## Dear Policyholder,

Thank you for placing your workers compensation coverage with Berkshire Hathaway Homestate Companies (BHHC). We look forward to working with you to fulfill all your workers compensation needs.

Enclosed you will find documentation necessary for the processing and administration of a claim in the event of a workplace injury, as well as important information regarding workers compensation requirements for your state (i.e. posting notices, compliance laws, etc). Please utilize the documents included to collect valid information regarding the injured employee and incident, and send the documents in when reporting the claim or upon request. Any completed document should be sent directly to BHHC using mail, e-mail, or fax. The assigned claims professional will forward necessary documentation onto the appropriate state entity.

It is critical that you promptly report all new claims using one of the methods listed to the right.

Iowa state law requires employers to report every industrial injury or occupational disease claim to their workers compensation carrier immediately.

State law also requires that employers authorize initial medical treatment within 24 hours of knowledge that an occupational injury of illness has been sustained or reported, regardless of the legitimacy of the claim. Failure to comply may result in the loss of "medical control" and a significant increase in the potential claim cost.

We will attempt to contact you and the injured worker within 24 hours of receiving the First Report of Injury. Your cooperation in allowing the injured employee to speak with one of our Claims Professionals is appreciated.

Should you have any questions regarding the contents of this kit, a claim, or claim reporting, please contact our Customer Care Center at (888) 495-8949. Questions regarding your insurance policy or coverage should be directed to your broker or agent. We thank you for choosing BHHC as your workers compensation carrier and look forward to providing you superior customer service and compassionate care for your injured workers.

An employer or the employer's representative must file with the Workers' Compensation Division (WCD) a First Report of Injury or Illness (FROI) in case of occupational:

- Fatality,
- Permanent disability, or
- Temporary disability lasting more than three days.

An employer or the employer's representative must file a FROI within four days of the event.

An employer or the employer's representative must file a FROI if the employee claims the disability is caused by work even if the employer or employer's representative disagrees.

For more information on these and other requirements, go to: [dial.iowa.gov](http://dial.iowa.gov)

## RECORDS AND REPORTS

Every employer must keep a record of all injuries sustained by employees in the course of their employment resulting in incapacity for longer than one day.

All books, records, and payrolls of an employer must be open for inspection by the Iowa Workers' Compensation Commissioner for purposes of administering the Iowa Workers' Compensation Act.

An employer must furnish to an employee upon request one statement of earnings, wages, or salary for the year preceding the injury. An employer may be subject to a civil penalty of \$1,000.00 per offense for failure to furnish such wage statement.

## CIVIL PENALTY

The Commissioner may require an employer to appear and show why the employer should not be subject to a civil penalty of \$1,000.00 per occurrence for failure to comply with the reporting or inspection requirements. Upon hearing, if the facts indicate, the Commissioner may enter an order requiring payment of such penalty. Unless voluntarily paid, the Commissioner may petition the district court for entry of judgment on the order. The employer's insurance carrier shall be responsible in the same manner and to the same extent as the employer when a report of injury has been submitted to the employer's insurance carrier and not filed by it with the agency.

## ADDITIONAL IOWA OSHA REPORTING REQUIREMENTS

Additional reporting and recordkeeping requirements may apply to the incident described in the FROI.
