Dear Policyholder,

Thank you for placing your workers compensation coverage with Berkshire Hathaway Homestate Companies (BHHC). We look forward to working with you to fulfill all your workers compensation needs.

Enclosed you will find documentation necessary for the processing and administration of a claim in the event of a workplace injury, as well as important information regarding workers compensation requirements for your state (i.e. posting notices, compliance laws, etc). Please utilize the documents included to collect valid information regarding the injured employee and incident, and send the documents in when reporting the claim or upon request. Any completed document should be sent directly to BHHC using mail, e-mail, or fax. The assigned claims professional will forward necessary documentation onto the appropriate state entity.

It is critical that you promptly report all new claims using one of the contact methods listed to the right.

Louisiana state law recommends employers report every industrial injury or occupational disease claim to their workers compensation carrier as soon as possible or within 5 days of employer knowledge of injury.

State law also requires that employers authorize initial medical treatment within 24 hours of knowledge that an occupational injury or illness has been sustained or reported, regardless of the legitimacy of the claim. Failure to comply may result in the loss of "medical control" and a significant increase in the potential claim cost.

We will attempt to contact you and the injured worker within 24 hours of receiving the First Report of Injury. Your cooperation in allowing the injured employee to speak with one of our Claims Professionals is appreciated.

Should you have any questions regarding the contents of this kit, a claim, or claim reporting, please contact our Customer Care Center at (888) 495-8949. Questions regarding your insurance policy or coverage should be directed to your broker or agent. We thank you for choosing BHHC as your workers compensation carrier and look forward to providing you superior customer service and compassionate care for your injured workers.

Workers' Compensation

Reporting Injury

You should report to your employer any occupational disease or personal injury that is work-related, even if you deem it to be minor.

Occupational Disease or Death

In case of an occupational disease, all claims are barred unless the employee files a claim with his/her employer within one year of the date that:

- 1 the disease manifests itself.
- 2 the employee is disabled as a result of the disease.
- 3 the employee knows or has reasonable grounds to believe that the disease is occupationally related.

In case of death arising from an occupational disease, all claims are barred unless the dependent(s) file a claim with the deceased employee's employer within one year of:

- 1 the date of death.
- 2 the date the claimant has reasonable grounds to believe that the death resulted from occupational disease.

Filing Notice

In case of injury or death caused by a work-related accident, an injured employee or any person claiming to be entitled to compensation either as a claimant or as a representative of a person claiming to be entitled to compensation, must give notice to the employer within 30 days of the injury. If notice is not given within 30 days, no payments will be made for such injury or death. In addition, any fraudulent action by the employer, employee, or any other person for the purpose of obtaining or defeating any benefit or payment of workers' compensation shall subject such person to criminal as well as civil liabilities.

The above mentioned notice should be filed with the employer at the address shown to the right.

A notice so given shall not be held invalid because of any inaccuracy in stating the time, place, nature or cause of injury, or otherwise, unless it is shown that the employer was in fact misled to his detriment thereby. Failure to give notice may not harm the employee if the employer knew of the accident or if the employer was not prejudiced by the delay or failure to give notice.

Physicians

In the event you are injured, you are entitled to select a physician of your choice for treatment. The employer may choose another physician and arrange an examination which you would be required to attend.

WORKERS' COMPENSATION FRAUD

Workers' compensation fraud is punishable by Louisiana law

The Louisiana Workforce Commission is working with law enforcement to find and prosecute Workers' Compensation Fraud.

WHAT IS WORKERS' COMPENSATION FRAUD

Common forms of workers' compensation fraud include:

- Faking an injury or illness in order to collect workers' compensation benefits
- Claiming that a work-related injury or illness is more severe than it really is
- Claiming that an injury which occurred in another location happened in the workplace
- Collecting workers' compensation benefits long after an injury has healed

These actions are illegal. Under the Louisiana Workers' Compensation law [Louisiana Revised Statutes, Section 23:1208], it is unlawful:

- For any person, for the purpose of counseling or defeating any workers' compensation benefit payment for themselves (himself) or another person, to willfully make a false statement or representation.
- For any person, either directly or indirectly, to aid and abet an employer or claimant or counsel an employer or claimant to willfully make a false statement or representation.

What can happen to you?

- Any person who violates these provisions of the Workers' Compensation law will be subject to punishment based on the value of the benefits or payment obtained. [L.R.S., Section 23:1208(C)]
- \$10,000 or more: The person shall be imprisoned (with or without hard labor) for up to 10 years, fined up to \$10,000, or both.
- Between \$2,500 and \$10,000: The person shall be imprisoned (with or without hard labor) for up to 5 years, fined up to \$5,000, or both.
- Less than \$2,500: The person shall be imprisoned (with or without hard labor) for up to 6 months, fined up to \$500, or both.

Any person who violates these provisions of the Workers' Compensation law may also be assessed civil penalties by the workers' compensation judge or not less than \$500 or more than \$5,000 and may be ordered to make restitution for benefits claimed or payments obtained through fraud. [L.R.S. Section 23:1208(D)]

Any employee who violates these provisions of the Workers' Compensation law will, upon determination by a workers' compensation judge, forfeit any right to compensation benefits. [L.R.S. 23:1208(E)]
