WC-BILL OF RIGHTS

GEORGIA STATE BOARD OF WORKERS' COMPENSATION

BILL OF RIGHTS FOR THE INJURED WORKER

As required by law, O.C.G.A. §34-9-81.1, this is a summary of your rights and responsibilities. The Workers' Compensation Law provides you, as a worker in the State of Georgia, with certain rights and responsibilities should you be injured on the job. The Workers' Compensation Law provides you coverage for a work-related injury even if an injury occurs on the first day on the job. In addition to rights, you also have certain responsibilities. Your rights and responsibilities are described below.

Employee's Rights

1. If you are injured on the job, you may receive medical rehabilitation and income benefits. These benefits are provided to help you return to work. Your dependents may also receive benefits if you die as a result of a job-related injury.
2. Your employer is required to post a list of at least six doctors or the name of the certified WC/MCO that provides medical care, unless the Board has granted an exception. You may choose a doctor from the list and make one change to another doctor on the list without the permission of your employer. However, in an emergency, you may get temporary medical care from any doctor until the emergency is over, then you must get treatment from a doctor on the posted list.
3. Your authorized doctor bills, hospital bills, rehabilitation in some cases, physical therapy, prescriptions, and necessary travel expenses will be paid if injury was caused by an accident on the job. All injuries occurring on or before June 30, 2013 shall be entitled to lifetime medical benefits. If your accident occurred on or after July 1, 2013 medical treatment shall be limited to a maximum of 400 weeks from the accident date. If your injury is catastrophic in nature you may be entitled to lifetime medical benefits.
4. You are entitled to weekly income benefits if you have more than seven days of lost time due to an injury. Your first check should be mailed to you within 21 days after the first day you missed work. If you are out more than 21 consecutive days due to your injury, you will be paid for the first week.
5. Accidents are classified as being either catastrophic or non-catastrophic. Catastrophic injuries are those involving amputations, severe paralysis, severe head injuries, severe burns, blindness, or of a nature and severity that prevents the employee from being able to perform his or her prior work and any work available in substantial numbers within the national economy. In catastrophic cases, you are entitled to receive two-thirds of your average weekly wage but not more than \$800 per week for a job-related injury for as long as you are unable to return to work. You also are entitled to receive medical and vocational rehabilitation benefits to help in recovering from your injury. If you need help in this area call the State Board of Workers' Compensation at (404) 656-0849.
6. In all other cases (non-catastrophic), you are entitled to receive two-thirds of your average weekly wage but not more than \$800 per week for a job related injury. You will receive these weekly benefits as long as you are totally disabled, but no longer than 400 weeks. If you are not working and it is determined that you have been capable of performing work with restrictions for 52 consecutive weeks or 78 aggregate weeks, your weekly income benefits will be reduced to two-thirds of your average weekly wage but no more than \$533.33 per week, not to exceed 350 weeks.
7. When you are able to return to work, but can only get a lower paying job as a result of your injury, you are entitled to a weekly benefit of not more than \$533.33 per week for no longer than 350 weeks.
8. Your dependent(s), in the event you die as a result of an on-the-job accident, will receive burial expenses up to \$7,500 and two-thirds of your average weekly wage, but not more than \$800 per week. A widowed spouse with no children will be paid a maximum of \$320,000. Benefits continue until he/she remarries or openly cohabits with a person of the opposite sex.
9. If you do not receive benefits when due, the insurance carrier/employer must pay a penalty, which will be added to your payments.

Employee's Responsibilities

1. You should follow written rules of safety and other reasonable policies and procedures of the employer.
2. You must report any accident immediately, but not later than 30 days after the accident, to your employer, your employer's representative, your foreman or immediate supervisor. Failure to do so may result in the loss of the benefits.
3. An employee has a continuing obligation to cooperate with medical providers in the course of their treatment for work related injuries. You must accept reasonable medical treatment and rehabilitation services when ordered by the State Board of Workers' Compensation or the Board may suspend your benefits.
4. No compensation shall be allowed for an injury or death due to the employee's willful misconduct.
5. You must notify the insurance carrier/employer of your address when you move to a new location. You should notify the insurance carrier/employer when you are able to return to full-time or part-time work and report the amount of your weekly earnings because you may be entitled to some income benefits even though you have returned to work.
6. A dependent spouse of a deceased employee shall notify the insurance carrier/employer upon change of address or remarriage.
7. You must attempt a job approved by the authorized treating physician even if the pay is lower than the job you had when you were injured. If you do not attempt the job, your benefits may be suspended.
8. If you believe you are due benefits and your insurance carrier/employer denies these benefits, you must file a claim within one year after the date of last authorized medical treatment or within two years of your last payment of weekly benefits or you will lose your right to these benefits.
9. If your dependent(s) do not receive allowable benefit payments, the dependent(s) must file a claim with the State Board of Workers' Compensation within one year after your death or lose the right to these benefits.
10. Any request for reimbursement to you for mileage or other expenses related to medical care must be submitted to the insurance carrier/employer within one year of the date the expense was incurred.
11. If an employee unjustifiably refuses to submit to a drug test following an on-the-job injury, there shall be a presumption that the accident and injury were caused by alcohol or drugs. If the presumption is not overcome by other evidence, any claim for workers' compensation benefits would be denied.
12. You shall be guilty of a misdemeanor and upon conviction shall be punished by a fine of not more than \$10,000.00 or imprisonment, up to 12 months, or both, for making false or misleading statements when claiming benefits. Also, any false statements or false evidence given under oath during the course of any administrative or appellate division hearing is perjury.

Georgia Medical Provider Panels

Treating physicians can have a significant impact on a claim's medical cost. A key component to controlling these costs and reaching a satisfactory resolution of a claim for all parties involved is ensuring that the claimant receives quality medical care from a competent physician.

In the state of Georgia, employers have two different options, in the form of provider panels, for asserting some influence on the selection of the treating physician. Pursuant to O.C.G.A. § 34-9-201(b) and Board Rule 201(a), the establishment and maintenance of one of the panel types satisfies the employer's obligation to furnish medical care to injured workers. Excluding denied claims and emergencies, a valid panel may limit an injured worker's physician choice to up to two medical providers designated within the panel. Please note, the failure to authorize initial medical treatment upon notice of an employee's work injury may result in a loss of medical control and waiver of panel rights.

This document contains a summary of the essential elements for the creation and maintenance of an enforceable medical provider panel.

Our staff is available to assist you in this process. We can provide a list of qualified, reputable physicians and medical providers that are experienced in providing treatment of industrial injuries, familiar with workers' compensation, and strong advocates of a safe and expedient return to work.

General Requirements

Forms

The Georgia State Board of Workers' Compensation (Board) has created specific forms to be used

by employers to display their panels. Use of the appropriate board form is required. The completed form must be printed on legal sized paper and posted in a prominent place at all of the employer's Georgia business locations with Form WC-BOR/WC-BOR-Sp - Bill of Rights.

- To ensure conspicuousness, it is recommended that the form be printed on pink colored paper.

Notice to Workers

The law requires reasonable measures be taken to ensure that employees:

- Understand the purpose of the panel and their rights; and
 - The Board recommends the use of an acknowledgement form to be signed by all employees to show that they have been notified of the panel and its use. Our Acknowledgement of Receipt and Notice of Panel Form may be used for this purpose.
 - Notice should be given prior to and upon knowledge of an employee's work injury.
- Receive assistance in contacting the panel providers when necessary
 - This may involve assisting a worker with scheduling an appointment to receive treatment for a work-related injury.

Unaffiliated Physicians

In order to count as separate choices, physicians and physician groups used on panels should not be associated with one another. In rural areas, where it can be demonstrated that there are few reasonably accessible physicians or medical providers, the Board may allow exceptions.

Number of Providers

Whenever possible, a panel should exceed the minimum number by at least one in order to ensure panel validity in case of changes due to provider retirement, relocation, etc.

Physician Panel Types

Panel of Physicians

- Form - Board Form WC-P1/P1Sp - Panel of Physicians
- Minimum Requirements - The list must contain at least six physicians or medical providers, including:
 - at least one orthopedic surgeon

 - Each employee must receive instruction on accessing the services of the WC/MCO, a complete listing of the network medical providers, and a wallet-sized card containing contact information for the WC/MCO, including a 24-hour, tollfree hotline phone number.

Panel Maintenance

To guarantee panel validity over time, routine maintenance is recommended.

Every six months to a year, each physician or provider on a panel should be contacted to confirm that their contact information is up-to-date and that they are still accepting and treating workers' compensation patients.

Physician Selection And Changes

- Excluding denied claims and emergencies, an injured worker is required to select the authorized treating physician from the panel list.
 - Obtain the injured worker's initial selection in writing. Our Treating Physician Designation Form may be used for this purpose.
- Injured workers have the right to one change to another provider listed on the panel without prior approval. The parties must agree on or the Board must order any subsequent changes. Referrals to specialists made by the treating physician do not count toward a claimant's physician selection.

Claim Procedures

- All work accidents and injuries must be reported to us as soon as possible so that we are able to begin the claim investigation promptly. Please have the injured worker complete our Georgia Employee Accident Report.
- When reporting the claim, please make sure to provide a copy of your posted physician panel and a copy of the injured worker's signed panel acknowledgment. This allows the Claims Professional to enforce panel use.

Acknowledgment of Receipt and Notice of Physician Panel

By signing this document, I am certifying that my employer,

, provided me with a copy of their official posted panel

on and has reviewed the purpose of the panel with me.

I understand that I must select a medical provider from the panel list to provide medical care for any work injuries that I may sustain. I also understand that my employer may not be required to pay for any medical treatment that I obtain from a medical provider that is not included on the panel.

I further understand that, if I am not satisfied with the first physician that I select from the panel, I have the right to make one change to another physician listed on the same panel. Once I have selected a second physician to provide treatment, I am unable to make a change without a formal request to my employer, the workers' compensation insurance company, or the Georgia State Board of Workers' Compensation.

I understand that it is my duty to inform my supervisor and/or the appropriate personnel at my employer that I have a work injury as soon as the injury occurs. Any delay in notification to my employer may result in a denial of workers' compensation benefits.

I have read this acknowledgment and fully understand its entire contents. I have asked questions about anything that was not clear to me and I am satisfied with the answers I have received. I understand that I have a right to receive a copy of this acknowledgment upon my request.
