi ng paggamot para mapahintulutan ngayon, habang naghihintay ng desisyon sa iyong claim. Kung hindi pahihintulutan ng pinagtatrabahuhan o ng tagapangasiwa ng mga claim ang paggamot, gamitin ang iyong sariling segurong pangkalusugan upang madulutan ng pangangalagang medikal. Ipapabayad ang ginastos ng tagapagseguro ng iyong kalusugan sa tagapangasiwa ng mga claim. Kung wala kang segurong pangkalusugan, may mga doktor, klinika o ospital na gagamot sa iyo nang hindi kinakailangang magbayad kaagad. Ipapabayad nila ang mga gastos sa tagapangasiwa ng mga claim.

Paglipat sa Ibang Doktor Bilang Iyong PTP:

- Kung ginagamot ka sa isang Network ng Tagapagdulong Serbisyonang Medikal (Medical Provider Network - MPN), maaari kang lumipat sa mga ibang doktor sa loob ng MPN matapos ang unang pagbisita.
- Kung ginagamot ka sa isang Organisasyon ng Pangangalagang Pangkalusugan (HCO), maaari kang lumipat nang hindi bababa sa isang beses sa ibang doktor sa loob ng HCO. Maaari kang lumipat sa ibang doktor sa labas ng HCO sa 90 o 180 araw matapos mailulat ang iyong pinsala sa pinagtatrabahuhan mo (depende kung sakop ka o hindi ng segurong pangkalusugan na ipinagkakaloob ng pinagtatrabahuhan).

your employer or the claims administrator has not created or selected an MPN.

Disclosure of Medical Records: After you make a claim for workers' compensation benefits, your medical records will not have the same level of privacy that you usually expect. If you don't agree to voluntarily release medical records, a workers' compensation judge may decide what records will be released. If you request privacy, the judge may "seal" (keep private) certain medical records.

Problems with Medical Care and Medical Reports: At some point during your claim, you might disagree with your PTP about what treatment is necessary. If this happens, you can switch to other doctors as described above. If you cannot reach agreement with another doctor, the steps to take depend on whether you are receiving care in an MPN, HCO, or neither. For more information, see "Learn More About Workers' Compensation," below.

If the claims administrator denies treatment recommended by your PTP, you may request independent medical review (IMR) using the request form included with the claims administrator's written decision to deny treatment. The IMR process is similar to the group health IMR process, and takes approximately 40 (or fewer) days to arrive at a determination so that appropriate treatment can be given. Your attorney or your physician may assist you in the IMR process. IMR is not available to resolve disputes over matters other than the medical necessity of a particular treatment requested by your physician.

If you disagree with your PTP on matters other than treatment, such as the cause of your injury or how severe the injury is, you can switch to other doctors as described above. If you cannot reach agreement with another doctor, notify the claims administrator in writing as soon as possible. In some cases, you risk losing the right to challenge your PTP's opinion unless you do this promptly. If you do not have an attorney, the claims administrator must send you instructions on how to be seen by a doctor called a qualified medical evaluator (QME) to help resolve the dispute. If you have an attorney, the claims administrator may try to reach agreement with your attorney on a doctor called an agreed medical evaluator (AME). If the claims administrator disagrees with your PTP on matters other than treatment, the claims administrator can require you to be seen by a QME or AME.

Payment for Temporary Disability (Lost Wages): If you can't work while you are recovering from a job injury or illness, you may receive temporary disability payments for a limited period. These payments may change or stop when your doctor says you are able to return to work. These benefits are tax-free. Temporary disability payments are two-thirds of your average weekly pay, within minimums and maximums set by state law. Payments are not made for the first three days you are off the job unless you are hospitalized overnight or cannot work for more than 14 days.

Stay at Work or Return to Work: Being injured does not mean you must stop working. If you can continue working, you should. If not, it is important to go back to work with your current employer as soon as you are medically able. Studies show that the longer you are off work, the harder it is to get back to your original job and wages. While you are recovering, your PTP, your employer (supervisors or others in management), the claims administrator, and your attorney (if you have one) will work with you to decide how you will stay at work or return to work and what work you will do. Actively communicate with your PTP, your employer, and the claims administrator about the work you did before you were injured, your medical condition and the kinds of work you can do now, and the kinds of work that your employer could make available to you.

Payment for Permanent Disability: If a doctor says you have not recovered completely from your injury and you will always be limited in the work you can do, you may receive additional payments. The amount will depend on the type of injury, extent of impairment, your age, occupation, date of injury, and your wages before you were injured.

Supplemental Job Displacement Benefit (SJDB): If you were injured on or after 1/1/04, and your injury results in a permanent disability and your employer does not offer regular, modified, or alternative work, you may qualify for a nontransferable voucher payable for retraining and/or skill enhancement. If you qualify, the claims administrator will pay the costs up to the maximum set by state law.

Death Benefits: If the injury or illness causes death, payments may be made to a

- Kung hindi ka ginagamot sa isang MPN o HCO at hindi ka nagtalananoon, maaari kang lumipat sa isang bagong doktor nang minsan sa loob ng unang 30 araw matapos na maiulat ang iyong pinsala sa pinagtatrabuhan mo. Makipag-ugnayan sa tagapangasiwa ng mga claim upang lumipat ng doktor. Makalipas ang 30 araw, maaari kang lumipat ng doktor na pipiliin mo kung hindi gumawa o pumili ng isang MPN ang iyong pinagtatrabuhan o ang tagapangasiwa ng mga claim.

Pagsiwalat ng Mga Medikal na Rekord: Matapos mong gumawa ng claim para sa mga benepisyo ng bayad-pinsala sa mga manggagawa, hindi na magiging kasingpribado ang iyong mga medikal na rekord na dati mong inaasahan. Kung hindi ka sumasang-ayon sa boluntaryong paglalabas ng mga medikal na rekord, maaaring magdesisyon ang isang hukom ng bayad-pinsala sa mga manggagawa kung aling mga rekord ang ilalabas. Kung hihilingin ang pagiging pribado mo, maaaring "selyaduhan" (panatilihin pribado) ng hukom ang mga partikular na medikal na rekord.

Mga Problema sa Medikal na Pangangalaga at Mga Medikal na Report: Sa ilang pagkakataon sa panahon ng iyong claim, maaaring hindi ka sumang-ayon sa iyong PTP tungkol sa kung aling paggamot ang kinakailangan. Kung mangyayari ito, maaari kang lumipat sa mga ibang doktor tulad ng inilalarawan sa itaas. Kung hindi kayo magkasundo ng isa pang doktor, ang mga hakbang na gagawin ay nakasalalay sa kung dinudulutan ka ng pangangalaga ng isang MPN, HCO, o wala sa mga ito. Para sa mga karagdagang impormasyon, tingnan ang "Alamin pa ang Tungkol sa Bayad-pinsala sa Mga Manggagawa," sa ibaba.

Kung ipagkakait ng tagapangasiwa ng mga claim ang paggamot na inirekomenda ng iyong PTP, maaari kang humiling ng independiyenteng medikal na pagsusuri (independent medical review - IMR) gamit ang form sa paghiling na kasama ng nakasulat na desisyon ng tagapangasiwa ng mga claim na ipagkait ang paggamot. Ang proseso ng IMR ay katulad ng proseso ng IMR ng panggrupong kalusugan, at nagtatagal nang humigit-kumulang 40 (o mas kaunti) araw para magdesisyunan ang pagtukoy nang sa gayo'y maibigay ang naaangkop na paggamot. Maaari kang tulungan ng abogado o ng doktor mo sa proseso ng IMR. Hindi magagamit ang IMR sa paglutas ng mga hindi pagkakaintindihan sa mga bagay bukod sa medikal na pangangailangan ng partikular na paggamot na hinihiling ng doktor mo.

Kung hindi ka sumasang-ayon sa iyong PTP sa mga bagay bukod sa paggamot, tulad ng dahilan ng pinsala mo o kung gaano kalala ang pinsala, maaari kang lumipat sa mga ibang doktor tulad ng inilalarawan sa itaas. Kung hindi kayo magkasundo ng ibang doktor, abisuhan ang tagapangasiwa ng mga claim sa pamamagitan ng sulat sa lalong madaling panahon. Sa kadalasan, malamang na mawawala sa iyo ang karapatang salungatin ang opinyon ng iyong PTP maliban kung gawin mo kaagad ito. Kung wala kang abogado, dapat kang padalhan ng tagapangasiwa ng mga claim ng mga tagubilin sa pagpapatingin sa isang doktor na tinatawag na kwalipikadong medikal na tagasuri (qualified medical evaluator - QME) upang tumulong sa paglutas ng di pagkakaintindihan. Kung may abogado ka, maaaring subukan ng tagapangasiwa ng mga claim na makipagkasundo sa iyong abogado tungkol sa isang doktor na tinatawag na pinagkasunduang medikal na tagasuri (agreed medical evaluator - AME). Kung hindi sumasang-ayon ang tagapangasiwa ng mga claim sa iyong PTP sa mga bagay-bagay bukod sa paggamot, maaaring ibilin ng tagapangasiwa ng mga claim sa iyong magpatingin sa isang QME o AME.

Bayad para sa Pansamantalang Kapansanan (Mga Nawalang Sahod): Kung hindi ka makapagtrabaho habang nagpapagaling ka sa isang pinsala o karamdaman na nauugnay sa trabaho, maaari kang makatanggap ng mga bayad para sa pansamantalang kapansanan sa limitadong panahon. Maaaring magbago o mahinto ang mga bayad na ito kapag sasabihin ng iyong doktor na kaya mo nang bumalik sa trabaho. Ang mga benepisyong ito ay hindi pinapatawan ng buwis. Ang mga bayad para sa pansamantalang kapansanan ay dalawa ng tatlong bahagi (two-thirds) ng iyong karaniwang lingguhang bayad, na nasa pagitan ng mga pinakamababa hanggang sa pinakamataas na itinatakda ng batas ng estado. Hindi ibinibigay ang bayad para sa unang tatlong araw na wala ka sa trabaho maliban kung maospital ka nang magdamag o hindi ka makapagtrabaho nang mahigit 14 na araw.

Manatili o Bumalik sa Trabaho: Ang pagtamo ng pinsala ay hindi nangangahulugang dapat ka nang huminto sa pagtatrabaho. Kung maaari mong ipagpatuloy ang pagtatrabaho, dapat mong gawin ito. Kung hindi, mahalagang bumalik sa trabaho sa iyong kasalukuyang pinagtatrabuhan sa sandaling kaya na mo batay sa iyong medikal na kondisyon. Ipinapakita ng mga pag-aaral na habang mas matagal kang wala sa trabaho, mas mahirap bumalik sa iyong orihinal na trabaho at mga sahod. Habang ikaw ay nagpapagaling, makikipagtulungan sa iyo ang iyong PTP, ang iyong pinagtatrabuhan (mga superbisor o iba pa sa pangasiwaan), ang tagapangasiwa ng mga claim, at ang abogado mo (kung mayroon ka man) upang magdesisyon kung paano ka mananatili sa trabaho o balik sa trabaho at kung anong trabaho ang gagawin mo. Aktibong makipag-usap sa iyong PTP, pinagtatrabuhan, at sa tagapangasiwa ng mga claim tungkol sa trabahong ginawa mo noon bago ka nagkapinsala, iyong medikal na kondisyon at sa mga uri ng trabaho na kaya mong gawin ngayon, at sa mga uri ng trabaho na maaaring ibigay sa iyo ng pinagtatrabuhan mo.

spouse and other relatives or household members who were financially dependent on the deceased worker.

It is illegal for your employer to punish or fire you for having a job injury or illness, for filing a claim, or testifying in another person's workers' compensation case (Labor Code 132a). If proven, you may receive lost wages, job reinstatement, increased benefits, and costs and expenses up to limits set by the state.

Resolving Problems or Disputes: You have the right to disagree with decisions affecting your claim. If you have a disagreement, contact your employer or claims administrator first to see if you can resolve it. If you are not receiving benefits, you may be able to get State Disability Insurance (SDI) or unemployment insurance (UI) benefits. Call the state Employment Development Department at (800) 480-3287 or (866) 333-4606, or go to their website at www.edd.ca.gov.

You Can Contact an Information & Assistance (I&A) Officer: State I&A officers answer questions, help injured workers, provide forms, and help resolve problems. Some I&A officers hold workshops for injured workers. You can also hear recorded information and a list of local I&A offices by calling (800) 736-7401.

You can consult with an attorney. Most attorneys offer one free consultation. If you decide to hire an attorney, his or her fee will be taken out of some of your benefits. For names of workers' compensation attorneys, call the State Bar of California at (415) 538-2120 or go to their website at www.californiaspecialist.org.

Bayad para sa Permanenteng Kapansanan: Kung sasabihin ng doktor na hindi pa ka ganap na gumaling sa iyong pinsala at palagi kang malilimitahan sa trabahong magagawa mo, maaari kang makatanggap ng mga karagdagang bayad. Ang halaga ay depende sa uri ng pinsala, sa hangganan ng kapansanan, sa iyong edad, hanapbuhay, petsa ng pinsala, at sa mga sahod mo bago ka nagtamo ng pinsala.

Karagdagang Benepisyo sa Pagbago ng Trabaho (Supplemental Job Displacement Benefit - SJDB): Kung nagtamo ka ng pinsala sa o makalipas ang 1/1/04, at ang pinsala mo ay magreresulta sa isang permanenteng kapansanan at hindi mag-aalok ang iyong pinagtatrabahuhan ng regular, binago, o alternatibong trabaho, maaaring maging kwalipikado ka para sa isang di naililipat na voucher na babayaran para sa muling pagsasanay at/o pagpapahusay ng kakayahan. Kung kwalipikado ka, babayaran ng tagapangasiwa ng mga claim ang mga halagang hanggang sa pinakamataas na itinatakda ng batas ng estado.

Mga Benepisyo sa Pagkamatay: Kung ang pinsala o karamdaman ay magiging sanhi ng pagkamatay, ang mga bayad ay maaaring ibigay sa asawa at mga iba pang kamag-anak o mga miyembro ng sambahayan na umaasa sa namatay na manggagawa para sa pinansiyal na suportang.

Labag sa batas para sa iyong pinagtatrabahuhan na parusahan o sisantehin ka sa pagkakaroon ng pinsala o karamdaman na nauugnay sa trabaho, para sa pagpagsusumite ng claim, o pagtetestigo sa kaso ng ibang tao para sa bayad-pinsala sa mga manggagawa (Labor Code 132a). Kung mapatunayan, maaari kang makatanggap ng mga nawalang sahod, maitalagang muli sa trabaho, tumaas na mga benepisyo, at mga ipinambayad at ipinangastos hanggang sa mga limitasyong itinatakda ng estado.

Paglutas sa mga Problema o Hindi Pagkakaintindihan: May karapatan kang hindi sumang-ayon sa mga desisyong nakakaapekto sa iyong claim. Kung mayroon kayong hindi pagkakaintindihan, makipag-ugnayan muna ka sa iyong pinagtatrabahuhan o tagapangasiwa ng mga claim upang alamin kung malulutas ninyo ito. Kung hindi ka nakakatanggap ng mga benepisyo, maaaring makakakuha ka ng Seguro sa Kapansanan ng Estado (State Disability Insurance - SDI) o mga benepisyo ng seguro sa kawalan ng trabaho (unemployment insurance - UI). Tawagan ang Employment Development Department ng estado sa (800) 480-3287 o (866) 333-4606, o pumunta sa kanilang website sa www.edd.ca.gov.

Maaari kang Makipag-Ugnayan sa isang Opisyal ng Information & Assistance (I&A): Sinasagot ng mga opisyal ng I&A ng estado ang mga tanong, tumutulong sa mga napinsalang manggagawa, nagbibigay ng mga form, at tumutulong sa paglutas ng mga problema. Ang ilang mga opisyal ng I&A ay nagdarao ng mga workshop para sa mga napinsalang manggagawa. Upang kumuha ng importanteng impormasyon tungkol sa mga claim para sa bayad-pinsala sa mga manggagawa at sa iyong mga karapatan at obligasyon, pumunta sa www.dwc.ca.gov o makipag-ugnayan sa isang opisyal ng I&A ng Division of Workers' Compensation. Maaari din mong pakinggan ang mga nakarekord na impormasyon at listahan ng mga lokal na opisina ng I&A sa pamamagitan ng pagtawag sa (800) 736-7401.

Maaari kang kumonsulta sa isang abogado. Karamihan ng mga abogado ay nag-aalok ng libreng konsultasyon. Kung magdesisyon kang kumuha ng isang abogado, ang kanyang bayad ay ikakaltas sa ilan sa iyong mga benepisyo. Para sa mga pangalan ng mga abogado ng bayad-pinsala sa mga manggagawa, tawagan ang State Bar of California sa (415) 538-2120 o pumunta sa kanilang website sa www.californiaspecialist.org.

Workers' Compensation Claim Form (DWC 1) & Notice of Potential Eligibility Mẫu Đơn Yêu Cầu Bồi Thường Bảo Hiểm Tai Nạn Lao Động (DWC 1) & Thông Báo về Khả Năng Đủ Điều Kiện

If you are injured or become ill, either physically or mentally, because of your job, including injuries resulting from a workplace crime, you may be entitled to workers' compensation benefits. Use the attached form to file a workers' compensation claim with your employer. **You should read all of the information below.** Keep this sheet and all other papers for your records. You may be eligible for some or all of the benefits listed depending on the nature of your claim. If you file a claim, the claims administrator, who is responsible for handling your claim, must notify you within 14 days whether your claim is accepted or whether additional investigation is needed.

To file a claim, complete the "Employee" section of the form, keep one copy and give the rest to your employer. Do this right away to avoid problems with your claim. In some cases, benefits will not start until you inform your employer about your injury by filing a claim form. Describe your injury completely. Include every part of your body affected by the injury. If you mail the form to your employer, use first-class or certified mail. If you buy a return receipt, you will be able to prove that the claim form was mailed and when it was delivered. Within one working day after you file the claim form, your employer must complete the "Employer" section, give you a dated copy, keep one copy, and send one to the claims administrator.

Medical Care: Your claims administrator will pay for all reasonable and necessary medical care for your work injury or illness. Medical benefits are subject to approval and may include treatment by a doctor, hospital services, physical therapy, lab tests, x-rays, medicines, equipment and travel costs. Your claims administrator will pay the costs of approved medical services directly so you should never see a bill. There are limits on chiropractic, physical therapy, and other occupational therapy visits.

The Primary Treating Physician (PTP) is the doctor with the overall responsibility for treatment of your injury or illness.

- If you previously designated your personal physician or a medical group, you may see your personal physician or the medical group after you are injured.
- If your employer is using a medical provider network (MPN) or Health Care Organization (HCO), in most cases, you will be treated in the MPN or HCO unless you predesignated your personal physician or a medical group. An MPN is a group of health care providers who provide treatment to workers injured on the job. You should receive information from your employer if you are covered by an HCO or a MPN. Contact your employer for more information.
- If your employer is not using an MPN or HCO, in most cases, the claims administrator can choose the doctor who first treats you unless you predesignated your personal physician or a medical group.
- If your employer has not put up a poster describing your rights to workers' compensation, you may be able to be treated by your personal physician right after you are injured.

Within one working day after you file a claim form, your employer or the claims administrator must authorize up to \$10,000 in treatment for your injury, consistent with the applicable treating guidelines until the claim is accepted or rejected. If the employer or claims administrator does not authorize treatment right away, talk to your supervisor, someone else in management, or the claims administrator. Ask for treatment to be authorized right now, while waiting for a decision on your claim. If the employer or claims administrator will not authorize treatment, use your own health insurance to get medical care. Your health insurer will seek reimbursement from the claims administrator. If you do not have health insurance, there are doctors, clinics or hospitals that will treat you without immediate payment. They will seek reimbursement from the claims administrator.

Switching to a Different Doctor as Your PTP:

- If you are being treated in a Medical Provider Network (MPN), you may switch to other doctors within the MPN after the first visit.
- If you are being treated in a Health Care Organization (HCO), you may switch at least one time to another doctor within the HCO. You may switch to a doctor outside the HCO 90 or 180 days after your injury is reported to your employer (depending on whether you are covered by employer-provided health insurance).
- If you are not being treated in an MPN or HCO and did not predesignate, you may switch to a new doctor one time during the first 30 days after your injury is reported to your employer. Contact the claims administrator to switch doctors. After 30 days, you may switch to a doctor of your choice if

Nếu bạn bị thương hoặc bị bệnh, thể chất hoặc tâm thần, do công việc, bao gồm bị thương do tội ác trong môi trường làm việc, bạn có thể được hưởng các quyền lợi bồi thường tai nạn lao động. Sử dụng mẫu đơn đính kèm để nộp yêu cầu bồi thường bảo hiểm tai nạn lao động cho chủ lao động của bạn. **Bạn nên đọc tất cả thông tin bên dưới.** Giữ lại tờ này và tất cả các giấy tờ khác để lưu. Bạn có thể đủ điều kiện nhận một số hoặc tất cả các quyền lợi trong danh sách tùy vào bản chất của yêu cầu bồi thường bảo hiểm của bạn. Nếu bạn nộp yêu cầu bồi thường bảo hiểm, đơn vị quản lý yêu cầu bồi thường bảo hiểm, có trách nhiệm giải quyết yêu cầu bồi thường bảo hiểm của bạn, phải thông báo cho bạn trong vòng 14 ngày về việc yêu cầu của bạn được chấp nhận hay không hoặc có cần điều tra thêm hay không.

Để nộp yêu cầu bồi thường bảo hiểm, hãy điền vào phần "Nhân Viên" của mẫu đơn, giữ lại một bản sao và đưa phần còn lại cho chủ lao động của bạn. Hãy thực hiện việc này ngay để tránh các vấn đề với yêu cầu bồi thường bảo hiểm của bạn. Trong một số trường hợp, bạn sẽ không bắt đầu nhận được quyền lợi cho đến khi bạn thông báo cho chủ lao động của mình về việc bạn bị thương bằng cách nộp mẫu đơn yêu cầu bồi thường bảo hiểm. Mô tả đầy đủ thương tật của bạn. Bao gồm mọi bộ phận cơ thể bị ảnh hưởng bởi thương tật. Nếu bạn gửi mẫu đơn cho chủ lao động của mình qua đường bưu điện, hãy sử dụng thư hạng nhất hoặc thư đảm bảo. Nếu bạn mua dịch vụ biên nhận gửi lại, bạn sẽ có thể chứng minh rằng đã gửi mẫu đơn yêu cầu bồi thường bảo hiểm và mẫu đơn được giao khi nào. Trong vòng một ngày làm việc sau khi bạn nộp mẫu đơn yêu cầu bồi thường bảo hiểm, chủ lao động của bạn phải điền vào phần "Chủ Lao Động", cung cấp cho bạn một bản sao có đề ngày, giữ lại một bản sao, và gửi một bản cho đơn vị quản lý yêu cầu bồi thường bảo hiểm.

Chăm Sóc Y Tế: Đơn vị quản lý yêu cầu bồi thường bảo hiểm của bạn sẽ thanh toán mọi chi phí chăm sóc y tế hợp lý và cần thiết đối với thương tật hoặc bệnh tật của bạn liên quan đến công việc. Các quyền lợi y tế cần có sự phê duyệt và có thể gồm có sự điều trị của bác sĩ, dịch vụ của bệnh viện, vật lý trị liệu, xét nghiệm, X quang, thuốc, trang thiết bị và chi phí đi lại. Đơn vị quản lý yêu cầu bồi thường bảo hiểm của bạn sẽ trực tiếp thanh toán chi phí các dịch vụ y tế đã duyệt do đó bạn sẽ không bao giờ nhận được hóa đơn. Có những giới hạn về thăm khám xoa nắn khớp, vật lý trị liệu, và hoạt động trị liệu khác.

Bác Sĩ Điều Trị Chính (PTP) là bác sĩ có trách nhiệm điều trị thương tật hoặc bệnh tật của bạn.

- Nếu trước đây bạn đã chỉ định bác sĩ riêng của mình hoặc một nhóm y tế, bạn có thể gặp bác sĩ riêng hoặc nhóm y tế đó sau khi bị thương.
- Nếu chủ lao động của bạn sử dụng một mạng lưới các nhà cung cấp dịch vụ y tế (MPN) hoặc Tổ Chức Chăm Sóc Sức Khỏe (Health Care Organization, HCO), trong hầu hết các trường hợp, bạn sẽ được điều trị trong MPN hoặc HCO trừ phi bạn chỉ định trước bác sĩ riêng hoặc một nhóm y tế. MPN là một nhóm các nhà cung cấp dịch vụ chăm sóc sức khỏe điều trị cho người lao động bị thương trong công việc. Bạn sẽ nhận được thông tin từ chủ lao động của mình nếu bạn được bảo hiểm bởi một HCO hoặc MPN. Hãy liên lạc với chủ lao động của bạn để biết thêm thông tin.
- Nếu chủ lao động của bạn không sử dụng MPN hoặc HCO, trong hầu hết các trường hợp, đơn vị quản lý yêu cầu bồi thường bảo hiểm có thể chọn bác sĩ ban đầu điều trị cho bạn trừ phi bạn chỉ định trước bác sĩ riêng hoặc nhóm y tế.
- Nếu chủ lao động của bạn chưa đăng thông tin mô tả các quyền nhận bồi thường tai nạn lao động của bạn, bạn có thể được điều trị bởi bác sĩ riêng của mình ngay sau khi bị thương.

Trong vòng một ngày làm việc sau khi bạn nộp mẫu đơn yêu cầu bồi thường bảo hiểm, chủ lao động của bạn hoặc đơn vị quản lý yêu cầu bồi thường bảo hiểm phải cho phép tối đa \$10,000 chi phí điều trị thương tật của bạn, phù hợp với các quy định điều trị hiện hành cho đến khi yêu cầu bồi thường bảo hiểm được chấp nhận hoặc bị từ chối. Nếu chủ lao động hoặc đơn vị quản lý yêu cầu bồi thường bảo hiểm không cho phép điều trị ngay lập tức, hãy trao đổi với cấp trên của bạn, một người khác thuộc ban quản lý, hoặc đơn vị quản lý yêu cầu bồi thường bảo hiểm. Yêu cầu cho phép điều trị ngay lúc này trong khi chờ quyết định về yêu cầu bồi thường bảo hiểm của bạn. Nếu chủ lao động hoặc đơn vị quản lý yêu cầu bồi thường bảo hiểm sẽ không cho phép điều trị, hãy sử dụng bảo hiểm sức khỏe của bạn để được chăm sóc y tế. Công ty bảo hiểm sức khỏe của bạn sẽ yêu cầu đơn vị quản lý yêu cầu bồi thường bảo hiểm hoàn tiền. Nếu bạn không có bảo hiểm sức khỏe, có các bác sĩ, phòng khám hoặc bệnh viện sẽ điều trị cho bạn mà không thanh toán ngay. Họ sẽ yêu cầu đơn vị quản lý yêu cầu bồi thường bảo hiểm hoàn tiền.

Chuyển Sang một Bác Sĩ Khác làm PTP của Bạn:

- Nếu bạn đang được điều trị bởi một Mạng Lưới Các Nhà Cung Cấp Dịch Vụ Y

your employer or the claims administrator has not created or selected an MPN.

Disclosure of Medical Records: After you make a claim for workers' compensation benefits, your medical records will not have the same level of privacy that you usually expect. If you don't agree to voluntarily release medical records, a workers' compensation judge may decide what records will be released. If you request privacy, the judge may "seal" (keep private) certain medical records.

Problems with Medical Care and Medical Reports: At some point during your claim, you might disagree with your PTP about what treatment is necessary. If this happens, you can switch to other doctors as described above. If you cannot reach agreement with another doctor, the steps to take depend on whether you are receiving care in an MPN, HCO, or neither. For more information, see "Learn More About Workers' Compensation," below.

If the claims administrator denies treatment recommended by your PTP, you may request independent medical review (IMR) using the request form included with the claims administrator's written decision to deny treatment. The IMR process is similar to the group health IMR process, and takes approximately 40 (or fewer) days to arrive at a determination so that appropriate treatment can be given. Your attorney or your physician may assist you in the IMR process. IMR is not available to resolve disputes over matters other than the medical necessity of a particular treatment requested by your physician.

If you disagree with your PTP on matters other than treatment, such as the cause of your injury or how severe the injury is, you can switch to other doctors as described above. If you cannot reach agreement with another doctor, notify the claims administrator in writing as soon as possible. In some cases, you risk losing the right to challenge your PTP's opinion unless you do this promptly. If you do not have an attorney, the claims administrator must send you instructions on how to be seen by a doctor called a qualified medical evaluator (QME) to help resolve the dispute. If you have an attorney, the claims administrator may try to reach agreement with your attorney on a doctor called an agreed medical evaluator (AME). If the claims administrator disagrees with your PTP on matters other than treatment, the claims administrator can require you to be seen by a QME or AME.

Payment for Temporary Disability (Lost Wages): If you can't work while you are recovering from a job injury or illness, you may receive temporary disability payments for a limited period. These payments may change or stop when your doctor says you are able to return to work. These benefits are tax-free. Temporary disability payments are two-thirds of your average weekly pay, within minimums and maximums set by state law. Payments are not made for the first three days you are off the job unless you are hospitalized overnight or cannot work for more than 14 days.

Stay at Work or Return to Work: Being injured does not mean you must stop working. If you can continue working, you should. If not, it is important to go back to work with your current employer as soon as you are medically able. Studies show that the longer you are off work, the harder it is to get back to your original job and wages. While you are recovering, your PTP, your employer (supervisors or others in management), the claims administrator, and your attorney (if you have one) will work with you to decide how you will stay at work or return to work and what work you will do. Actively communicate with your PTP, your employer, and the claims administrator about the work you did before you were injured, your medical condition and the kinds of work you can do now, and the kinds of work that your employer could make available to you.

Payment for Permanent Disability: If a doctor says you have not recovered completely from your injury and you will always be limited in the work you can do, you may receive additional payments. The amount will depend on the type of injury, extent of impairment, your age, occupation, date of injury, and your wages before you were injured.

Supplemental Job Displacement Benefit (SJDB): If you were injured on or after 1/1/04, and your injury results in a permanent disability and your employer does not offer regular, modified, or alternative work, you may qualify for a nontransferable voucher payable for retraining and/or skill enhancement. If you qualify, the claims administrator will pay the costs up to the maximum set by state law.

Death Benefits: If the injury or illness causes death, payments may be made to a

Tế (MPN), bạn có thể chuyển sang các bác sĩ khác trong MPN đó sau lần thăm khám đầu tiên.

- Nếu bạn đang được điều trị trong một Tổ Chức Chăm Sóc Sức Khỏe (HCO), bạn có thể chuyển sang một bác sĩ khác trong HCO đó ít nhất một lần. Bạn có thể chuyển sang một bác sĩ bên ngoài HCO 90 hoặc 180 ngày sau báo cáo thương tật của bạn cho chủ lao động của bạn (tùy vào việc bạn có được bảo hiểm bởi bảo hiểm sức khỏe do chủ lao động của bạn cung cấp hay không).
- Nếu bạn hiện không được điều trị trong MPN hoặc HCO và chưa chỉ định trước, bạn có thể chuyển sang một bác sĩ mới một lần trong 30 ngày đầu sau khi báo cáo thương tật cho chủ lao động của bạn. Hãy liên lạc với đơn vị quản lý yêu cầu bồi thường bảo hiểm để thay đổi bác sĩ. Sau 30 ngày, bạn có thể chuyển sang một bác sĩ mình chọn nếu chủ lao động của bạn hoặc đơn vị quản lý yêu cầu bồi thường bảo hiểm chưa lập hoặc chọn một MPN.

Tiết Lộ Hồ Sơ Y Tế: Sau khi bạn lập yêu cầu bồi thường tai nạn lao động, hồ sơ y tế của bạn sẽ không có cùng mức bảo mật như bạn thường kỳ vọng. Nếu bạn không đồng ý tự nguyện tiết lộ hồ sơ y tế, thẩm phán phụ trách bồi thường tai nạn lao động có thể quyết định hồ sơ nào sẽ được tiết lộ. Nếu bạn yêu cầu bảo mật, thẩm phán có thể niêm phong các hồ sơ y tế nhất định.

Các Vấn Đề với Chăm Sóc Y Tế và Báo Cáo Y Khoa: Tại thời điểm nào đó trong quá trình yêu cầu bồi thường bảo hiểm, bạn có thể không đồng ý với PTP của mình về phương pháp điều trị gì là cần thiết. Nếu xảy ra trường hợp này, bạn có thể chuyển sang các bác sĩ khác như mô tả bên trên. Nếu bạn không thể đạt được thỏa thuận với một bác sĩ khác, các bước cần thực hiện sẽ tùy thuộc vào việc bạn đang được chăm sóc trong MPN, HCO hoặc không có trường hợp nào. Để biết thêm thông tin, hãy xem phần "Tìm Hiểu Thêm Về Bồi Thường Tai Nạn Lao Động" ở bên dưới.

Nếu đơn vị quản lý yêu cầu bồi thường bảo hiểm từ chối phương pháp điều trị mà PTP của bạn đề nghị, bạn có thể yêu cầu xét duyệt y khoa độc lập (IMR) dùng mẫu đơn yêu cầu kèm theo quyết định văn bản từ chối điều trị của đơn vị quản lý yêu cầu bồi thường bảo hiểm. Quy trình IMR này tương tự như quy trình IMR bảo hiểm sức khỏe nhóm, và mất khoảng 40 ngày (trở xuống) để đi đến quyết định để có thể cung cấp phương pháp điều trị thích hợp. Luật sư hoặc bác sĩ của bạn có thể hỗ trợ bạn trong quy trình IMR. IMR không dùng để giải quyết các bất đồng về những vấn đề ngoài vấn đề tính cần thiết về mặt y tế của một phương pháp điều trị cụ thể mà bác sĩ của bạn yêu cầu.

Nếu bạn không đồng ý với PTP của bạn về các vấn đề không phải phương pháp điều trị, chẳng hạn như nguyên nhân thương tật của bạn hoặc mức độ nghiêm trọng của thương tật, bạn có thể chuyển sang các bác sĩ khác như mô tả bên trên. Nếu bạn không thể đạt được thỏa thuận với một bác sĩ khác, hãy thông báo cho đơn vị quản lý yêu cầu bồi thường bảo hiểm bằng văn bản càng sớm càng tốt. Trong một số trường hợp, bạn có nguy cơ mất quyền phản đối ý kiến của PTP từ phi bạn phản đối nhanh chóng. Nếu bạn không có luật sư, đơn vị quản lý yêu cầu bồi thường bảo hiểm phải gửi cho bạn hướng dẫn cách yêu cầu một bác sĩ được gọi là thẩm định viên y khoa đủ năng lực (QME) khám để giải quyết bất đồng. Nếu bạn có luật sư, đơn vị quản lý yêu cầu bồi thường bảo hiểm có thể cố đạt được thỏa thuận với luật sư của bạn về một bác sĩ được gọi là thẩm định viên y khoa theo thỏa thuận (AME). Nếu đơn vị quản lý yêu cầu bồi thường bảo hiểm không đồng ý với PTP của bạn về các vấn đề không phải phương pháp điều trị, đơn vị quản lý yêu cầu bồi thường bảo hiểm có thể yêu cầu một QME hoặc AME khám cho bạn.

Bồi Thường Thương Tật Tạm Thời (Mất Thu Nhập): Nếu bạn không thể đi làm trong thời gian hồi phục sau khi bị thương hoặc bị bệnh trong lao động, bạn có thể nhận được bồi thường thương tật tạm thời trong một khoảng thời gian hạn chế. Các khoản thanh toán này có thể thay đổi hoặc ngưng khi bác sĩ của bạn cho biết bạn không thể đi làm lại. Các quyền lợi này không bị đánh thuế. Bồi thường thương tật tạm thời bằng hai phần ba lương trung bình hàng tuần của bạn, trong các giới hạn tối thiểu và tối đa theo quy định của luật pháp tiểu bang. Các khoản thanh toán này không được thực hiện cho ba ngày đầu tiên bạn nghỉ làm trừ phi bạn nhập viện qua đêm và không thể đi làm trong hơn 14 ngày.

Duy Trì Công Việc hoặc Đi Làm Lại: Bị thương không có nghĩa là bạn phải nghỉ làm. Nếu bạn có thể tiếp tục làm việc, bạn nên tiếp tục. Nếu không, điều quan trọng là phải đi làm lại với chủ lao động hiện tại của bạn ngay khi bạn có thể đi làm. Nghiên cứu cho thấy rằng bạn nghỉ làm càng lâu, bạn càng khó trở lại với công việc và lương ban đầu. Trong thời gian bạn phục hồi, PTP của bạn, chủ lao động của bạn (cấp trên và những người khác trong ban quản lý), đơn vị quản lý yêu cầu bồi thường bảo hiểm, và luật sư của bạn (nếu có) sẽ làm việc với bạn để quyết định bạn sẽ duy trì công việc hoặc đi làm lại như thế nào và bạn sẽ làm công

It is illegal for your employer to punish or fire you for having a job injury or illness, for filing a claim, or testifying in another person's workers' compensation case (Labor Code 132a). If proven, you may receive lost wages, job reinstatement, increased benefits, and costs and expenses up to limits set by the state.

Resolving Problems or Disputes: You have the right to disagree with decisions affecting your claim. If you have a disagreement, contact your employer or claims administrator first to see if you can resolve it. If you are not receiving benefits, you may be able to get State Disability Insurance (SDI) or unemployment insurance (UI) benefits. việc gì. Hãy chủ động liên lạc PTP của bạn, chủ lao động của bạn và đơn vị quản lý yêu cầu bồi thường bảo hiểm về công việc bạn đã làm trước khi bị thương, bệnh trạng của bạn và các dạng công việc bạn có thể làm vào lúc này, và các dạng công việc mà chủ lao động của bạn có thể dành cho bạn.

Bồi Thường Thương Tật Dài Hạn: Nếu bác sĩ của bạn cho biết rằng bạn chưa hồi phục hoàn toàn sau khi bị thương và bạn sẽ luôn bị hạn chế về công việc mình có thể làm, bạn có thể nhận được thêm tiền bồi thường. Số tiền này sẽ phụ thuộc vào dạng thương tật, mức độ suy giảm chức năng, độ tuổi, nghề nghiệp, ngày bị thương và tiền lương của bạn trước khi bị thương.

Quyền Lợi Bảo Hiểm Thay Đổi Việc Làm (SJDB): Nếu bạn bị thương sau ngày 01/01/04, và thương tật của bạn dẫn đến thương tật dài hạn và chủ lao động của bạn không đề nghị công việc bình thường, điều chỉnh hoặc thay thế, bạn có thể đủ điều kiện nhận voucher không thể chuyển nhượng dùng để thanh toán chi phí đào tạo lại và/hoặc nâng cao tay nghề. Nếu bạn đủ điều kiện, đơn vị quản lý yêu cầu bồi thường bảo hiểm sẽ thanh toán chi phí đến mức tối đa theo quy định của pháp luật.

Quyền Lợi Bảo Hiểm Nhân Thọ: Nếu thương tật hoặc bệnh tật dẫn đến tử vong, tiền bồi thường có thể được trả cho vợ/chồng hoặc người thân hay thành viên khác trong hộ gia đình là những người phụ thuộc tài chính vào người lao động qua đời.

Sẽ là phi pháp nếu chủ lao động của bạn trừng phạt hoặc sa thải bạn vì bị thương hoặc bị bệnh trong lao động, vì nộp yêu cầu bồi thường bảo hiểm, hoặc làm chứng trong một vụ bồi thường tai nạn lao động của một người khác (Luật Lao Động 132a). Nếu được chứng minh, bạn có thể nhận được bồi thường tiền lương bị mất, phục hồi việc làm, tăng phúc lợi, và chi phí và phí tổn lên đến giới hạn theo quy định của tiểu bang.

Bạn Có Thể Liên Lạc với Viên Chức Phòng Thông Tin & Hỗ Trợ (I&A): Các viên chức I&A của tiểu bang sẽ giải đáp các thắc mắc, giúp người lao động bị thương, cung cấp các mẫu đơn, và giúp giải quyết các vấn đề. Một số viên chức I&A có tổ chức hội thảo dành cho người lao động bị thương. Để biết thông tin quan trọng về quy trình yêu cầu bồi thường tai nạn lao động và các quyền và nghĩa vụ của bạn, hãy truy cập www.dwc.ca.gov hoặc liên lạc với viên chức I&A của Ban Bồi Thường Tai Nạn Lao Động của tiểu bang. Workers' Compensation Claim Form (DWC 1) & Notice of Potential Eligibility

勞工索賠表（勞工補償署表格 1）和潛在合格通知

If you are injured or become ill, either physically or mentally, because of your job, including injuries resulting from a workplace crime, you may be entitled to workers' compensation benefits. Use the attached form to file a workers' compensation claim with your employer. **You should read all of the information below.** Keep this sheet and all other papers for your records. You may be eligible for some or all of the benefits listed depending on the nature of your claim. If you file a claim, the claims administrator, who is responsible for handling your claim, must notify you within 14 days whether your claim is accepted or whether additional investigation is needed.

To file a claim, complete the "Employee" section of the form, keep one copy and give the rest to your employer. Do this right away to avoid problems with your claim. In some cases, benefits will not start until you inform your employer about your injury by filing a claim form. Describe your injury completely. Include every part of your body affected by the injury. If you mail the form to your employer, use first-class or certified mail. If you buy a return receipt, you will be able to prove that the claim form was mailed and when it was delivered. Within one working day after you file the claim form, your employer must complete the "Employer" section, give you a dated copy, keep one copy, and send one to the claims administrator.

Medical Care: Your claims administrator will pay for all reasonable and necessary medical care for your work injury or illness. Medical benefits are subject to approval and may include treatment by a doctor, hospital services, physical therapy, lab tests, x-rays, medicines, equipment and travel costs. Your claims administrator will pay the costs of approved medical services directly so you should never see a bill. There are limits on chiropractic, physical therapy, and other occupational therapy visits.

The Primary Treating Physician (PTP) is the doctor with the overall responsibility for treatment of your injury or illness.

- If you previously designated your personal physician or a medical group, you may see your personal physician or the medical group after you are injured.
- If your employer is using a medical provider network (MPN) or Health Care Organization (HCO), in most cases, you will be treated in the MPN or HCO unless you pre-designated your personal physician or a medical group. An MPN is a group of health care providers who provide treatment to workers injured on the job. You should receive information from your employer if you are covered by an HCO or a MPN. Contact your employer for more information.
- If your employer is not using an MPN or HCO, in most cases, the claims administrator can choose the doctor who first treats you unless you pre-designated your personal physician or a medical group.
- If your employer has not put up a poster describing your rights to workers' compensation, you may be able to be treated by your personal physician right after you are injured.

Within one working day after you file a claim form, your employer or the claims administrator must authorize up to \$10,000 in treatment for your injury, consistent with the applicable treating guidelines until the claim is accepted or rejected. If the employer or claims administrator does not authorize treatment right away, talk to your supervisor, someone else in management, or the claims administrator. Ask for treatment to be authorized right now, while waiting for a decision on your claim. If the employer or claims administrator will not authorize treatment, use your own health insurance to get medical care. Your health insurer will seek reimbursement from the claims administrator. If you do not have health insurance, there are doctors, clinics or hospitals that will treat you without immediate payment. They will seek reimbursement from the claims administrator.

Switching to a Different Doctor as Your PTP:

- If you are being treated in a Medical Provider Network (MPN), you may switch to other doctors within the MPN after the first visit.

如果您在工作時遭受了身體或是精神上的傷害或患上了疾病（這包括因職場犯罪所造成的傷病），那麼您有權申請勞工賠償。使用隨附的表格向您的僱主提出勞工索賠。**您應該閱讀以下全部資訊。**保存此表以及其他所有與您的記錄有關的檔。根據索賠性質的不同您可能有資格獲得列出的某些或全部賠償金。如果您提出了索賠，那麼負責處理此索賠事項的索賠管理人必須於 14 天內就您的索賠請求是否已被接受或是否需要進一步調查告知您。

要提出索賠申請，您需要填寫表格中“員工”部分的內容，並保存一份影本，然後將表格中的剩餘部分留給您的僱主填寫。您必須立即進行這項工作，以免索賠出現問題。在某些情況下，只有在您提交一份索賠申請表，並將自己的受傷情況告知僱主後，勞工賠償給付才會開始。請完整描述您所受的傷害，包括這些傷害對您身體各部分造成的影響。您需要使用一類郵件或掛號郵件將此表郵寄給您的僱主。如果購買了郵件回執單，那麼您將能夠證明自己已經將索賠表格郵寄出去並且告訴對方什麼時候可以收到。您的僱主必須在您提交索賠申請表後的一個工作日內完成表中關於“僱主”部分的資訊內容並交給您一份注有日期的影本，僱主本人應保存另一份影本，最後再將第三份影本郵寄給您的索賠管理人。

醫療護理：您的索賠管理人將會為您支付所有必要且合理的因工傷病醫療護理費。醫療費用的給付需要審批，這些費用中可包括醫生的診療、醫療服務、臨床物理治療、實驗室檢查、X 光片、藥物治療、設備治療和轉診費用。由於您的索賠管理人將直接支付已批准實施的醫療服務的費用，因此您應該無需花一分錢。按摩療法、臨床物理治療以及進行的其他作業療法的費用都有一定的限額。

主治醫生 (PTP) 是指對勞工所受傷害或所得疾病的治療負有全部責任的醫生。

- 如果之前指定了私人醫生或醫療小組，那麼您可以在受傷後向您的私人醫生或醫療小組尋求治療。
- 如果您的僱主使用了醫療提供者網路 (MPN) 或醫療保健機構 (HCO)，那麼在大多數情況下，除非您已經預先指定了私人醫生或醫療小組，否則您將會得到來自該醫療提供者網路或醫療保健機構的治療。醫療提供者網路是為受工傷的勞工提供治療的醫療服務人員團體。如果您的治療由一個醫療保健機構或醫療提供者網路負責，那麼您會收到來自僱主的資訊，主動聯繫僱主可以瞭解更多與該機構或網路相關的治療資訊。
- 如果您的僱主沒有使用醫療提供者網路或醫療保健機構，那麼在大多數情況下，除非您預先指定了私人醫生或醫療小組，否則索賠管理人可以為您選擇主治醫生。
- 如果僱主沒有發佈公告以說明您的工傷賠償權利，那麼您可以在受傷後立即向私人醫生尋求治療。

在您提交索賠申請表之後的一個工作日內，您的僱主或索賠管理人必須批准最多一萬美元用於治療您的工傷，具體金額與適用的治療指南保持一致，直到您的索賠申請被接受或拒絕。如果您的僱主或索賠管理人沒有立刻批准此項治療費用，您可與您的主管、其他管理人員或者索賠管理人溝通協商。在等待公司做出對您的賠償決定的同時，您可以立刻尋求批准治療費用。如果僱主或索賠管理人未批准治療費用，那麼您可以用自己的醫療保險接受醫療護理。您的醫療保險公司將會向索賠管理人尋求報銷。如果您沒有醫療保險，那麼在沒有即時支付的情況下也會有醫生、診所或醫院對您進行治療。

更換主治醫生：

- 如果您接受的是來自醫療提供者網路的治療，您可以在首次接受治療後從該網路中更換一位元醫生。

- If you are being treated in a Health Care Organization (HCO), you may switch at least one time to another doctor within the HCO. You may switch to a doctor outside the HCO 90 or 180 days after your injury is reported to your employer (depending on whether you are covered by employer-provided health insurance).
- If you are not being treated in an MPN or HCO and did not predesignate, you may switch to a new doctor one time during the first 30 days after your injury is reported to your employer. Contact the claims administrator to switch doctors. After 30 days, you may switch to a doctor of your choice if your employer or the claims administrator has not created or selected an MPN.
- 如果您接受的是來自醫療保健機構的治療，那麼您至少有一次機會可以將主治醫生更換為該機構內的另一位醫生。在您將所受傷害上報給僱主後的 90 到 180 天之內（具體天數根據您的醫療費用是否由僱主提供的醫療保險來支付確定），您可以換一位不屬於該機構的醫生。
- 如果您接受的並非來自醫療提供者網路或醫療保健機構的治療，並且沒有預先指定醫生，那麼您在將受傷情況上報給僱主後的 30 天內，將有一次更換醫生的機會，您可以聯繫索賠管理人為您更換一名醫生。30 天之後，如果您的僱主或索賠管理人仍然沒有為您創建或選擇醫療提供者網路，那麼您可以自行換一位醫生。

Disclosure of Medical Records: After you make a claim for workers' compensation benefits, your medical records will not have the same level of privacy that you usually expect. If you don't agree to voluntarily release medical records, a workers' compensation judge may decide what records will be released. If you request privacy, the judge may "seal" (keep private) certain medical records.

Problems with Medical Care and Medical Reports: At some point during your claim, you might disagree with your PTP about what treatment is necessary. If this happens, you can switch to other doctors as described above. If you cannot reach agreement with another doctor, the steps to take depend on whether you are receiving care in an MPN, HCO, or neither. For more information, see "Learn More About Workers' Compensation," below.

If the claims administrator denies treatment recommended by your PTP, you may request independent medical review (IMR) using the request form included with the claims administrator's written decision to deny treatment. The IMR process is similar to the group health IMR process, and takes approximately 40 (or fewer) days to arrive at a determination so that appropriate treatment can be given. Your attorney or your physician may assist you in the IMR process. IMR is not available to resolve disputes over matters other than the medical necessity of a particular treatment requested by your physician.

If you disagree with your PTP on matters other than treatment, such as the cause of your injury or how severe the injury is, you can switch to other doctors as described above. If you cannot reach agreement with another doctor, notify the claims administrator in writing as soon as possible. In some cases, you risk losing the right to challenge your PTP's opinion unless you do this promptly. If you do not have an attorney, the claims administrator must send you instructions on how to be seen by a doctor called a qualified medical evaluator (QME) to help resolve the dispute. If you have an attorney, the claims administrator may try to reach agreement with your attorney on a doctor called an agreed medical evaluator (AME). If the claims administrator disagrees with your PTP on matters other than treatment, the claims administrator can require you to be seen by a QME or AME.

Payment for Temporary Disability (Lost Wages): If you can't work while you are recovering from a job injury or illness, you may receive temporary disability payments for a limited period. These payments may change or stop when your doctor says you are able to return to work. These benefits are tax-free. Temporary disability payments are two-thirds of your average weekly pay, within minimums and maximums set by state law. Payments are not made for the first three days you are off the job unless you are hospitalized overnight or cannot work for more than 14 days.

Stay at Work or Return to Work: Being injured does not mean you must stop working. If you can continue working, you should. If not, it is important to go back to work with your current employer as soon as you are medically able. Studies show that the longer you are off work, the harder it is to get back to your original job and wages. While you are recovering, your PTP, your employer (supervisors or others in management), the claims administrator, and your attorney (if you have one) will work with you to decide how you will stay at work or return to work and what work you will do. Actively communicate with your PTP, your employer, and the claims administrator about the work you did before you were injured, your medical condition and the kinds of work you can do now, and the kinds of work that your employer could make available to you.

Payment for Permanent Disability: If a doctor says you have not recovered completely from your injury and you will always be limited in the work you can do, you may receive additional payments. The amount will depend on the type of injury, extent of impairment, your age, occupation, date of injury, and your wages before you were injured.

醫療記錄公開: 在您提出勞工賠償要求後，您的醫療記錄將不會像您預想的那樣有很高的隱私級別。如果您不同意自願發佈醫療記錄，那麼將由勞工賠償裁定人來決定應該發佈什麼樣的醫療記錄，如果您要求保密，那麼該裁定人可以“密封”（保密）某些醫療記錄。

與醫療保健和醫療報告相關的問題: 在索賠過程中，您在某些時候可能會不同意主治醫生關於必要治療的見解，如果出現這種情況，您可以將主治醫生更換為上面提到的網路或機構內的其他醫生。如果您與另一位醫生意見不一致，則應採取什麼措施需要根據您接受的是來自醫療提供者網路、醫療保健機構還是兩者之外的其他組織的治療來確定。欲瞭解更多資訊，請參考下文的“瞭解更多有關勞工賠償的資訊”。

如果索賠管理人拒絕您的主治醫生推薦的治療，您可以利用包含在索賠管理人的書面拒絕治療決議內的申請表申請進行獨立醫療審查（IMR）。獨立醫療審查過程與團體健康獨立醫療審查過程類似，大約需要 40 天（或更短）才能做出決定，以便能為勞工提供適當的治療。您的律師或醫生可以在獨立醫療審查過程中為您提供幫助。除非有必要進行您的醫生所要求的特殊治療，否則獨立醫療審查不能用於解決勞工賠償利益糾紛問題。

如果您在除治療問題之外的其他事務（例如您受傷的原因或是您受傷的嚴重程度）中與主治醫生的意見不一致，則您可以根據上文所述將該主治醫生更換為其他醫生。如果您無法和另一位醫生達成一致意見，那麼您需要儘快以書面形式將這一問題通知索賠管理人。在某些情況下，除非您立刻完成這一點，否則您可能會失去對主治醫生的意見提出反對的權利。如果您沒有聘請律師，索賠管理人必須發給您一份指南，指導您接受一名作為合格醫療評估師（QME）的醫生的治療，進而幫助您解決糾紛。如果您聘請了律師，那麼索賠管理人會力圖與您的律師達成一致，請一位元作為協定醫療評估師（AME）的醫生對您進行診療。如果索賠管理人不同意您的主治醫生提出的建議（這些建議中不包括治療問題），那麼索賠管理人有權要求您接受合格醫療評估師或是協議醫療評估師的治療。

因暫時性傷殘（沒有薪資）而獲得的賠償: 如果在傷病恢復期間無法工作，您可以在一段時間內獲得暫時性傷殘賠償。在醫生表示您能夠返回工作崗位後，您獲得的此類賠償金額可能會有所變化，或是不再獲得賠償。這些賠償金無需繳稅。暫時性傷殘賠償金額是您每週平均薪資的三分之二，且必須在各州法規設置的最高和最低薪資範圍內。公司不會在您離崗的前三天支付此項賠償，除非您住院或是無法工作的時間達到了 14 天以上。

繼續留在原崗位工作還是經治療後重返工作崗位: 受傷並不意味著您必須停止工作。如果能夠繼續工作，您就應該繼續工作。如果不能，那麼只要在醫學上被認為可以返回到現有工作崗位，您就應該立刻返回工作，這一點很重要。研究表明，勞工離崗的時間越長，其返回到原崗位並得到與原來相同的薪資就越困難。在您恢復期間，您的主治醫生、僱主（主管或其他管理人員）、索賠管理人以及律師（如果已聘請）將會與您一起確定您可以繼續在原崗位工作還是在獲得醫學認可之後再重返工作崗位，並確定您返回之後的工作內容。您應主動與主治醫生、僱主及索賠管理人進行溝通，協商確定您在受傷前所做的工作、您當前的健康狀況和您現在能做的工作，以及您的僱主能為您提供的工作類型。

因永久性傷殘而獲得的賠償: 如果醫生認定您尚未完全恢復，且您將永遠無法執行自己能做的工作，那麼您可以得到額外補償。補償金額根據受傷類型、嚴重程度、您的年齡、所從事的工作以及您受傷前的薪資水準來決定。

Supplemental Job Displacement Benefit (SJDB): If you were injured on or after 1/1/04, and your injury results in a permanent disability and your employer does not offer regular, modified, or alternative work, you may qualify for a nontransferable voucher payable for retraining and/or skill enhancement.

If you qualify, the claims administrator will pay the costs up to the maximum set by state law.

Death Benefits: If the injury or illness causes death, payments may be made to a spouse and other relatives or household members who were financially dependent on the deceased worker

It is illegal for your employer to punish or fire you for having a job injury or illness, for filing a claim, or testifying in another person's workers' compensation case (Labor Code 132a). If proven, you may receive lost wages, job reinstatement, increased benefits, and costs and expenses up to limits set by the state.

Resolving Problems or Disputes: You have the right to disagree with decisions affecting your claim. If you have a disagreement, contact your employer or claims administrator first to see if you can resolve it. If you are not receiving benefits, you may be able to get State Disability Insurance (SDI) or unemployment insurance (UI) benefits. Call the state Employment Development Department at (800) 480-3287 or (866) 333-4606, or go to their website at www.edd.ca.gov.

You Can Contact an Information & Assistance (I&A) Officer: State I&A officers answer questions, help injured workers, provide forms, and help resolve problems. Some I&A officers hold workshops for injured workers. To obtain important information about the workers' compensation claims process and your rights and obligations, go to www.dwc.ca.gov or contact an I&A officer of the state Division of Workers' Compensation. You can also hear recorded information and a list of local I&A offices by calling (800) 736-7401.

You can consult with an attorney. Most attorneys offer one free consultation. If you decide to hire an attorney, his or her fee will be taken out of some of your benefits. For names of workers' compensation attorneys, call the State Bar of California at (415) 538-2120 or go to their website at www.californiaspecialist.org.

Learn More About Workers' Compensation: For more information about the workers' compensation claims process, go to www.dwc.ca.gov. At the website, you can access a useful booklet, "Workers' Compensation in California: A Guidebook for Injured Workers." You can also contact an Information & Assistance Officer (above), or hear recorded information by calling 1-800-736-7401.

因工作被替代而產生的補充性福利 (SJDB) : 如果您的受傷時間在 2004 年 1 月 1 日或之後，您所受的傷導致您永久性傷殘，且您的僱主並沒有為您提供固定工作、經調整的工作或者是備選工作，那麼您有資格申請可用於支付再培訓和/或提高個人技術所需費用的不可轉讓憑證。如果您符合申請資格，索賠管理人支付的費用最多將為州法規設置的最高費用。

工亡賠償金 : 如果員工死於工傷或職業病，僱主需要將工亡賠償金支付給死者的配偶和其他經濟上依賴死者的親屬或家庭成員。

僱主非法行為 : 僱主因您受工傷或患職業病、提交索賠申請或為他人的勞工索賠案（《勞工法》132a）作證而懲罰您或將您開除的行為是非法的。如果此類行為得到證實，您將會獲得補發的薪資、額外賠償金、複職，並獲得本州所設限額內的訴訟費用和其他開銷補償。

解決問題和爭端 : 您有權不贊成影響您索賠申請的決定。在這種情況下，您可以第一時間聯繫您的僱主或索賠管理人，以協商解決分歧。如果沒有收到賠償金，您將會收到州傷殘保險（SDI）或者失業保險（UI）機構提供的保險金。請致電（800）480-3287 或（866）333-4606，或登錄網站 www.edd.ca.gov 聯繫州就業發展局。

您可以聯繫資訊和援助 (I&A) 官員 : 州資訊和援助辦公室的官員可以解答問題、幫助受傷勞工、提供有關表格並幫助解決困難。一些資訊和援助辦公室官員為受傷勞工開辦了講習班。欲瞭解有關勞工賠償索賠申請過程和您權利義務的重要資訊，請登錄網站 www.dwc.ca.gov 或聯繫州勞工賠償資訊和援助辦公室的官員。您還可以撥打電話（800）736-7401 來瞭解資訊記錄和當地資訊和援助辦公室的資訊。

您可以諮詢律師。 大部分律師會提供一次免費諮詢。如果您決定聘請一位律師，那麼聘請律師的費用將從您的補償金中扣除。請撥打電話（415）538-2120 諮詢加州律師工會，或登錄其網站 www.californiaspecialist.org 查詢工商賠償律師的姓名。

Workers' Compensation Claim Form (DWC 1) & Notice of Potential Eligibility

근로자 산업재해 보상청구서(DWC 1) 및 잠재적 자격의 통지

If you are injured or become ill, either physically or mentally, because of your job, including injuries resulting from a workplace crime, you may be entitled to workers' compensation benefits. Use the attached form to file a workers' compensation claim with your employer. **You should read all of the information below.** Keep this sheet and all other papers for your records. You may be eligible for some or all of the benefits listed depending on the nature of your claim. If you file a claim, the claims administrator, who is responsible for handling your claim, must notify you within 14 days whether your claim is accepted or whether additional investigation is needed.

To file a claim, complete the "Employee" section of the form, keep one copy and give the rest to your employer. Do this right away to avoid problems with your claim. In some cases, benefits will not start until you inform your employer about your injury by filing a claim form. Describe your injury completely. Include every part of your body affected by the injury. If you mail the form to your employer, use first-class or certified mail. If you buy a return receipt, you will be able to prove that the claim form was mailed and when it was delivered. Within one working day after you file the claim form, your employer must complete the "Employer" section, give you a dated copy, keep one copy, and send one to the claims administrator.

Medical Care: Your claims administrator will pay for all reasonable and necessary medical care for your work injury or illness. Medical benefits are subject to approval and may include treatment by a doctor, hospital services, physical therapy, lab tests, x-rays, medicines, equipment and travel costs. Your claims administrator will pay the costs of approved medical services directly so you should never see a bill. There are limits on chiropractic, physical therapy, and other occupational therapy visits.

The Primary Treating Physician (PTP) is the doctor with the overall responsibility for treatment of your injury or illness.

- If you previously designated your personal physician or a medical group, you may see your personal physician or the medical group after you are injured.
- If your employer is using a medical provider network (MPN) or Health Care Organization (HCO), in most cases, you will be treated in the MPN or HCO unless you pre-designated your personal physician or a medical group. An MPN is a group of health care providers who provide treatment to workers injured on the job. You should receive information from your employer if you are covered by an HCO or a MPN. Contact your employer for more information.
- If your employer is not using an MPN or HCO, in most cases, the claims administrator can choose the doctor who first treats you unless you pre-designated your personal physician or a medical group.
- If your employer has not put up a poster describing your rights to workers' compensation, you may be able to be treated by your personal physician right after you are injured.

Within one working day after you file a claim form, your employer or the claims administrator must authorize up to \$10,000 in treatment for your injury, consistent with the applicable treating guidelines until the claim is accepted or rejected. If the employer or claims administrator does not authorize treatment right away, talk to your supervisor, someone else in management, or the claims administrator. Ask for treatment to be authorized right now, while waiting for a decision on your claim. If the employer or claims administrator will not authorize treatment, use your own health insurance to get medical care. Your health insurer will seek reimbursement from the claims administrator. If you do not have health insurance, there are doctors, clinics or hospitals that will treat you without immediate payment. They will seek reimbursement from the claims administrator.

Switching to a Different Doctor as Your PTP:

- If you are being treated in a Medical Provider Network (MPN), you may switch to other doctors within the MPN after the first visit.
- If you are being treated in a Health Care Organization (HCO), you may switch at least one time to another doctor within the HCO. You may switch to a doctor outside the HCO 90 or 180 days after your injury is reported to your employer (depending on whether you are covered by employer-provided health insurance).
- If you are not being treated in an MPN or HCO and did not pre-designate, you may switch to a new doctor one time during the first 30 days after your injury is reported to your employer. Contact the claims administrator to switch doctors. After 30 days, you may switch to a doctor of your choice if

귀하가 직장 범죄로 인한 재해를 포함하여 업무 때문에 신체적으로나 정신적으로 재해를 입거나 질병을 앓게 될 경우, 근로자 산업재해 보상 급여를 받을 수 있습니다. 첨부 서류를 사용하여 고용주에게 근로자 산업재해 보상청구서를 제기하십시오. **아래의 모든 내용을 읽어야 합니다.** 이 종이와 모든 서류를 잘 보관하십시오. 보상청구의 특성에 따라 나열된 급여의 일부 또는 전부를 받을 수 있습니다. 보상청구서를 제기할 경우, 귀하의 보상청구 처리를 담당하는 보상청구 관리자는 14 일 이내에 귀하에게 보상청구가 받아들여졌는지 또는 추가 조사가 필요한지 통지해야 합니다.

보상청구서를 제기하려면 양식의 "고용인" 부분을 작성하여 한 부는 보관하고 나머지는 고용주에게 제출하십시오. 이것은 보상청구에 문제가 생기지 않도록 즉시 하십시오. 어떤 경우에는, 보상청구서를 제출해 고용주에게 귀하의 재해를 알릴 때까지 급여가 시작되지 않습니다. 귀하의 재해를 완벽하게 설명하십시오. 재해로 영향을 받은 신체 부분을 포함하십시오. 신청서를 고용주에 우송할 경우, 제 1 종 또는 등기 우편을 사용하십시오. 배달 증명을 이용하면 보상청구서가 우편으로 발송되었다는 것과 배달된 날짜를 증명할 수 있습니다. 보상청구서를 제출한 후 1 근무일 이내에 고용주는 "고용인" 부분을 작성하여 귀하에게 날짜가 찍힌 사본을 주고, 사본 하나는 보관하고 사본 하나를 보상청구 관리자에게 송부해야 합니다.

치료: 보상청구 관리자는 귀하의 재해 또는 질병에 대한 모든 합리적이고 필요한 치료비를 지급할 것입니다. 의료 급여는 승인을 받아야 하며 의사의 치료, 병원 서비스, 물리 치료, 심혈관 검사, 방사선, 의약품, 장비 및 교통비를 포함할 수 있습니다. 보상청구 관리자는 승인된 의료 서비스 비용을 귀하가 볼 수 없도록 직접 지급합니다. 척추 지압, 물리 치료와 기타 작업 치료 방문에 제한이 있습니다.

주치의(PTP)는 귀하의 재해 또는 질병을 전반적으로 담당하는 의사입니다.

- 이전에 귀하의 개인 의사나 의료 집단을 지정했을 경우, 재해를 입은 후에 귀하의 개인 의사나 의료 집단을 볼 수 있습니다.
- 고용주가 의료 제공자 네트워크(MPN) 또는 의료 서비스 단체(HCO)를 사용하고 있는 경우, 대부분은 귀하가 개인 의사나 의료 집단을 지정하지 않으면 귀하는 MPN 또는 HCO 에서 치료받습니다. MPN 은 업무상 재해를 입은 근로자를 치료해 주는 의료 서비스 제공자 집단입니다. 귀하가 HCO 또는 MPN 의 보장을 받는지에 대해 고용주에게 정보를 받아야 합니다. 자세한 내용은 고용주에게 문의하십시오.
- 고용주가 MPN 또는 HCO 를 사용하지 않고 있는 경우, 귀하가 개인 의사나 의료 집단을 지정하지 않았으면 대부분은 보상청구 관리자가 우선 귀하를 치료할 의사를 선택할 수 있습니다.
- 고용주가 근로자 산업재해 보상에 대한 귀하의 권리를 설명하는 벽보를 게시하지 않은 경우, 재해를 입은 후 즉시 귀하의 개인 의사에게 치료를 받을 수 있습니다.

귀하가 보상청구서를 제출한 후 1 근무일 이내에 고용주 또는 보상청구 관리자는 보상청구가 승인되거나 거부될 때까지 해당 치료 지침에 일치하여 귀하의 재해 치료에 최대 10,000 달러를 승인해야 합니다. 고용주 또는 보상청구 관리자가 바로 승인하지 않을 경우, 상사, 경영진의 다른 사람 또는 보상청구 관리자에게 말하십시오. 즉시 치료를 승인할 것을 요청하고 귀하의 보상청구에 대한 결정을 기다리십시오. 고용주 또는 보상청구 관리자가 귀하의 치료를 승인하지 않을 경우, 개인 건강보험을 사용하여 치료를 받으십시오. 귀하의 건강보험 회사는 보상청구 관리자에게서 변제받을 것입니다. 건강보험에 들지 않은 경우, 즉시 결제를 안 해도 귀하를 치료해 줄 의사, 의원 또는 병원이 있습니다. 이들은 보상청구 관리자에게서 변제받을 것입니다.

주치의를 다른 의사로 변경:

- 의료 제공자 네트워크(MPN)에서 치료를 받는 경우, 첫 내원 후 MPN 내에서 다른 의사로 변경할 수 있습니다.
- 의료 서비스 단체(HCO)에서 치료를 받는 경우, HCO 내에서 한 번 이상 다른 의사로 변경할 수 있습니다. 귀하의 재해가 고용주에게 알려진 후 90 일 또는 180 일 이후 (고용주가 제공한 건강보험의 적용 여부에 따라) HCO 외부의 의사로 변경할 수 있습니다.
- MPN 또는 HCO 에서 치료를 받고 있지 않으며 개인 의사나 의료 집단을 사전 지정하지 않은 경우, 귀하의 재해가 고용주에게 알려진 후 첫 30 일 동안 한 번 새로운 의사로 변경할 수 있습니다. 의사를 변경하려면 보상청구 관리자에게 문의하십시오. 30 일 후에, 고용주 또는 보상청구 관리자가 MPN 을 만들거나 선택하지 않은 경우,

your employer or the claims administrator has not created or selected an MPN.

Disclosure of Medical Records: After you make a claim for workers' compensation benefits, your medical records will not have the same level of privacy that you usually expect. If you don't agree to voluntarily release medical records, a workers' compensation judge may decide what records will be released. If you request privacy, the judge may "seal" (keep private) certain medical records.

Problems with Medical Care and Medical Reports: At some point during your claim, you might disagree with your PTP about what treatment is necessary. If this happens, you can switch to other doctors as described above. If you cannot reach agreement with another doctor, the steps to take depend on whether you are receiving care in an MPN, HCO, or neither. For more information, see "Learn More About Workers' Compensation," below.

If the claims administrator denies treatment recommended by your PTP, you may request independent medical review (IMR) using the request form included with the claims administrator's written decision to deny treatment. The IMR process is similar to the group health IMR process, and takes approximately 40 (or fewer) days to arrive at a determination so that appropriate treatment can be given. Your attorney or your physician may assist you in the IMR process. IMR is not available to resolve disputes over matters other than the medical necessity of a particular treatment requested by your physician.

If you disagree with your PTP on matters other than treatment, such as the cause of your injury or how severe the injury is, you can switch to other doctors as described above. If you cannot reach agreement with another doctor, notify the claims administrator in writing as soon as possible. In some cases, you risk losing the right to challenge your PTP's opinion unless you do this promptly. If you do not have an attorney, the claims administrator must send you instructions on how to be seen by a doctor called a qualified medical evaluator (QME) to help resolve the dispute. If you have an attorney, the claims administrator may try to reach agreement with your attorney on a doctor called an agreed medical evaluator (AME). If the claims administrator disagrees with your PTP on matters other than treatment, the claims administrator can require you to be seen by a QME or AME.

Payment for Temporary Disability (Lost Wages): If you can't work while you are recovering from a job injury or illness, you may receive temporary disability payments for a limited period. These payments may change or stop when your doctor says you are able to return to work. These benefits are tax-free. Temporary disability payments are two-thirds of your average weekly pay, within minimums and maximums set by state law. Payments are not made for the first three days you are off the job unless you are hospitalized overnight or cannot work for more than 14 days.

Stay at Work or Return to Work: Being injured does not mean you must stop working. If you can continue working, you should. If not, it is important to go back to work with your current employer as soon as you are medically able. Studies show that the longer you are off work, the harder it is to get back to your original job and wages. While you are recovering, your PTP, your employer (supervisors or others in management), the claims administrator, and your attorney (if you have one) will work with you to decide how you will stay at work or return to work and what work you will do. Actively communicate with your PTP, your employer, and the claims administrator about the work you did before you were injured, your medical condition and the kinds of work you can do now, and the kinds of work that your employer could make available to you.

Payment for Permanent Disability: If a doctor says you have not recovered completely from your injury and you will always be limited in the work you can do, you may receive additional payments. The amount will depend on the type of injury, extent of impairment, your age, occupation, date of injury, and your wages before you were injured.

Supplemental Job Displacement Benefit (SJDB): If you were injured on or after 1/1/04, and your injury results in a permanent disability and your employer does not offer regular, modified, or alternative work, you may qualify for a nontransferable voucher payable for retraining and/or skill enhancement. If you qualify, the claims administrator will pay the costs up to the maximum set by state law.

Death Benefits: If the injury or illness causes death, payments may be made to a

귀하가 선택하는 의사로 변경할 수 있습니다.

의료 기록의 공개: 근로자 산업재해 보상 급여 청구를 한 후에 귀하의 의료 기록은 일반적으로 기대하는 같은 수준의 개인 정보 보호가 되지 않습니다. 귀하가 자발적으로 의료 기록을 공개하는 것에 동의하지 않는 경우, 근로자 산업재해 보상 판사는 공개할 기록을 결정할 수 있습니다. 귀하가 개인 정보 보호를 요청할 경우, 판사는 특정 의료 기록을 "밀봉"(비밀 유지)할 수 있습니다.

치료와 의료 보고서 문제: 보상청구의 어떤 시점에서, 필요한 치료에 관해 귀하는 주치의에 동의하지 않을 수 있습니다. 이런 경우, 위에 설명한 대로 다른 의사로 변경할 수 있습니다. 다른 의사와 의견 일치가 안 되는 경우, 취할 단계는 귀하가 MPN, HCO 에서 치료를 받고 있는지 아니면 양쪽 다 아닌지에 따라 달라집니다. 자세한 내용은 아래의 "근로자 산업재해 보상에 관해 더 알아보기"를 참조하십시오.

주치의가 권장한 치료를 보상청구 관리자가 거부하는 경우, 귀하는 보상청구 관리자의 치료 거부 결정서에 포함된 요청서를 이용하여 독립적 의료 심사(IMR)를 요청할 수 있습니다. IMR 과정은 집단 건강 IMR 과정과 비슷하며, 적절한 치료가 제공되도록 결정이 이루어지기까지 약 40(또는 그 이하)일이 걸립니다. 귀하의 변호사나 의사는 IMR 과정에서 귀하를 도울 수 있습니다. IMR 은 귀하의 의사가 요청한 특정 치료의 의학적 필요성 이외의 다른 문제에 대한 분쟁을 해결하는 데 이용할 수 없습니다.

귀하가 입은 재해의 원인 또는 재해가 얼마나 중증인지 등 치료 이외의 문제에 대해 주치의에 동의하지 않은 경우, 귀하는 위에 설명한 대로 다른 의사로 변경할 수 있습니다. 다른 의사와 의견 일치가 안 되는 경우, 가능한 한 빨리 보상청구 관리자에게 서면으로 통지하십시오. 어떤 경우에는, 이것을 신속히 하지 않으면 주치의의 소견에 이의를 제기하는 권리를 잃을 위험이 있습니다. 변호사가 없는 경우, 보상청구 관리자는 귀하에게 분쟁 해결에 도움이 되는 유자격 의료 평가자(QME)라고 하는 의사의 진찰을 받는 방법에 대한 설명을 보내야 합니다. 변호사를 선임한 경우, 보상청구 관리자는 변호사와 합의된 의료 평가자(AME)라고 하는 의사에 대해 합의할 수 있습니다. 치료 이외의 문제에 대해 주치의에 동의하지 않은 경우, 보상청구 관리자는 귀하에게 QME 또는 AME 에게 진찰받을 것을 요구할 수 있습니다.

한시 장애(손실 임금) 지급: 업무상 재해 또는 질병에서 회복하는 동안 일을 할 수 없는 경우, 제한된 기간 동안 한시 장애 지급금을 받을 수 있습니다. 이러한 지급금은 귀하가 직장으로 복귀할 수 있다고 담당자가 말할 때 변경 또는 중지됩니다. 이러한 급여는 비과세입니다. 한시 장애 지급금은 캘리포니아 주법이 정한 최소 비율 및 최대 비율 내에서 귀하가 받는 평균 주급의 3분의 2입니다. 지급금은 귀하가 병원에 밤새 입원하지 않거나 14 일 이상 일할 수 없지 않은 한 근무하지 않은 첫 3 일 동안은 지급되지 않습니다.

직장 복귀: 재해를 입은 것이 일을 중지해야 한다는 것을 의미하는 것은 아닙니다. 계속 일할 수 있으면, 그렇게 해야 합니다. 그렇지 않을 경우, 의학적으로 할 수 있을 때 현재의 고용주에게 복귀해 일하는 것이 중요합니다. 연구에 의하면 일에서 오래 떨어져 있을수록 원래의 일과 임금으로 복귀하는 것이 더 힘든 것으로 나타났습니다. 귀하가 회복하는 동안 귀하의 주치의, 고용주(감독자 또는 경영진의 다른 사람), 보상청구 관리자와 변호사(있는 경우)는 귀하가 직장에 복귀할 것인지 그리고 어떤 일을 할 것인지 결정할 것입니다. 귀하가 재해를 입기 전에 하던 일, 귀하의 의학적 상태와 귀하가 지금 할 수 있는 일의 종류 그리고 고용주가 귀하에게 제공할 수 있는 일의 종류에 관해 주치의, 고용주, 보상청구 관리자와 적극적으로 소통하십시오.

영구 장애 지급: 귀하가 재해 또는 질병에서 완전히 회복되지 않았으며 귀하가 할 수 있는 일에 항상 제한을 받을 것이라고 의사가 말하면 추가로 지급금을 받을 수 있습니다. 금액은 재해 유형, 손상 정도, 나이, 직업, 재해 입은 날짜와 재해를 입기 전 임금에 따라 달라집니다.

보충 해직 급여(SJDB): 2004 년 1 월 1 일 이후에 재해를 입고 재해로 인해 영구 장애가 발생하였고, 고용주가 정기적인 수정된 또는 대체적인 일을 제공하지 않을 경우, 귀하는 재교육 및/또는 기술 향상을 위해 지급 가능한 양도능력 배우처를 받을 자격이 있습니다. 자격이 있는 경우, 보상 소송 관리자는 캘리포니아 주법으로 정한 비용을 최대로 지급할 것입니다.

DIVISION OF WORKERS' COMPENSATION

FACTSHEET

What is workers' compensation?

If you get hurt on the job, your employer is required by law to pay for workers' compensation benefits. You could get hurt by:

One event at work. Examples: hurting your back in a fall, getting burned by a chemical that splashes on your skin, getting hurt in a car accident while making deliveries.

—or—

Repeated exposures at work. Examples: hurting your wrist from doing the same motion over and over, losing your hearing because of constant loud noise.

What are the benefits?

- **Medical care:** Paid for by your employer, to help you recover from an injury or illness caused by work.
- **Temporary disability benefits:** Payments if you lose wages because your injury prevents you from doing your usual job while recovering.
- **Permanent disability benefits:** Payments if you don't recover completely.
- **Supplemental job displacement benefits** (if your date of injury is in 2004 or later): Vouchers to help pay for retraining or skill enhancement if you don't recover completely and don't return to work for your employer.
- **Death benefits:** Payments to your spouse, children or other dependents if you die from a job injury or illness.

What should I do if I have a job injury?

Report the injury to your employer

Tell your supervisor right away. If your injury or illness developed gradually (like tendinitis or hearing loss), report it as soon as you learn or believe it was caused by your job.

Minimizing the impact of work-related injuries and illnesses

Helping resolve disputes over workers' compensation benefits

Monitoring the administration of claims

Get emergency treatment if needed

If it's a medical emergency, go to an emergency room right away. Your employer may tell you where to go for treatment. Tell the health care provider who treats you that your injury or illness is job-related.

Fill out a claim form and give it to your employer

Your employer must give or mail you a claim form (DWC 1) within one working day after learning about your injury or illness. Use it to request workers' compensation benefits.

Get good medical care

Get good medical care to help you recover. You should be treated by a doctor who understands your particular type of injury or illness. Tell the doctor about your symptoms and the events at work that you believe caused them. Also describe your job and your work environment.

I'm afraid I might be fired because of my injury. Can my employer fire me?

It's illegal for your employer to punish or fire you for having a job injury, or for filing a workers' compensation claim when you believe your injury was caused by your job.

If you feel your job is threatened, find someone who can help. Note that there are deadlines for taking action to protect your rights.

The California Division of Workers' Compensation (DWC) is the state agency that oversees the delivery of benefits for injured workers and helps resolve disputes over benefits between injured workers and employers.

DWC information and assistance (I & A) officers can help you navigate the workers' compensation system, and can provide claim forms or other forms you need to receive benefits.

Si usted se lesiona en el trabajo, su empleador está obligado por ley a pagarle los beneficios de compensación de trabajadores. Usted podría lesionarse por:

Un incidente en el trabajo. Ejemplos: lastimarse la espalda al caerse, quemarse con un producto químico que le salpica la piel, lesionarse en un accidente automovilístico mientras hace entregas.

-O-

Exposiciones repetidas en el trabajo. Ejemplos: lastimarse la muñeca por hacer movimientos repetitivos, perder la audición debido a la presencia de ruidos fuertes y constantes.

¿Cuáles son los beneficios?

- **Atención médica:** Pagada por su empleador, para ayudarle a recuperarse de una lesión o enfermedad causada por el trabajo.
- **Beneficios por incapacidad temporal:** Pagos que usted recibe por los salarios perdidos si su lesión le impide hacer su trabajo habitual mientras se recupera.
- **Beneficios por incapacidad permanente:** Pagos que usted recibe si no se recupera completamente.
- **Beneficios suplementarios por la pérdida de trabajo** (si usted se lesionó durante o después del año 2004): Vales que ayudan a cubrir el costo de capacitación o desarrollo de habilidades en caso de que usted no se recupere por completo y no regrese a trabajar para su empleador.

¿Qué debo hacer si me lesiono en el trabajo?

Reduce al mínimo el impacto de las lesiones y enfermedades relacionadas con el trabajo

Ayuda a resolver las disputas sobre los beneficios de compensación de trabajadores

Supervisa la administración de los reclamos

Reciba atención de emergencia si es necesario

Si se trata de una emergencia médica, vaya a una sala de emergencias inmediatamente. Su empleador puede indicarle a qué centro médico dirigirse. Informe al proveedor de atención médica que le atienda que su enfermedad o lesión está relacionada con su trabajo.

Llene un formulario de reclamo y entrégueselo a su empleador

Su empleador debe darle o enviarle por correo un formulario de reclamo (DWC 1) dentro del plazo de un día laboral a partir del momento en que se le notifica de su lesión o enfermedad. Utilícelo para solicitar los beneficios de compensación de trabajadores.

Reciba una buena atención médica

Reciba una buena atención médica para ayudarle a recuperarse. Debe ser atendido por un médico que comprenda su lesión o enfermedad específica. Explíquelo al médico sus síntomas y las circunstancias laborales que usted cree causaron la lesión o enfermedad. Describa también su trabajo y su ambiente de trabajo.

Tengo miedo de que me despidan por mi lesión. ¿Puede despedirme mi empleador?

Es ilegal que un empleador lo sancione o lo despidan por lesionarse o por presentar un reclamo de compensación de trabajadores cuando usted considera que la lesión fue causada por su trabajo.

Si usted cree que su empleo está en riesgo, recurra a alguien que pueda ayudarlo. Tenga en cuenta que existen plazos para tomar medidas a fin de proteger sus derechos.

La División de Compensación de Trabajadores de California (DWC- Division of Workers' Compensation) es el organismo estatal que supervisa el otorgamiento de beneficios a trabajadores que han sufrido lesiones, y ayuda a resolver disputas sobre beneficios entre los trabajadores lesionados y sus empleadores.

Division of Workers' Compensation

Factsheet

Ano ang kabayaran para sa pagkapinsala ng manggagawa sa trabaho (worker's compensation)?

Kung ikaw ay napinsala sa trabaho, ang iyong pinagtatrabahuhan ay inuutusan ng batas na magbayad para sa mga benepisyong kabayaran para sa pagkapinsala ng manggagawa sa trabaho. Maaari kang masaktan sa:

Isang kaganapan sa trabaho. Mga Halimbawa: pinsala sa iyong likod dahil sa pagkahulog, pagkasunog dahil sa kemikal na tumalsik sa iyong balat, pinsala dahil sa isang aksidente sa sasakyan habang naghahatid ng mga produkto.

—o—

Paulit-ulit na pagkakalantad sa trabaho. Mga halimbawa: pinsala sa iyong pulsuhan dulot ng paulit-ulit na parehong paggalaw nito, pagkapinsala sa iyong pandinig dahil sa palagiang malakas na ingay.

Anu-ano ang mga benepisyo?

- **Medikal na pangangalaga:** Binayaran ng iyong pinagtatrabahuhan, para tulungan ka sa iyong paggaling mula sa isang pinsala o karamdaman na dulot ng trabaho.
- **Mga benepisyo sa pansamantalang pagkapinsala:** Kabayaran kapag nawalan ka ng sahod dahil sa iyong pinsala na humahadlang sa iyong gawin ang iyong karaniwang trabaho habang nagpapagaling.
- **Mga benepisyo sa permanenteng pagkapinsala:** Mga kabayaran kung hindi ka ganap na gumaling.
- **Mga karagdagang benepisyo sa pagbago ng trabaho** (supplemental job displacement benefit) (kung ang petsa ng iyong pinsala ay noong 2004 o mas matagal pa): Ang mga vouchers ay makakatulong sa pagbayad para sa muling pagsasanay o pagpapahusay ng kakayahan kung hindi ka tuluyang gagaling at hindi na makakabalik sa trabaho sa iyong pinagtatrabahuhan.
- **Mga benepisyo sa pagkamatay:** Ang mga kabayarn sa iyong asawa, mga anak o mga iba pang nakadepende sa iyon kung mamamatay ka dahil sa pinsala o karamdaman dahil sa trabaho.

Ano ang kailangan kong gawin kung napinsala ako sa trabaho?

Ipagbigay-alam ang pinsala sa iyong pinagtatrabahuhan

Sabihin kaagad sa iyong superbisor. Kung ang iyong pinsala o karamdaman ay natamo nang dahan-dahan (tulad ng tendinitis o pagkapinsala ng pandinig), ireport sa lalong madaling panahon kung iyong nalaman o naniniwalang ito ay dulot ng iyong trabaho.

Kuha ni Robert Gumpoert

Nagbabawas ng epekto ng mga pinsala at karamdaman na may kaugnayan sa trabaho

Tumutulong sa paglutas ng mga di pagkakaunawaan sa mga benepisyo ng kabayaran sa pangkapinsala sa trabaho ng manggagawa

Sumusubaybay sa mga pangangasiwa ng mga paghahabol

Humingi ng pang-emergency na paggamot kung kinakailangan

Kung ito ay isang medikal na emergency, pumunta kaagad sa emergency room. Maaaring papayuhan ka ng iyong pinagtatrabahun kung saan ka pupunta para magamot. Sabihin sa tagapagdulot ng pangangalagang pangkalusugan na gagamot sa iyo na ang iyong pinsala o karamdaman ay may kaugnayan sa trabaho.

Sagutan ang form ng paghahabol at ibigay ito sa iyong pinagtatrabahuhan Dapat na bigyan o padalhan ka ng form ng paghahabol (claim form) sa loob ng isang araw ng trabaho pagtapos nitong malaman ang tungkol sa iyong pinsala o karamdaman. Gamitin ito para humiling ng mga benepisyo sa pagkakapinsala sa trabaho.

Humingi ng mabuting medikal na pangangalaga

Humingi ng mabuting medikal na pangangalaga para matulungan kang gumaling. Kailangan kang magamot ng isang doktor na nakakaunawa ng iyong partikular na uri ng pinsala o karamdaman. Sabihin sa doktor ang tungkol sa iyong mga sintomas at mga kaganapan sa trabaho na pinaniniwalaan mong naging sanhi nito. Ilawaran rin ang iyong trabaho at inyong paligid sa trabaho.

Natatakot akong baka tanggalin ako sa trabaho dahil sa aking pinsala. Matatatanggal ba ako ng aking pinagtatrabahuhan?

Iligal para sa iyong pinagtatrabahuhan na parusahan o tanggalin ka sa trabaho para sa pagkakaroon ng pinsala na dulot ng trabaho, o sa pagsampa ng paghahabol ng mga benepisyo sa pagkapinsala sa trabaho ng manggagawa kung naniniwala kang ang iyong pinsala ay dulot ng iyong trabaho.

Kung sa pakiramdam mo ay nanganganib ang iyong trabaho, humanap ng isang taong makakatulong. Alalahaning may mga deadline para sa pagkilos para maprotektahan ang iyong mga karapatan.

Ang California Division of Workers' Compensation (DWC) ay isang ahensiya ng estado na nagbabantay sa pagdulot ng mga benepisyo para sa mga napinsalang manggagawa at tumutulong sa paglutas ng mga di pagkakaunawaan sa mga benepisyo na namamagitan sa napinsalang manggagawa at mga pinagtatrabahuhan.

Ang mga opisyal sa impormasyon at tulong ng DWC (I & A) ay makakatulong sa iyong siyasatin ang sistema sa kabayaran sa pagkakapinsala sa trabaho ng manggagawa, at makakapagbigay ng mga form sa paghahabol o mga iba pang form na kakailanganin mo para makatanggap ng mga benepisyo.

Ban Bồi Thường Tai Nạn Lao Động

Bảng thông tin

Bồi thường tai nạn lao động là gì?

Nếu bạn bị thương khi làm việc, luật pháp quy định chủ lao động của bạn phải trả quyền lợi bồi thường tai nạn lao động. Bạn có thể bị thương bởi:

Một biến cố trong công việc. Ví dụ: bị thương ở lưng vì té ngã, bị thương do hóa chất bắn vào da, bị thương trong tai nạn giao thông khi đi giao hàng.

—hoặc—

Thực hiện thao tác lặp đi lặp lại khi làm việc. Ví dụ: bị thương ở cổ tay do thực hiện cùng một thao tác lặp đi lặp lại, mất thính lực vì tiếng ồn lớn thường xuyên.

Những quyền lợi này là gì?

- **Chăm sóc y tế:** Do chủ lao động của bạn chi trả, để giúp bạn phục hồi sau khi bị thương hoặc bị bệnh do công việc.
- **Các quyền lợi bảo hiểm thương tật tạm thời:** Thanh toán nếu bạn bị mất tiền lương vì bị thương không thể thực hiện công việc bình thường trong thời gian phục hồi.
- **Các quyền lợi bảo hiểm thương tật dài hạn:** Thanh toán nếu bạn không hồi phục hoàn toàn.
- **Các quyền lợi bảo hiểm thay đổi việc làm bổ sung** (nếu bạn bị thương vào năm 2004 trở đi): Voucher giúp thanh toán chi phí đào tạo lại hoặc nâng cao tay nghề nếu bạn không hồi phục hoàn toàn và không đi làm lại cho chủ lao động của bạn.
- **Quyền lợi bảo hiểm nhân thọ:** Thanh toán cho vợ/chồng, các con hoặc những người phụ thuộc khác của bạn nếu bạn qua đời vì bị thương hoặc bị bệnh khi làm việc.

Tôi phải làm gì nếu tôi bị thương khi làm việc?

Báo cáo trường hợp bị thương cho chủ lao động của bạn

Thông báo cho cấp trên của bạn ngay lập tức. Nếu bạn bị thương hoặc bị bệnh tiến triển từ từ (như viêm gân hoặc mất thính lực), hãy báo cáo ngay khi bạn biết hoặc cho là do công việc của bạn.

Giảm thiểu tác động của các trường hợp bị thương và bị bệnh liên quan đến công việc

Giúp giải quyết các bất đồng về quyền lợi bồi thường tai nạn lao động

Giám sát việc quản lý yêu cầu bồi thường bảo hiểm

Nhận sự điều trị cấp cứu nếu cần

Nếu là trường hợp cấp cứu, hãy đến phòng cấp cứu ngay lập tức. Chủ lao động của bạn có thể cho bạn biết phải đến đâu để được điều trị. Thông báo cho nhà cung cấp dịch vụ chăm sóc sức khỏe điều trị cho bạn biết rằng bạn bị thương hoặc bị bệnh liên quan đến công việc.

Điều vào mẫu đơn yêu cầu bồi thường bảo hiểm và cung cấp cho chủ lao động của bạn

Chủ lao động của bạn phải cung cấp hoặc gửi cho bạn một mẫu đơn yêu cầu bồi thường bảo hiểm (DWC 1) trong vòng một ngày làm việc sau khi biết bạn bị thương hoặc bị bệnh. Sử dụng mẫu đơn này để yêu cầu quyền lợi bồi thường tai nạn lao động.

Nhận sự chăm sóc y tế hiệu quả

Nhận sự chăm sóc y tế hiệu quả để giúp bạn hồi phục. Bạn nên được điều trị bởi bác sĩ hiệu được dạng thương tật hay bệnh tật cụ thể của bạn. Cho bác sĩ biết các triệu chứng của bạn và các biến cố khi làm việc mà bạn cho rằng gây ra các triệu chứng đó. Ngoài ra, hãy mô tả công việc và môi trường làm việc của bạn.

Tôi sợ bị sa thải vì tôi bị thương. Chủ lao động của tôi có thể sa thải tôi hay không?

Sẽ là phi pháp nếu chủ lao động của bạn trừng phạt hay sa thải bạn vì bạn bị thương khi làm việc, hoặc vì nộp yêu cầu bồi thường tai nạn lao động khi bạn cho rằng bạn bị thương là do công việc của bạn.

Nếu bạn thấy công việc của mình bị đe dọa, hãy tìm người có thể giúp đỡ. Lưu ý rằng có những thời hạn để có hành động bảo vệ các quyền của bạn.

Ban Bồi Thường Tai Nạn Lao Động (Division of Workers' Compensation, DWC) California là cơ quan tiểu bang giám sát việc cung cấp quyền lợi cho người lao động bị thương và giúp giải quyết các bất đồng về quyền lợi bảo hiểm giữa người lao động bị thương và chủ lao động.

Các viên chức phòng thông tin và hỗ trợ (I & A) của DWC có thể giúp bạn định hướng trong hệ thống bồi thường tai nạn lao động, và có thể cung cấp các mẫu đơn yêu cầu bồi thường bảo hiểm hoặc các mẫu đơn khác mà bạn cần để nhận quyền lợi.

Information For New Policyholders Regarding The California MPN

The California Medical Provider Network (MPN) requires, with some exceptions, employees to receive all treatment related to a work related injury or illness within this network for the life of the claim. The BHHC network is comprised of selected Blue Cross of California physicians and facilities, as well as Kaiser On-The-Job locations. Effective 8/27/14, the following changes were made regarding the MPN requirements for new policyholders:

- The complete MPN Employee Notification can be provided to an injured employee at the time of injury. This is not a requirement, as BHHC will send all required MPN notices at the time a claim is reported. IF the employee is Spanishspeaking, the notice must be provided in both English and Spanish.
- MPN Posting Notices are no longer required.
- MPN Implementation Notices to all employees are no longer required.

Please note that this information is also available on our website bhhc.com. There is a section dedicated to our MPN which can be accessed by clicking 'Workers Compensation' and then 'CA Workers Comp' in the main menu.

If you would like to see the closest Kaiser-On-The-Job location from you, go to business.kaiserpermanente.org/kp-difference/locate-services/california.

COMPLETE MPN EMPLOYEE NOTIFICATION

Important Information about Medical Care if You Have a Work-Related Injury or Illness

Complete Written Employee Notification RE: Berkshire Hathaway Homestate Companies Medical Provider Network (“MPN”)

(Title 8, California Code of Regulations, section 9767.12)

California law requires your employer to provide and pay for medical treatment if you are injured at work. Your employer has chosen to provide this medical care by using a Workers' Compensation physician network called a Medical Provider Network (MPN). This MPN is administered by Berkshire Hathaway Homestate Companies.

This notification tells you what you need to know about the MPN program and describes your rights in choosing medical care for work-related injuries and illnesses.

- **What happens if I get injured at work?**

In case of an emergency, you should call 911 or go to the closest emergency room.

If you are injured at work, notify your employer as soon as possible. Your employer will provide you with a claim form. When you notify your employer that you have had a work-related injury, your employer or insurer will make an initial appointment with a doctor in the MPN.

- **What is an MPN?**

A Medical Provider Network (MPN) is a group of health care providers (physicians and other medical providers) used by your Employer to treat workers injured on the job. MPNs must allow employees to have a choice of provider(s). Each MPN must include a mix of doctors specializing in work-related injuries and doctors with expertise in general areas of medicine.

- **What MPN is used by my employer?**

Your employer is using the Berkshire Hathaway Homestate Companies MPN with the identification number 0145. You must refer to the MPN name and the MPN identification number whenever you have questions or requests about the MPN.

- **Who can I contact if I have questions about my MPN?**

The contact listed in this notification will be able to answer your questions about the use of the MPN and will address any complaints regarding the MPN.

The contact for your MPN is:

Name: MPN Coordinator
Telephone Number: (888) 495-8949

You can get a regional list of all MPN providers in your area by calling the Medical Access Assistant or by going to our website at: <https://www.bhhc.com>; click on "Workers Compensation", "CA Medical Provider Network", "Click here to find a CA Medical Provider". You can navigate to the provider finder directly by accessing <https://www.talispoint.com/bhhc/campn>. The regional list must include:

- A list of all MPN Providers within 15 miles of where you work or live.
- A list of all MPN providers within the county where you live and/or work.

You may choose which list you wish to receive. You also have the right to obtain a list of all the MPN providers upon request.

You can access the roster of all treating physicians in the MPN by going to the website at: <https://www.bhhc.com>; click on "Workers Compensation", "CA Medical Provider Network", "Click here to find a CA Medical Provider", select "Roster of CA MPN Treating Physicians". You can navigate to the provider finder directly by accessing <https://www.talispoint.com/bhhc/campn>.

- **How do I choose a provider?**

Your employer or the insurer for your employer will arrange the initial medical evaluation with a MPN physician. After the first medical visit, you may continue to be treated by that doctor, or you may choose another doctor from the MPN. You may continue to choose doctors within the MPN for all of your medical care for this injury.

If appropriate, you may choose a specialist or ask your treating doctor for a referral to a specialist. Some specialists will only accept appointments with a referral from the treating doctor. Such specialist might be listed as "by referral only" in your MPN directory. If you need help in finding a doctor or scheduling a medical appointment, you may call the Medical Access Assistant.

- **Can I change providers?**

Yes. You can change providers within the MPN for any reason, but the providers you choose should be appropriate to treat your injury. Contact your Claims Professional or the Medical Access Assistant if you want to change your treating physician.

- **What standards does the MPN have to meet?**

The MPN has providers throughout California.

The MPN must give you access to a regional list of providers that includes at least three physicians in each specialty commonly used to treat work injuries/illnesses in your industry. The MPN must provide access to primary treating physicians within 30 minutes or 15 miles and specialists within 60 minutes or 30 miles of where you work or live. If you live in a rural area or an area where there is a health care shortage, there may be a different standard.

After you have notified your employer of your injury, the MPN must provide initial treatment within 3 business days. If treatment with a specialist has been authorized, the appointment with the specialist must be provided to you within 20 business days of your request.

If you have trouble getting an appointment with a provider in the MPN, contact the Medical Access Assistant.

If there are no MPN providers in the appropriate specialty available to treat your injury within the distance and timeframe requirements, then you will be allowed to seek the necessary treatment outside of the MPN. If you are having difficulty scheduling appointments, please contact the Medical Access Assistant.

- **What if there are no MPN providers where I am located?**

If you are a current employee living in a rural area or temporarily working or living outside the MPN service area, or you are a former employee permanently living outside the MPN service area, the MPN or your treating doctor will give you a list of at least three physicians who can treat you. The MPN may also allow you to choose your own doctor outside of the MPN network. Contact your Claims Professional or the Medical Access Assistant for assistance in finding a physician or for additional information.

- **What if I need a specialist that is not available in the MPN?**

If a type of specialist is needed that is not available within the MPN, you can treat with a specialist outside of the MPN. Your primary treating physician will usually refer you to the appropriate specialist. If not, your Claims Professional can help you find the appropriate specialist. Once you have identified the appropriate specialist outside of the network, schedule an appointment. Make sure your primary treating physician and Claims Professional know about the appointment and the specialist's name, address, and phone number. Your MPN physician, who is your primary treating physician, will continue to direct your medical treatment.

- **What if I disagree with my doctor about medical treatment?**

If you disagree with your doctor or wish to change your doctor for any reason, you may choose another doctor within the MPN.

If you disagree with either the diagnosis or treatment prescribed by your doctor, you may ask for a second opinion from another doctor within the MPN. In order to obtain a second opinion you have the following responsibilities:

- Inform your Claims Professional by phone or in writing of the dispute regarding the diagnosis or treatment.

- Select a physician or specialist from a regional list of MPN providers which will be provided to you by your Claims Professional upon your request for a second opinion.
- Make an appointment with the second opinion physician within 60 days.
- Inform your Claims Professional of the appointment date and time.
- You have the right to request a copy of the medical records sent to the second opinion physician.
- If you do not make an appointment within 60 days of receiving the regional provider list, you will not be allowed to have a second or third opinion with regard to this disputed diagnosis or treatment of this treating physician.

If the second opinion physician decides that your injury is outside of the type of injury he or she normally treats, the physician will notify you and your employer or insurer. You will get another list of MPN providers so you can make another selection.

If you disagree with the second opinion, you may ask for a third opinion. If you request a third opinion, you will go through the same process you went through for the second opinion. Remember that if you do not make an appointment within 60 days of obtaining another MPN provider list, then you will not be allowed to have a third opinion with regard to this disputed diagnosis or treatment of this treating physician.

If you disagree with the third-opinion doctor, you may ask for an MPN Independent Medical Review (IMR). Your Claims Professional will give you information on requesting an Independent Medical Review and a form at the time you select a third-opinion physician. If either the second or third-opinion doctor or Independent Medical Reviewer agrees with your need for a treatment or test, you may be allowed to receive that medical service from a provider within the MPN or if the MPN does not contain a physician who can provide the recommended treatment, you may choose a physician outside the MPN within a reasonable geographic area.

- **What if I am already being treated for a work-related injury before the MPN begins?**

Your insurer has a “*Transfer of Care*” policy which will determine if you can continue being temporarily treated for an existing work-related injury by a physician outside of the MPN before your care is transferred into the MPN.

If your current doctor is not or does not become a member of the MPN, then you may be required to see a MPN physician. However, if you have properly predesignated a primary treating physician, you cannot be transferred into the MPN. (If you have questions about predesignation, ask your supervisor.)

If your employer decides to transfer you into the MPN, you and your primary treating physician must receive a letter notifying you of the transfer.

If you meet certain conditions, you may qualify to continue treating with a non-MPN physician for up to a year before you are transferred into the MPN. The qualifying conditions to postpone the transfer of your care into the MPN are set forth in the box below.

Can I Continue Being Treated By My Doctor?

You may qualify for continuing treatment with your non-MPN provider (through transfer of care or continuity of care) for up to a year if your injury or illness meets any of the following conditions:

- **(Acute)** The treatment for your injury or illness will be completed in less than 90 days;
- **(Serious or Chronic)** Your injury or illness is one that is serious and continues for at least 90 days without full cure or worsens and requires ongoing treatment. You may be allowed to be treated by your current treating doctor for up to one year, until a safe transfer of care can be made.
- **(Terminal)** You have an incurable illness or irreversible condition that is likely to cause death within one year or less.
- **(Pending Surgery)** You already have a surgery or other procedure that has been authorized by your employer or insurer that will occur within 180 days of the MPN effective date, or the termination of contract date between the MPN and your doctor.

You can disagree with your employer's decision to transfer your care into the MPN. If you don't want to be transferred into the MPN, ask your primary treating physician for a medical report on whether you have one of the four conditions stated above to qualify for a postponement of your transfer into the MPN.

Your primary treating physician has 20 days from the date of your request to give you a copy of his/her report on your condition. If your primary treating physician does not give you the report within 20 days of your request, the employer can transfer your care into the MPN and you will be required to use an MPN physician.

You will need to give a copy of the report to your employer if you wish to postpone the transfer of your care. If you or your employer disagrees with your doctor's report on your condition, you or your employer can dispute it. See the complete Transfer of Care policy for more details on the dispute resolution process.

For a copy of the Transfer of Care policy, ask your Claims Professional or call the Medical Access Assistance line at (855) 924-4272. A copy of the policy is available in Spanish upon request.

- **What if I am being treated by a MPN doctor who decides to leave the MPN?**

Your insurer has a written "*Continuity of Care*" policy that will determine whether you can temporarily continue treatment for an existing work injury with your doctor if your doctor is no longer participating in the MPN.

If your employer decides that you do not qualify to continue your care with the non-MPN provider, you and your primary treating physician must receive a letter notifying you of this decision.

If you meet certain conditions, you may qualify to continue treating with this doctor for up to a year before you must choose a MPN physician. These conditions are set forth in the "***Can I Continue Being Treated By My Doctor?***" box above.

You can disagree with your employer's decision to deny you Continuity of Care with the terminated MPN provider. If you want to continue treating with the terminated doctor, ask your primary treating physician for a medical report on whether you have one of the four

conditions stated in the box above to see if you qualify to continue treating with your current doctor temporarily.

Your primary treating physician has 20 days from the date of your request to give you a copy of his/her medical report on your condition. If your primary treating physician does not give you the report within 20 days of your request, your employer's decision to deny you Continuity of Care with your doctor who is no longer participating in the MPN will apply, and you will be required to choose a MPN physician.

You will need to give a copy of the report to your employer if you wish to postpone the transfer of your care. If you or your employer disagrees with your doctor's report on your condition, you or your employer can dispute it. See the complete Continuity of Care policy for more details on the dispute resolution process.

For a copy of the Continuity of Care policy, ask your Claims Professional or call the Medical Access Assistance line at (855) 924-4272. A copy of the policy is available in Spanish upon request.

Su empleador ha elegido brindarle dicha atención médica mediante una red de médicos de Indemnización Laboral denominada Red de Proveedores Médicos (MPN, por sus siglas en Inglés). Berkshire Hathaway Homestate Companies administra esta MPN. En caso de una emergencia, debe llamar al 911 o ir a la sala de emergencias más cercana.

Si se lesiona en el trabajo, notifique a su empleador lo antes posible. Su empleador le proporcionará un formulario de reclamación. Cuando le notifique a su empleador que ha sufrido una lesión relacionada con el trabajo, su empleador o asegurador solicitará la cita inicial con un médico de la MPN.

- **¿Qué es una MPN?**

Una Red de Proveedores Médicos (MPN) es un grupo de proveedores de atención médica (médicos y otros proveedores de servicios médicos) utilizados por su Empleador para tratar a los trabajadores lesionados en el trabajo. Las MPN deben permitir que los empleados tengan una selección de proveedores. Cada MPN debe incluir una combinación de médicos especializados en lesiones relacionadas con el trabajo y médicos con experiencia en áreas generales de medicina.

- **¿Qué MPN utiliza mi empleador?**

Su empleador está utilizando la MPN de Berkshire Hathaway Homestate Companies, con el número de identificación 0145. Debe hacer referencia al nombre de la MPN y al número de identificación de la MPN cada vez que tenga preguntas o peticiones sobre la MPN.

- Una lista de todos los proveedores de la MPN dentro del condado donde usted vive o trabaja.

Usted puede elegir qué lista desea recibir. Usted también tiene el derecho de obtener una lista de todos los proveedores de la MPM si la solicita.

Puede acceder a la lista de todos los médicos tratantes en la MPN en la página web en:

<https://www.bhhc.com>; haga clic en "Indemnización Laboral", "Red de Proveedores Médicos de California", "Haga clic aquí para encontrar un Proveedor Médico de CA", seleccione "Lista de Médicos de Tratamiento MPN de la CA". Puede acceder al buscador de proveedores directamente accediendo a <https://www.talispoint.com/bhhc/campn>.

- **¿Cómo elijo un proveedor?**

Su empleador o la aseguradora de su empleador programarán la evaluación médica inicial con un médico de la MPN. Después de la primera visita médica, lo puede seguir tratando ese médico, o puede elegir otro médico de la MPN. Puede continuar eligiendo médicos dentro de la MPN para todos los cuidados médicos para esta lesión.

Si corresponde, podrá optar por un especialista o pedirle a su doctor que lo derive a un especialista. Algunos especialistas sólo aceptarán citas con una derivación del médico que lo trata. Tal especialista puede estar catalogado como “sólo por derivación” en el directorio de la MPN.

Si necesita ayuda para encontrar un médico o programar una cita médica, puede llamar al Asistente de Acceso Médico.

- **¿Puedo cambiar de proveedores?**

Sí. Puede cambiar de proveedores dentro de la MPN por cualquier motivo, pero los proveedores que elija deben ser adecuados para tratar su lesión. Comuníquese con su Profesional de Reclamaciones o con el Asistente de Acceso Médico si desea cambiar su médico tratante.

- **¿Qué normas debe cumplir la MPN?**

La MPN tiene proveedores en toda California.

La MPN tiene que darle acceso a una lista regional de proveedores que incluya por lo menos tres médicos de cada especialidad que se utilice comúnmente para tratar lesiones / enfermedades laborales en su industria. La MPN debe proporcionar acceso a médicos de tratamiento primario a menos de 30 minutos o 15 millas y, acceso a especialistas a menos de 60 minutos o 30 millas de donde usted vive o trabaja. Si usted vive en una zona rural o en una zona donde hay escasez de atención médica, puede haber un estándar diferente.

Después de haber notificado a su empleador de su lesión, la MPN debe proporcionar un tratamiento inicial en un plazo de 3 días hábiles. Si se ha autorizado el tratamiento con un especialista, la cita con el especialista se debe proporcionar en un plazo de 20 días hábiles desde la presentación de su solicitud.

Si tiene problemas para conseguir una cita con un proveedor dentro de la MPN, comuníquese con el Asistente de Acceso Médico.

Si no hay proveedores de la MPN disponibles en la especialidad adecuada para tratar su lesión dentro de los requisitos de distancia y tiempo, entonces se le permitirá buscar el tratamiento necesario fuera de la MPN. Si usted está teniendo dificultades para programar citas, por favor, comuníquese con el Asistente de Acceso Médico.

- **¿Qué ocurre si no hay proveedores de la MPN donde me encuentro?**

Si usted es un empleado que vive en un área rural o que trabaja o vive temporalmente fuera del área de servicio de la MPN, o es un ex empleado que vive de manera permanente fuera del

área de servicio de la MPN, la MPN o su médico tratante le dará una lista de al menos tres médicos que puedan tratarlo. También es posible que se le permita elegir su propio médico fuera de la red MPN. Comuníquese con su Profesional de Reclamaciones o con el Asistente de Acceso Médico para que le ayude a buscar un médico o para obtener información adicional.

- **¿Y si necesito un especialista que no está disponible en la MPN?**

Si necesita un tipo de especialista que no está disponible dentro de la MPN, se puede tratar con un especialista fuera de la MPN. Su médico de atención primaria por lo general lo derivará al especialista adecuado. De lo contrario, su Profesional de Reclamaciones puede ayudarlo a encontrar el especialista adecuado. Una vez que haya encontrado al especialista adecuado fuera de la red, programe una cita. Asegúrese de que su médico de atención primaria y el Profesional de Reclamaciones sepan acerca de la cita y el nombre del especialista, la dirección y el número de teléfono. Su médico de la MPN, que es su médico de atención primaria, seguirá estando a cargo de su tratamiento médico.

- **¿Qué ocurre si no estoy de acuerdo con mi médico sobre el tratamiento médico?**

Si no está de acuerdo con su médico o desea cambiar de médico por cualquier razón, usted puede elegir otro médico dentro de la MPN.

Si está en desacuerdo con el diagnóstico o tratamiento recetado por su médico, puede solicitar una segunda opinión de otro médico dentro de la MPN. Para obtener una segunda opinión usted tiene las siguientes responsabilidades:

- Informar a su Profesional de Reclamaciones por teléfono o por escrito de la controversia en relación con el diagnóstico o tratamiento.
- Seleccione un médico o especialista de la lista regional de proveedores de la MPN la cual se la proporcionará su Profesional de Reclamaciones cuando usted solicite una segunda opinión.
- Programe una cita con el segundo médico dentro de un plazo de 60 días.
- Informe a su Profesional de Reclamaciones sobre la fecha y hora de la cita.
- Usted tiene derecho a solicitar una copia de los registros médicos enviados al médico de segunda opinión.
- Si no programa una cita dentro del plazo de 60 días desde que recibe la lista regional de proveedores, no se le permitirá tener una segunda o tercera opinión con respecto a esta disputa sobre el diagnóstico o el tratamiento de este médico tratante.

Si el segundo médico decide que su lesión se encuentra fuera del tipo de lesión que suele tratar, el médico le avisará a usted y a su empleador o compañía de seguros. Usted recibirá otra lista de proveedores de la MPN para que pueda hacer otra selección.

Si no está de acuerdo con la segunda opinión, puede solicitar una tercera opinión. Si solicita una tercera opinión, va realizar el mismo proceso que realizó para la segunda opinión. Recuerde que si usted no programa una cita dentro de los 60 días de recibir la otra lista de proveedores de la MPN, entonces no se le permitirá tener una tercera opinión con respecto a esta disputa sobre el diagnóstico o el tratamiento de este médico tratante.

Si no está de acuerdo con el médico que otorgó la tercera opinión, puede solicitar una Revisión Médica Independiente (IMR, por sus siglas en Inglés). Su Profesional de Reclamaciones le dará

información sobre cómo solicitar una Revisión Médica Independiente y un formulario en el momento en que seleccione una tercera opinión.

Si el médico de segunda o tercera opinión o el Médico Independiente está de acuerdo con su necesidad de un tratamiento o un análisis, se le puede permitir que reciba tal servicio médico de un proveedor dentro de la MPN o si la MPN no tiene un médico que pueda proporcionar tal tratamiento recomendado, podrá elegir un médico fuera de la MPN dentro de un área geográfica razonable.

- **¿Qué pasa si ya me están atendiendo por una lesión laboral antes de que comience la MPN?**

Su aseguradora tiene una política de “*Transferencia de la Atención*” que determinará si lo puede continuar atendiendo de forma temporal por una lesión laboral existente, un médico fuera de la MPN antes de que se transfiera su atención a la MPN.

Si su médico actual no es o no se convierte en un miembro de la MPN, entonces puede que se le requiera que vea a un médico de la MPN. Sin embargo, si usted ha designado previamente un médico de atención primaria de manera adecuada, no se lo puede transferir a la MPN. (Si usted tiene preguntas acerca de la designación previa, consulte a su supervisor.)

Si su empleador decide transferirlo a la MPN, usted y su médico de atención primaria deben recibir una carta que les notifique su transferencia. Si cumple con ciertas condiciones, puede calificar para continuar su tratamiento con un médico fuera de la MPN por hasta un año antes de que se lo transfiera a la MPN. Los requisitos para posponer la transferencia de su tratamiento a la MPN se exponen en el cuadro a continuación.

¿Me puedo seguir tratando con mi médico?

Usted puede calificar para continuar el tratamiento con su proveedor que no pertenece a la MPN (por transferencia de atención o continuidad de la atención) hasta por un año si su lesión o enfermedad reúne alguna de las siguientes condiciones:

- (Aguda) El tratamiento para su lesión o enfermedad se completará en menos de 90 días;
- (Crónica o Grave) Su lesión o enfermedad es una que es grave y continúa durante al menos 90 días sin una cura completa o empeora y requiere tratamiento continuo. Se le puede permitir que lo trate su médico actual hasta por un año, hasta que se pueda hacer una transferencia de atención segura.
- (Terminal) Usted tiene una enfermedad incurable o una condición irreversible que probablemente cause la muerte dentro de un año o menos.
- (Cirugía Pendiente) Usted ya tiene una cirugía u otro procedimiento que ha sido autorizado por su empleador o asegurador que ocurrirá dentro de los 180 días posteriores a la fecha de entrada en vigor de la MPN, o a la fecha de terminación del contrato entre la MPN y su médico.

Usted puede estar en desacuerdo con la decisión de su empleador de transferir su cuidado a la MPN. Si no desea que lo transfieran a la MPN, solicítele a su médico de atención primaria un informe médico que indique si tiene una de las cuatro condiciones indicadas anteriormente, para calificar para un aplazamiento de su transferencia a la

MPN.

Su médico de atención primaria tiene 20 días a partir de la fecha de su petición para darle una copia del informe sobre su condición. Si su médico de atención primaria no le da el informe dentro de los 20 días de su solicitud, el empleador puede transferir su atención a la MPN y usted estará obligado a utilizar un médico de la MPN.

Tendrá que darle una copia del informe a su empleador si desea posponer la transferencia de su atención. Si usted o su empleador no están de acuerdo con el informe de su médico sobre su condición, usted o su empleador pueden disputarlo. Vea la política de Transferencia de la Atención completa para obtener más detalles sobre el proceso de resolución de disputas.

Para obtener una copia de la política de Transferencia de la Atención, consulte a su Profesional de Reclamaciones o llame a la línea de Asistencia de Acceso Médico al (855) 924-4272. Una copia de la política está disponible en español si la solicita.

- **¿Qué sucede si me está tratando un médico de la MPN que decide abandonarla?**

Su asegurador tiene una política de “*Continuidad de la Atención*” por escrito, la cual determinará si puede continuar de forma temporal su tratamiento para una lesión laboral actual con su médico, si su médico ya no está participando en la MPN.

Si su empleador decide que usted no califica para continuar su tratamiento con el proveedor que no pertenece a la MPN, usted y su médico de atención primaria deben recibir una carta donde se los notifique de esta decisión.

Si cumple con ciertas condiciones, usted puede calificar para continuar su tratamiento con este médico hasta por un año antes de tener que cambiar a un médico de la MPN. Estas condiciones están descritas en el cuadro “*¿Me puedo seguir tratando con mi médico?*” más arriba.

Usted puede estar en desacuerdo con la decisión de su empleador sobre negarle la Continuidad de Atención con el proveedor discontinuado de la MPN. Si desea seguir tratándose con este médico, pídale a su médico de atención primaria un informe médico que indique si tiene una de las cuatro condiciones indicadas en el cuadro de arriba para ver si reúne los requisitos para continuar tratándose temporalmente con su médico actual.

Su médico de atención primaria tiene 20 días a partir de la fecha de su petición para darle una copia del informe médico sobre su condición. Si su médico de atención primaria no le da el informe dentro de los 20 días de su solicitud, se aplicará la decisión de su empleador para negar la Continuidad de Atención con el médico que ya no participe en la MPN, y se le pedirá elegir un médico de la MPN.

Usted tendrá que dar una copia del informe a su empleador si desea posponer la transferencia de su cuidado. Si usted o su empleador no están de acuerdo con el informe de su médico sobre su condición, usted o su empleador pueden disputarlo. Vea la política de Continuidad de la Atención completa para más detalles sobre el proceso de resolución de disputas.

Para obtener una copia de la política de Continuidad de la Atención, consulte a su Profesional de Reclamaciones o llame a la línea de Asistencia de Acceso Médico al (855) 924-4272. Una copia de la política está disponible en español si la solicita.
